Part I

Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

| <b>1</b> Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. <b>Round off amounts to the nearest dollar.</b> MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## **Independent Auditor's Report**

To the Plan Administrator and Trustees  
Dogs Inc Retirement Plan  
Palmetto, Florida

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Dogs Inc Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter**

##### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Dogs Inc Retirement Plan

## Notes to Financial Statements

December 31, 2025

---

### **I. Description of the Plan**

The following description of the Dogs Inc Retirement Plan (the Plan) provides only general information about the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all employees of Southeastern Guide Dogs, Inc. d.b.a Dogs Inc (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and was established effective January 1, 1993. The plan was restated on August 1, 2024, to a pre-approved plan offered by Principal Financial Group. The 403(b) Committee oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings.

#### **Plan Amendments**

Effective for the 2025 plan year, the provisions of the Secure 2.0 legislation were operationally adopted and the Plan filed an intent to amend in October 2025. Optional items amended include allowing federally declared disaster loans and withdrawals, 403(b) hardship withdrawals, and emergency expense withdrawals.

#### **Eligibility**

Employees are eligible to participate in the plan beginning on the date they become an eligible employee. Employees are eligible for discretionary matching contributions upon one year of service.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, an allocation of employer contributions and the Plan's earnings, losses, and expenses as defined by the Plan. The benefit to which a participant is entitled is the vested benefit that can be provided from the participants' account.

#### **Contributions**

Salary deferral contributions are made to the Plan by participating employees through payroll deductions in amounts authorized by the employees. Each year, participants may contribute eligible wages, not to exceed the limits of the Internal Revenue Service (IRS) of \$23,500 of pretax annual compensation for 2025. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. For 2025, the annual catch-up contribution limit was \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a guaranteed interest account as options for participants.

The Company may contribute a discretionary match contribution each year. For the year ended December 31, 2025, the Company matched up to 5% of the participants' eligible compensation based upon the participants' contributions. The Company's matching contribution is invested in the investment options as directed by the participant. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments as directed by the participant. Contributions are subject to certain statutory limitations.

**Dogs Inc Retirement Plan**  
Notes to Financial Statements (Continued)  
December 31, 2025

---

**I. Description of the Plan (Continued)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the employer contributions deposited in their accounts after five years of credited service. A year of credited service is any Plan year that the participant works 1,000 hours or more.

**Investment Options**

The Plan qualifies as participant directed under ERISA Section 404(c). Upon enrollment in the Plan, a participant may direct and allocate their contributions to the investment options available. Employer contributions are allocated according to the participants' allocations. The percentage of contributions allocated to each of the investment options is at the discretion of the participant. Participants may change their investment options at any time using the Custodian's website or via telephone.

**Allocation of Investment Income**

The allocation of earnings and losses of the funds shall be allocated in the same proportion that each participant's non-segregated accounts bear to the total of all participants' non-segregated accounts as of such date. Participants' accounts shall be credited with any dividends or interest received.

**Administrative Expenses**

Some administrative expenses, such as audit and consulting costs, may be paid by the Company. Fees related to the administration of notes receivable and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. For the year ended December 31, 2025, administrative expenses totaled \$40,023.

**Forfeited Accounts**

Forfeited amounts from a terminated participant do not become available to the Company until the terminated participant requests a distribution of his or her account. These accounts will be used to reduce future employer contributions. In 2025, employer contributions were not reduced by any forfeited non-vested accounts. For the year ended December 31, 2025, forfeitures totaled \$9,466 and are recorded in total investments at fair value on the statement of net assets available for benefits.

**Benefits Paid to Participants**

On termination of service due to death, disability, or retirement, a participant may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various other options receiving installments over an assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant who has reached age 59 ½ may request an in-service distribution from the Plan. The Plan requires that certain minimum distributions be made from the Plan. The Plan follows IRS guidance for minimum distributions for participants reaching the age of 72.

**Hardship Distributions**

Hardship distributions are permitted by the Plan at the discretion of the Company for allowable expenditures.

**Dogs Inc Retirement Plan**  
Notes to Financial Statements (Continued)  
December 31, 2025

---

**I. Description of the Plan (Continued)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for uncollectible notes has been recorded as of December 31, 2025. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**Plan Termination**

The Company anticipates that the Plan will continue without interruption but reserves the right to terminate the Plan. In the event of Plan termination, the net assets of the Plan will be distributed to the participants and beneficiaries of the Plan.

**2. Summary of Significant Accounting Policies**

**Financial Statements**

The financial statements and notes are representations of the Plan Administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates and Assumptions**

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, changes in net assets and liabilities and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

**Fair Value Measurement**

The Company adopted the Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) for fair value measurements of financial assets and financial liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Fair Value Measurements and Disclosures Topic established a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurement. The financial statements reflect the adoption of the Fair Value Measurements and Disclosures Topic. The 403(b) Committee determines the Plan's Valuation policies.

**Investment Valuation and Income Recognition**

Investments are reported at fair value, except for the fully benefit-responsive investment contracts. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**Dogs Inc Retirement Plan**  
Notes to Financial Statements (Continued)  
December 31, 2025

---

**2. Summary of Significant Accounting Policies (Continued)**

**Investment Valuation and Income Recognition (Continued)**

The statement of net assets available for benefits presents the investment contract at contract value, which approximates fair value. The statement of changes in net assets available for benefits is prepared on a contract value basis, which also approximates fair value.

Purchases and sales of investments are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Net Appreciation in the Fair Value of Investments**

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments. This amount consists of realized gains and losses and unrealized appreciation and depreciation of those investments.

**Financial Instruments Not Measured at Fair Value**

Certain Plan financial instruments are not measured at fair value on a recurring basis but, nevertheless, are recorded at amounts that approximate fair value due to their liquid or short-term nature. Such financial assets include employer contribution receivable.

**Benefits Paid to Participants**

Benefits are recorded when paid.

**3. Financial Information Certified by Principal Financial Group**

The Plan Administrator has obtained certification from Principal Financial Group (the Custodian) that information provided to the Plan Administrator by the Custodian related to the following investments is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule related to the following investments.

The following is a summary of the asset information as of December 31, 2025 and 2024, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator.

|                                         | <b>2025</b>         | <b>2024</b>         |
|-----------------------------------------|---------------------|---------------------|
| Investments, at fair value              | \$ 5,472,903        | \$ 4,002,783        |
| Notes receivable from participants      | 72,826              | 55,654              |
| Total assets certified by the Custodian | <u>\$ 5,545,729</u> | <u>\$ 4,058,437</u> |

The Custodian also certified to the completeness and accuracy of net appreciation in the fair value of investments of \$639,480, interest and dividend income of \$95,817, other expenses of \$344, and interest income on notes receivable of \$6,384.

**4. Fair Value Measurements**

The Fair Value Measurements and Disclosures Topic provides enhanced guidance for using fair value to measure assets and liabilities and clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the assets or liabilities and establishes a hierarchy that prioritizes the information used to develop those assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels for measuring fair value are based on the reliability of inputs and are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

*Mutual funds:* Valued at net asset value (NAV) of shares held by the Plan at year-end. The NAV is the quoted market price in the active market; therefore, the mutual funds are classified as Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**4. Fair Value Measurements (Continued)**

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2025, and indicate the fair value hierarchy of the valuation techniques used to determine such fair value:

| Description                     | 12/31/25     | Level 1      | Level 2 | Level 3 |
|---------------------------------|--------------|--------------|---------|---------|

| Total investments at fair value | \$ 4,909,696 | \$ 4,909,696 | \$ -    | \$ -    |

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2024, and indicate the fair value hierarchy of the valuation techniques used to determine such fair value:

| Description                     | 12/31/24     | Level 1      | Level 2 | Level 3 |

**5. Fully Benefit-Responsive Investment Contracts**

The Plan has fully benefit-responsive investment contracts with Principal. Principal maintains the contributions in general accounts, which are credited with earnings and charged for participant withdrawals and administrative expenses. In accordance with accounting principles generally accepted in the United States of America, the investment contracts are presented at contract value in the financial statements.

Since the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the investment contracts. The investment contracts are presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with the insurance companies. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, (6) and early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance companies may not terminate the contracts at any amount less than the contract value.

The insurance companies are contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The guaranteed minimum interest rate for December 31, 2025 was 4.75%. The value of the fully benefit-responsive investment contract with Principal was \$563,207 and \$114,505 as of December 31, 2025 and 2024, respectively.

**6. Parties-in-Interest to the Plan**

When the Plan invests in shares of mutual funds managed by the Plan's custodian, these investments are considered party-in-interest transactions. The Plan's custodian as of December 31, 2025, was Principal Financial Group. The supplemental Schedule of Assets (Held at End of Year) identifies which of the investments held are party-in-interest investments. At December 31, 2025 and 2024, 17% and 10% of the Plan's investments are considered party-in-interest investments, respectively. Additionally, it should be noted that Principal Financial Group, for the purposes of this audit, includes all references to its parent or subsidiaries, including Principal Funds and Principal Life Insurance Company.

**7. Tax Status**

403(b) plans are not required to submit plans to the IRS for determination. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of the statement of changes in net assets available for benefits per the financial statements to the 2025 Form 5500:

|                                                             | <b>December<br/>31, 2025</b> |
|-------------------------------------------------------------|------------------------------|
| Corrective distributions per the financial statements       | \$ -                         |
| Remittance of excess contributions payable from prior years | 19,856                       |
| Corrective distributions per the Form 5500                  | <u>\$ 19,856</u>             |

**10. Subsequent Events**

The Plan Administrator has evaluated all events subsequent to the statements of net assets available for plan benefits as of December 31, 2025, through the date that these financial statements were available for issuance, July 30, 2026, and have determined that there are no subsequent events that require disclosure.
