DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
SPHERE Institute/Acumen LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SPHERE Institute/Acumen LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the SPHERE Institute/Acumen LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan that was established on January 1, 2000 to provide retirement benefits to eligible employees of The SPHERE Institute and a related employer, Acumen, LLC (collectively, the "Company"). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration and Expenses

The Company appointed an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. Fidelity Management Trust Company ("Fidelity") serves as trustee and record keeper.

Certain investment fund management fees and operating expenses are charged directly to the investment funds and are thereby factored into each investment fund as a reduction in investment return. Certain fees including withdrawal and participant loan administration fees are charged directly to participants. Other costs of administering the Plan may be paid from the Plan or paid by the Company at the discretion of the Committee.

C. Eligibility

Substantially all employees of the Company who have attained age 21 are eligible to make elective deferrals and receive employer profit sharing contributions under provisions of the Plan. There is no service requirement. Leased employees, interns and employees covered by a collective bargaining agreement are specifically excluded. Entry date is immediate upon meeting age and eligibility requirements.

D. Participant Contributions

The Plan allows participants to defer up to 100% of their eligible compensation in pre-tax and/or Roth after-tax contributions subject to applicable Code limits. Participants age 50 or older may make additional catch-up contributions subject to applicable Code limits. Newly hired eligible employees who have not made an affirmative election to defer compensation to the Plan, including an election not to defer compensation to the Plan are auto-enrolled at a pre-tax deferral rate of 5% of eligible compensation immediately upon date of hire. Participants may also make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant directions.

E. Employer Contributions

The Plan provides for employer discretionary non-elective contributions on behalf of eligible participants. Employer contributions are 50% of the employee's deferral rate up to a 2.5% maximum.

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, employer non-elective contributions and the participant's share of Plan earnings or losses and expenses. Participant accounts are invested based on participant directions.

The contributions of participants who decline to make an investment election are invested in the Fidelity Freedom Fund appropriate for the individual's age and projected date of retirement.

G. Vesting and Forfeitures

Participants vest in their accounts attributable to Company contributions under a schedule set forth in the Plan that provides for 33% vesting on completion of two years of service, 67% vesting on completion of three years of service and 100% vesting on completion of four or more years of service. Forfeitures of terminated participants' non-vested accounts may be allocated as additional Company contributions or used to pay Plan administrative expenses. During 2025, approximately \$201,000 of forfeitures were used to reduce Company contributions and approximately \$54,000 were used to reduce Plan expenses. The balance of available forfeitures was approximately \$77,000 and \$102,000 at December 31, 2025 and 2024, respectively.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or electing early retirement at age 55, a participant or beneficiary may maintain his or her account in the Plan or receive benefits in a lump sum payment equal to the value of the vested participant's account balance. Participants are also allowed to receive in-service withdrawals if the participant has attained age 59½. Hardship withdrawals are permitted from participant accounts attributable to elective pre-tax and Roth contributions, under limited circumstances subject to approval of the plan administrator.

I. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account and bears a fixed rate of interest based on prevailing interest rates charged by persons in the business of lending money for loans made under similar circumstances. A loan must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates ranging from 4.25% to 9.50% with maturities through August 2034.

Notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes receivable are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Payment of Benefits

Benefits are recorded when paid.

D. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

E. Risks and Uncertainties

Plan investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company adopted a volume submitter plan that has received an opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes that the Plan is operated in accordance with, and qualifies under, applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 5 - RELATED PARTY TRANSACTIONS

Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds and payment of direct and indirect administrative and investment management fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held at December 31, 2025 and 2024, and net appreciation of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust, the trustee of the Plan.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following table summarizes the Plan's investments at December 31 based on the inputs used to value them:

	<u>2025</u>	<u>2024</u>
	<u>Level 1</u>	<u>Level 1</u>
Mutual Funds	<u>\$ 93,110,537</u>	<u>\$ 74,578,242</u>

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 11, 2026, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in the Plan's financial statements.

FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
SPHERE Institute/Acumen LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SPHERE Institute/Acumen LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the SPHERE Institute/Acumen LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan that was established on January 1, 2000 to provide retirement benefits to eligible employees of The SPHERE Institute and a related employer, Acumen, LLC (collectively, the "Company"). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration and Expenses

The Company appointed an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. Fidelity Management Trust Company ("Fidelity") serves as trustee and record keeper.

Certain investment fund management fees and operating expenses are charged directly to the investment funds and are thereby factored into each investment fund as a reduction in investment return. Certain fees including withdrawal and participant loan administration fees are charged directly to participants. Other costs of administering the Plan may be paid from the Plan or paid by the Company at the discretion of the Committee.

C. Eligibility

Substantially all employees of the Company who have attained age 21 are eligible to make elective deferrals and receive employer profit sharing contributions under provisions of the Plan. There is no service requirement. Leased employees, interns and employees covered by a collective bargaining agreement are specifically excluded. Entry date is immediate upon meeting age and eligibility requirements.

D. Participant Contributions

The Plan allows participants to defer up to 100% of their eligible compensation in pre-tax and/or Roth after-tax contributions subject to applicable Code limits. Participants age 50 or older may make additional catch-up contributions subject to applicable Code limits. Newly hired eligible employees who have not made an affirmative election to defer compensation to the Plan, including an election not to defer compensation to the Plan are auto-enrolled at a pre-tax deferral rate of 5% of eligible compensation immediately upon date of hire. Participants may also make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant directions.

E. Employer Contributions

The Plan provides for employer discretionary non-elective contributions on behalf of eligible participants. Employer contributions are 50% of the employee's deferral rate up to a 2.5% maximum.

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, employer non-elective contributions and the participant's share of Plan earnings or losses and expenses. Participant accounts are invested based on participant directions.

The contributions of participants who decline to make an investment election are invested in the Fidelity Freedom Fund appropriate for the individual's age and projected date of retirement.

G. Vesting and Forfeitures

Participants vest in their accounts attributable to Company contributions under a schedule set forth in the Plan that provides for 33% vesting on completion of two years of service, 67% vesting on completion of three years of service and 100% vesting on completion of four or more years of service. Forfeitures of terminated participants' non-vested accounts may be allocated as additional Company contributions or used to pay Plan administrative expenses. During 2025, approximately \$201,000 of forfeitures were used to reduce Company contributions and approximately \$54,000 were used to reduce Plan expenses. The balance of available forfeitures was approximately \$77,000 and \$102,000 at December 31, 2025 and 2024, respectively.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or electing early retirement at age 55, a participant or beneficiary may maintain his or her account in the Plan or receive benefits in a lump sum payment equal to the value of the vested participant's account balance. Participants are also allowed to receive in-service withdrawals if the participant has attained age 59½. Hardship withdrawals are permitted from participant accounts attributable to elective pre-tax and Roth contributions, under limited circumstances subject to approval of the plan administrator.

I. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account and bears a fixed rate of interest based on prevailing interest rates charged by persons in the business of lending money for loans made under similar circumstances. A loan must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates ranging from 4.25% to 9.50% with maturities through August 2034.

Notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes receivable are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SPHERE INSTITUTE/ACUMEN LLC
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Payment of Benefits

Benefits are recorded when paid.

D. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

E. Risks and Uncertainties

Plan investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company adopted a volume submitter plan that has received an opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes that the Plan is operated in accordance with, and qualifies under, applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds and payment of direct and indirect administrative and investment management fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held at December 31, 2025 and 2024, and net appreciation of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust, the trustee of the Plan.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following table summarizes the Plan's investments at December 31 based on the inputs used to value them:

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 11, 2026, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in the Plan's financial statements.
