Bayloff Stamped Products 401(k) Profit Sharing Plan and Trust
5910 Belleville Road
Belleville, MI 48111**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Bayloff Stamped Products 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bayloff Stamped Products 401(k) Profit Sharing Plan and Trust financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Bayloff Stamped Products 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bayloff Stamped Products 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bayloff Stamped Products 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bayloff Stamped Products 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at the end of the year as of December 31, 2025 and delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Bayloff Stamped Products 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of Bayloff Stamped Products Detroit, Inc. and Bayloff Stamped Products Kinsman, Inc. (collectively, the "Company") and (the "Plan Sponsor") who have completed 30 days of service, are age 18 or older, and are not covered under a collective bargaining agreement. The Plan, which commenced effective January 1, 1992 is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Contributions

The Plan provides for employee salary deferral contributions up to a maximum of 90 percent of annual compensation subject to the maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. Participants can split their contributions between their pre-tax and/or after-tax accounts. The Plan includes automatic enrollment into the Plan at 4 percent with annual increases of 1 percent of a participant's salary deferral up to a maximum of 8 percent unless the participant elects otherwise in accordance with the plan document.

Certain participant contributions and loan repayments in 2024 were paid after the time frame required by the Department of Labor. The Company remitted these contributions in 2025 and 2026, including the lost earnings related to the late contributions and loan repayments.

The Plan provides for Company discretionary matching contributions to be made at the discretion of management. The Company contributed \$54,201, net of forfeitures, for the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses, if not paid by the Company. Allocations are based on participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments of their account balances into various investment options offered by the Plan.

NOTE 1 - PLAN DESCRIPTION - (Continued)

Vesting

Participants are immediately 100 percent vested in their salary and rollover contributions and any income or loss thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service which is defined as a minimum of 1,000 Hours of Service each plan year. Participants vest in discretionary contributions made by the Company 25 percent after each year of continuous service until they become fully vested after four years of credited service.

Forfeitures

Participants who terminate employment with the Company prior to full vesting forfeit the non-vested portion of their account. Forfeitures are used to reduce Company matching contributions or to pay administrative expenses of the Plan. Forfeitures of \$4,750 were used to offset Company matching contributions during the Plan year.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment annuities. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In-Service Withdrawals

In-service withdrawals to employees are limited to post-age 59.5 withdrawals or hardship withdrawals. Employees must meet certain hardship criteria to qualify for a hardship withdrawal. Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as described in the Plan document.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at a market rate determined at the time the loan is requested to be processed. Principal and interest are paid ratably through payroll deductions.

NOTE 1 - PLAN DESCRIPTION - (Continued)

Related Parties and Parties-In-Interest Transactions

The Plan's investments are held in trust, and recordkeeping and other administrative services are provided to the Plan, by ADP Retirement Trust Services (ADPRTS), which is considered a party-in-interest to the Plan. Fees paid to ADPRTS for record keeping and administrative services for the plan year ending December 31, 2025 were \$26,501.

The Plan Sponsor is considered a related party to the Plan and a party-in-interest under ERISA. The Plan receives employer contributions from the Plan Sponsor in accordance with the provisions of the Plan document. Employer contributions for the year ended December 31, 2025 were \$54,201.

Participant loans are considered party-in-interest transactions under ERISA. Participant loans outstanding at December 31, 2025 were \$166,679.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Excess Contributions Payable

Excess contributions payable consist of amounts payable to participants for contributions in excess of amounts allowed by the IRS. The Plan distributed the excess contributions for 2023 in January 2025. The Plan administrator completed corrective actions in 2025 by making Qualified Nonelective Contributions (QNECs) to eligible non-highly compensated employees in accordance with the provisions of the Internal Revenue Code. The QNECs were fully vested when contributed and are included in employer contributions in the Statement of Changes in Net Assets Available for Benefits.

Benefit Payments

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are, therefore excluded from these financial statements. Investment-related expenses are included in the net appreciation in fair value of investments. Fees for the administration of withdrawals are included in the administrative expenses and charged directly to the participant's account.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through August 5, 2026, which is the date the financial statements were available to be issued.

BAYLOFF STAMPED PRODUCTS 401(K) PROFIT SHARING PLAN AND TRUST

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of market observables and have less priority than Level 1, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The Plan's instruments measured at fair value consist of mutual funds. The Plan's funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded and classified within Level 1 of the valuation hierarchy.

The Plan's investments, consisting of mutual funds, at fair values as of December 31, 2025 and 2024 amounting to \$8,297,727 and \$8,476,627, respectively.

Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

NOTE 4 - TAX STATUS

The Plan uses a preapproved prototype plan. The prototype plan has received favorable opinion letters dated October 6, 2020 from the Internal Revenue Service which states its terms are in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not individually sought its own determination letter. Although the Plan may be subsequently amended and restated, the Plan administrator believes that the Plan will continue to operate in compliance with relevant regulations to maintain its qualified status.

The years 2022, 2023, and 2024 are open tax years relating to the possibility of audit by the federal taxing authorities.

NOTE 5 - CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including all investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by ADP Retirement Trust Services, a qualified institution.
