Independent Auditors' Report

Administrative Committee
Park Place Behavioral Health Care 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Park Place Behavioral Health Care 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Park Place Behavioral Health Care 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Park Place Behavioral Health Care 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Place Behavioral Health Care 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Park Place Behavioral Health Care 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Park Place Behavioral Health Care 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare

the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PARK PLACE BEHAVIORAL HEALTH CARE 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(1) **Description of Plan**

(a) **General**

Park Place Behavioral Health Care 401(k) Plan (the “Plan”) is a defined contribution plan covering all eligible employees of Osceola Mental Health, Inc. (d/b/a Park Place Behavioral Health Care) (the Company). Although the Plan was established effective January 1, 2011, formal operations commenced on October 1, 2011 when all of the assets associated with the Company’s participation in a previous multi-employer plan were transferred to the Park Place Behavioral Health Care 401(k) Plan.

(b) **Contributions**

Under the Plan, each eligible participant may elect to make a contribution in amounts determined by them generally not to exceed \$23,500 (plus a catch-up contribution limited to \$7,500 for individuals age 50 or older). Employees are eligible to participate in the Plan once they have attained the age of 21 and have completed one year of service. Employees may elect to participate on the first day of each month during the Plan year. Employees elect the investment vehicle(s) with the Trustee in which their contributions and employer contributions are invested.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 1 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan also contains employer profit sharing, safe harbor and matching contribution features. Both the profit sharing and matching contributions are provided at the discretion of the employer with the amount of contribution determined and set on a yearly basis. The Plan also provides for a safe harbor contribution which is equal to 100% of the first 3% of salary deferral plus 50% of the next 2% of salary deferral. For the year ended December 31, 2025 the employer elected to make contributions to the Plan of \$237,057.

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of Plan (Continued)

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Payments of Benefits

Upon termination of service, a participant may receive the value of the participant's vested interest in his or her account in a lump-sum amount or in installments.

(e) Participant Notes Receivable

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant notes fund. The term of the loan does not exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1.5%. Principal and interest are paid ratably through payroll deductions.

(f) Vesting

Vested rights to Company profit sharing and matching contributions accrue for employees who have worked 1,000 hours during the Plan year. Vesting accrues at 20% per year beginning after the participant's second year of service, with full vesting accruing at the end of year six. Forfeitures of Company contributions are applied first to reduce Plan administrative expenses and, secondly, to reduce the contributions of the following year. Participant and safe harbor contributions are vested immediately.

(g) Subsequent Events

In preparing these financial statements, the Plan has evaluated subsequent events and transactions for potential recognition and disclosure through July 31, 2026, which is the date the financial statements were available to be issued.

PARK PLACE BEHAVIORAL HEALTH CARE 401(K) PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(2) Summary of Significant Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting and present the net assets available for benefits and changes in those assets.

(b) Valuation of Investments/Participant Notes Receivable

Investments are stated at fair market value determined by quoted market prices or their equivalent at the Plan year end with the exception of certain stable value investment contracts which are stated at contract value, as applicable. Changes in the aggregate market or contract value of the investments are charged or credited to net investment income for the year.

Participant notes receivable are valued at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of investments and participant notes receivable which amount to approximately \$3,700,000. Investments and participant notes receivable are monitored monthly by both the trustee and management of the Plan and are not subject to collateralization.

(c) Payment of Benefits

Benefits are recorded when paid.

(d) Tax Status

The Plan has received a favorable IRS determination letter dated March 31, 2014. The Plan Administrator believes the Plan is operating in accordance with its provisions and is exempt from federal income tax.

(2) Summary of Significant Policies (Continued)

(d) Tax Status (Continued)

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(e) Use of Estimates

Management of the company has made certain estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with generally accepted accounting principles. Actual results could differ from those estimates.

(f) Fair Value Measurement

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(f) Fair Value Measurement (Continued)

- Level 3 – Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

(3) Investment Information

Upon enrollment in the Plan, participants can elect to invest their contributions into the available fund investment vehicle indicated in the accompanying statements of assets available for benefits. Reliance Trust Company was the trustee for the participant directed funds for the years ended December 31, 2025 and 2024. Employer contributions are invested into the Participants' accounts based upon the Participants' enrollment investment selection.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

(4) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
