INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Plaid Enterprises, Inc. 401(k) Retirement Savings Plan
Norcross, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Plaid Enterprises, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plaid Enterprises, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plaid Enterprises, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plaid Enterprises, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plaid Enterprises, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plaid Enterprises, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or

derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

PLAID ENTERPRISES, INC. 401(k) RETIREMENT SAVINGS PLAN

December 31, 2025

NOTE A--DESCRIPTION OF PLAN

The following description of the Plaid Enterprises, Inc. 401(k) Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Plaid Enterprises, Inc. ("Plaid", "the Employer" and "Plan Administrator"). Employees who have attained nineteen years of age with no required service period are eligible to participate in the Plan. Employees are not eligible to participate if they are nonresident aliens employed at a location outside the United States, or if they are covered under a collective bargaining agreement for which retirement benefits were the subject of good faith negotiations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provides for a discretionary tax deferred contribution by the Employer and an employee elective contribution with an Employer matching provision. Plan participants were able contribute from their pre-tax and/or after-tax compensation, up to 100% of their compensation, not to exceed the Federal statutory maximum. Employees are eligible for a discretionary match contribution after attaining the age of 21 and completing two months of service with a quarterly entry date. The Employer matched 95% of each participant's annual contribution, up to the first \$2,000 of the participant's contribution, 55% of each participant's annual contribution from \$2,001 to \$5,500, and 10% of each participant's annual contribution from \$5,501 to \$8,000, for a maximum Employer match of \$4,075 per year during the year ended December 31, 2025. Additionally, the Employer may make an additional matching contribution at the end of the Plan year. No additional matching contribution was made for the year ended December 31, 2025.

The Plan includes an automatic salary deferral feature. The Employer automatically withholds 3% of the employee's compensation as an employee elective contribution. Employees that have been automatically enrolled may request no deferral of compensation or may elect an alternative deferral percentage.

The Plan provides for a discretionary, non-elective Employer profit-sharing contribution for all Plan participants with one year of service who were employed as of the last day of the plan year. Allocation of the annual contribution is made based on the ratio that each participant's base compensation, as defined, bears to the total annual base compensation for all participants. A discretionary contribution in the amount of \$622,053 was made for the year ended December 31, 2025.

NOTE A--DESCRIPTION OF PLAN--Continued

Participant Accounts: Each participant's account is credited with their contributions, the Employer's matching contributions, their account's earnings or losses, any allocated forfeitures, and the Employer discretionary profit-sharing contribution. All investments are participant directed. Participants may change their investment options daily.

Investments: Participants may allocate their contributions and employer contributions among a selection of money market, equity and fixed income mutual funds, and a collective investment trust fund.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon vest at the rate of 20% per year. A participant becomes fully vested after five years of credited service, or in the event of death, disability or normal retirement. Forfeited amounts can be used to reduce future Employer obligations to the Plan, pay administrative expenses of the Plan, or be allocated to participants.

Administration: The Plan is administered by the Employer. All funds in the Plan were held by the Plan's custodian, Ascensus Trust Company ("the Custodian"). Ascensus Trust Company is also the trustee of the Plan. The Plan's Custodian invested participants' contributions, as directed by the participants.

Withdrawals: A participant may withdraw his vested contributions plus earnings thereon and rollover contributions in the case of a financial hardship. Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax. A participant may not make elective deferrals or other contributions for a period of twelve months following a hardship withdrawal.

Payment of Benefits: Upon a participant's termination of employment with the Employer, reaching the age of 59 and a half, or becoming disabled, the participant is entitled to receive a distribution of his vested account balance. The participant may elect to receive a distribution in the form of an annuity or, in certain situations, installment payments as provided for in the Plan document. If the participant dies prior to receiving his vested account balance, the balance will be paid to the participant's beneficiary or estate. Participants may also make in-service withdrawals under certain "hardship" conditions if approved by the Custodian of the Plan.

NOTE A--DESCRIPTION OF PLAN--Continued

Notes Receivable from Participants: Participants may borrow from their accounts up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Participants may only have one loan outstanding at any given time. Loans are repaid through payroll deductions over periods ranging up to 120 months or by direct payments made between the participant and the Plan. The loans are secured by the vested balance in the participant's account and bear interest at 4.25% to 9.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements for the Plan are prepared using the accrual basis of accounting.

Contributions are recorded on the accrual basis, which recognizes participants' contributions and the related Employer matching contributions at the time the participants' contributions are withheld from their wages. Employer discretionary profit-sharing contributions are recorded in the period recognized in the Employer's financial statements.

Benefits are recorded when paid. At December 31, 2025 and 2024, there were no net assets available for benefits that were not paid.

The participants are responsible for the payment of all administrative expenses. However, the Employer may elect to pay portions of these expenses.

The Plan's mutual fund and collective investment trust investments are stated at fair value as further described in Note C. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

PLAID ENTERPRISES, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Loans to participants are reported separately from plan investments as notes receivable. These loans are recorded at their unpaid balance, plus all accrued and unpaid interest.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through August 10, 2026, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS--Continued

PLAID ENTERPRISES, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

Collective investment trust fund: Valued based on the market value of its underlying investments. The common collective investment trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with the Custodian to maintain the investments of the Plan. For the year ended December 31, 2025, contributions to the Plan of \$3,970,004 were deposited with the Custodian for investment, and participants of the Plan received distributions of \$7,902,487 from funds held by the Custodian. Additionally, for the year ended December 31, 2025, the Plan recorded \$46,590 in administrative expenses paid to the Custodian, affiliates of the Custodian or other service providers. At December 31, 2025 and 2024, the Plan had \$37,836,785 and \$37,151,300, respectively, of assets under the Custodian's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from Federal income taxes. The amended Plan has not requested a favorable determination letter from the Internal Revenue Service since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2025 and 2024, the investments included \$69,077 and \$44,778 of unused forfeitures, respectively. Forfeitures may be used to reduce the Employer contribution, pay administrative expenses, or be allocated to participants. During the year ended December 31, 2025, \$45,209 in forfeitures were allocated to participants.

PLAID ENTERPRISES, INC. 401(k) RETIREMENT SAVINGS PLAN

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the year ended December 31, 2025, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN CUSTODIAN

The total current value of the Plan's net assets was \$38,458,838 and \$37,775,669 at December 31, 2025 and 2024, respectively. With the exception of contributions receivable, the Plan's Custodian has supplied the Plan Administrator with certifications as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and in the statement of changes in net assets available for benefits for the year ended December 31, 2025, in regards to investment activity.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.
