INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Participants of
United Surety & Indemnity Company CODA Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of United Surety & Indemnity Company CODA Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants may contribute a pre-tax annual contribution up to the maximum amount in accordance with the provisions of the Puerto Rico Income Tax Code (\$15,000 for the years ended December 31, 2025 and 2024). After-Tax contributions may not exceed 10% of the aggregate compensation paid to the participant. The minimum permitted Code Section 1165(e) Elective Deferral percentage is 3%. The permitted Code Section 1165(e) Elective Deferral percentage is 100%. Automatic enrollment is permitted subject to the terms of a written policy or the notice that is provided to Plan participants each Plan Year.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon and become vested in the Sponsor’s contributions, including profit sharing contributions. A participant is 100% vested after three years of credited service.

The vesting schedule is as follows:

Years of Service	Vesting Percentage
1 year	0%
2 years	0%
3 or more years	100%

Forfeited Accounts – Effective July 1, 2008, forfeited non-vested accounts should be allocated to participants’ accounts during the Plan year in the proportion that a participant’s account

balance bears to the total Plan assets. Forfeited non-vested accounts are used to reduce related Plan expense. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$23,247 and \$31,642, respectively.

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance, installment payments or a direct rollover to an individual retirement account or to another qualified plan.

The Plan also provides for certain withdrawals during employment, as follows:

- a) **Normal retirement age** – A participant will be fully vested and may retire after the latter of reaching age 60 or the sixty anniversary of the date he or she became a participant.
- b) **Disability retirement** – A participant will be fully vested and may retire prior to normal retirement age upon becoming disable.

If the participant terminates his employment before reaching his normal, becoming disable or dying, the participant shall be allowed to apply for an early distribution of his plan benefits.

Hardship Withdrawals – Under the provisions of the Plan, participants are permitted to make hardship withdrawals out from the participant's pre-tax, catch-up, match and rollover contributions. Such withdrawal is only permitted if: a) financial hardship is demonstrated, b) the withdrawal is approved by the Plan Administrator and c) such withdrawal is allowable under the Puerto Rico Income Tax Code.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan investments' results. Allocation of the Plan investment's result is based on participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies used by the Plan follows:

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the

UNITED SURETY & INDEMNITY COMPANY CODA PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Contributions – Employees contributions and Plan Sponsors matching contributions are recorded in the plan year period in which the Plan Sponsors make payroll deductions from the Plan participants' earnings.

Investment Valuation and Income Recognition – Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 to the Financial Statements for additional disclosures related to fair value measurements.

The Plan investment return includes interest income, gains and losses on sales of investments and unrealized appreciation or depreciation of investments. The financial statements reflect the net appreciation or depreciation in the fair value of the Plan's investments. This net appreciation or depreciation consists of realized gains and losses calculated as the difference between proceeds from a sales transaction and cost, and unrealized gains and losses calculated as the change in the fair value between beginning of the year (or purchase date if later) and the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan also invests in a EI Fixed Account - Series Class I (GWAQ35) which is a fixed fund fully benefit-responsive investment, offered through a group of fixed and variable deferred annuity contracts issued by Empower, and managed by Empower Capital Management, LLC.

Benefits Payable – The Plan accounts for benefits payable in accordance with the guidance provided by the AICPA Audit and Accounting Guide, Audit of Employee Benefits Plans. This guidance requires that benefits payable to person who has withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. There were no withdrawals that were requested but have not been paid at December 31, 2025.

Payment of Benefits – Benefits payments to participants are recorded upon distribution.

UNITED SURETY & INDEMNITY COMPANY CODA PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Administrative expenses – The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Plan expenses such as legal, auditing and advisory fees are paid by the Plan Sponsor. Certain transaction charges are deducted from the Participant's accounts.

3. FAIR VALUE MEASUREMENTS

The FASB's authoritative guidance on Fair Value Measurement and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access.

Level 2 - Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Model based techniques in which inputs or assumptions to the valuation methodology are unobservable in the market and significant to the fair value measurement. Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumption about risk).

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

UNITED SURETY & INDEMNITY COMPANY CODA PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Share Prices/Net Assets Values reported on the Plan are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025			
Level 1	Level 2	Level 3	Total
Value on interest of registered securities:			
Mutual funds	\$ 8,734,806	\$ -	\$ 8,734,806
Investment measured at NAV practical expedient (a)			118,448
Total investments			\$ 8,853,254

(a) Common Collective Trust- This category is composed of 1 funds. Fair Value is based on calculated net asset value of shares held by the plan as reported by the administrator of the funds. All of the funds are direct filling entities whose investments strategies have been omitted from disclosure.

December 31, 2024			
Level 1	Level 2	Level 3	Total

DECEMBER 31, 2025 AND 2024

4. GROUP ANNUITY CONTRACT

The Plan has a fully benefit responsive group annuity contract with Empower Annuity Insurance Company of America ("Empower"), and managed by Empower Capital Management, LLC, totaling \$737,303 and \$659,941, as of December 31, 2025 and 2024, respectively.

The group annuity contract invests contributions in a EI Fixed Account - Series Class I (GWAQ35). This GWAQ35 is a general account product where principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets of Empower.

This GWAQ35 is a fully benefit-responsive investment contract for participant-initiated transactions for which values are reported at contract value. Contract value is determined as (a) plus (b) minus (c) where:

- (a) Represents the cost of all contributions made under the contract;
- (b) Includes interests credited to the fund;
- (c) Represents transfer-out from participants' account balance.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions, and it is reset quarterly. The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The quarterly credit rate applies to all money deposited in the group contract holder's GWAQ35 account regardless of when was deposited. The average interest rate for the year ended December 31, 2025 and 2024 was 1.45% and 1.41%, respectively.

In order to provide participants' investments with liquidity for participant-initiated transfers, there cannot be any actively competing investment options in the Plan. Competing investment options refer to: (1) other guaranteed products, (2) stable value funds, (3) short-term bond funds (3 years or less of maturity) and (4) money market funds. If a competing fund is offered without Empower's approval, all participants' transfers shall be suspended until the competing fund is removed.

Upon termination of the group annuity contract, the plan sponsor may choose the following options associated with GWAQ35 depending on the contract provisions:

- (a) Receive the payout of the fund in a lump sum with a market value adjustment;
- (b) Receive the payout of the fund in a lump sum at book value, if this option is selected, Empower may defer the payment to a date no longer than 12 months in the future;

UNITED SURETY & INDEMNITY COMPANY CODA PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

- (c) Mutually agree in writing to any other payout option allowable under the applicable law.

At December 31, 2025 and 2024, Empower informed that the fair value approximates contract value and as such, no adjustments were necessary to the accompanying statements of net assets available for benefits.

5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by ERISA Section 103(a)(3)(C) pursuant by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Oriental Bank, the trustee of the Plan and Empower, the custodian of the Plan, has certified as to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025; the investment fair value measurement; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Each investment is subject to market risk. The degree of market risk varies by investment type based upon the nature of the applicable underlying net assets. The Plan's maximum exposure to accounting loss from such investments is represented by the amounts appearing in the statements of net assets available for benefits.

6. TAX STATUS

The Plan is exempt from Puerto Rico income taxes as per the New Puerto Rico Code ("New PR Code"), which was approved effective for taxable years starting after December 31, 2011.

The Plan was officially granted the qualification from the Puerto Rico Treasury Department ("PRTD") to operate under the provisions of former section 1165(e) of the Puerto Rico Income Tax Code. Such qualification provides the tax-deferral and deduction features at the participants' and Plan Sponsors' level and ratifies such treatment since the Plan's inception. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Income Tax Code and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In Puerto Rico, the tax laws permit examination of the Plan Sponsors' income tax returns for up to four years after the initial return is filed. The tax years of the Plan Sponsors with respect to the Plan that remain open for examination are from 2022 to 2025.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsors have the right under the Plan to reduce, suspend or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan terminates, the interest of each participating employee in the Plan shall be fully vested and such termination shall not reduce the interest of any participating employee, or their beneficiaries accrued under the Plan up to the date of such termination.

8. RISK AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and level of uncertainty related to changes in the values of investments, it is possible that changes in market values in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in fund values.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

9. PARTY-IN-INTEREST TRANSACTIONS

United Surety & Indemnity Company, the Plan sponsor, and certain service providers to the Plan are parties in interest as defined by ERISA. As discussed in Note 2, the Plan sponsor paid certain administrative expenses.

Plan investments consist primarily of funds administered by Resources Investment Advisors, LLC as investment management; Empower Annuity Insurance Company as recordkeeper and custodian; Onedigital Investment Advisors, LLC and Strategic Wealth Partners as brokers/advisors; Oriental Bank & Trust as trustee. Because these entities either sponsor the Plan or provide services to the Plan, transactions with these entities qualify as party-in-interest transactions under ERISA.

At December 31, 2025 and 2024, the Plan had transactions with these parties that are allowable party-in-interest transactions under ERISA and the regulations promulgated thereunder. Management has determined that there were no nonexempt prohibited transactions with parties in interest that require additional disclosure in the accompanying financial statements.

DECEMBER 31, 2025 AND 2024

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

At December 31, 2025 and 2024, the Plan's investment in a fully benefit-responsive group annuity contract is presented at contract value in the accompanying statements of net assets available for benefits, consistent with the guidance for fully benefit-responsive investment contracts. For Form 5500 purposes, this investment is reported at fair value. As disclosed in Note 4, contract value approximated fair value at December 31, 2025 and 2024; therefore, this difference in measurement basis does not result in a reconciling item between net assets available for benefits per the financial statements and net assets available for benefits per Form 5500.

11. SUBSEQUENT EVENTS

The Plan Administrator evaluated subsequent events through July 17, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that would be required in the Plan's financial statements.
