Independent Auditor's Report

To the Plan Administrator of the
G. E. Foodland, Inc. Employee Benefit Plan

Opinion

We have audited the financial statements of G. E. Foodland, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits—modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits—modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits—modified cash basis of G. E. Foodland, Inc. Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits—modified cash basis for the year ended December 31, 2025, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of G. E. Foodland, Inc. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of G. E. Foodland, Inc. Employee Benefit Plan’s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about G. E. Foodland, Inc. Employee Benefit Plan’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (modified cash basis) of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

G. E. Foodland, Inc. Employee Benefit Plan
Notes to Financial Statements

1. Description of Plan

The following description of the G. E. Foodland, Inc. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established on March 1, 1992, and provides health benefits (medical, hospital, surgical, prescriptions, and dental) to participating G.E. Foodland, Inc. (the “Plan Sponsor”) employees and their spouses and covered dependents in the greater Dallas/Fort Worth Metropolitan area. All full-time employees who have completed three months of service and work 30 hours or more per week are eligible to participate in the Plan. The Plan is a self-insured plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan’s Trustees oversee governance of the Plan.

Plan Year

The plan year begins January 1 and ends December 31. Open enrollment is held in January each year.

Benefits

The Plan provides both a preferred provider option (PPO) and a non-PPO option with different plan year out-of-pocket maximums along with different benefit reimbursement percentages. Employees choose between a Core or Buy-Up option. Both the Core and the Buy- Up options include dental and pharmacy coverage.

Third-Party Administrators

Medical and dental claims are processed by United Medical Resources, Inc. (“UMR”), a division of UnitedHealthcare, and pharmacy claims are processed by OptumRx, but the responsibility for payments to participants and providers is retained by the Plan.

1. Description of Plan (Continued)

Contributions

Participants contribute specified amounts through weekly authorized payroll deductions based on the applicable monthly premiums for benefit elections selected. The Plan Sponsor's policy is to contribute sufficient funds to cover benefit obligations. For the year ended December 31, 2025, the Plan Sponsor contributed $100,000 per month beginning February 2025 and for the year ended December 31, 2024 and January 2025, the Plan Sponsor contributed $80,000 per month. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor on a pay-as-you go basis.

In addition to deductibles and copayments, weekly participant contributions withheld through payroll deductions were as follows for the year ended December 31, 2025:

	CORE	Buy-Up
Employee Only	$19.00	$35.00
Employee and Child(ren)	$40.00	$70.00
Employee and Family	$60.00	$100.00

Weekly participant contributions withheld through payroll deductions were as follows for the year ended December 31, 2024:

	CORE	Buy-Up	Preventative
Employee Only	$17.00	$33.00	$5.00
Employee and Child(ren)	$37.00	$64.00	N/A
Employee and Family	$55.00	$94.00	$15.00

Stop-loss coverage

The Plan Sponsor has "stop-loss" insurance coverage for both individual (specific) and aggregate levels. The Plan has never incurred sufficient losses to reach the aggregate stop-loss. Any stop-loss coverage revenue is included in other revenue on the Statement of Changes in Net Assets Available for Benefits - modified cash basis.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, additions are included in the year in which they are collected and deductions are included in the year in which they are disbursed; however, earnings on investments include adjustments to fair value.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Credit Risk

The Plan maintains cash deposits in accounts with federally insured financial institutions that may, at times, exceed federally insured limits. The Plan has not incurred any losses from such accounts, and management considers the risk to be minimal.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Trustees determine the Plan’s valuation policy and procedures, utilizing information provided by the investment advisers, as applicable. See Note 3 for discussion of valuation methodologies.

Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the cash basis of accounting. Dividends are recorded on the settlement date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reported net of investment expenses.

2. Summary of Accounting Policies (Continued)

Administrative Fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor, such as the annual administrative costs, are excluded from these financial statements.

Refunds

The Plan receives refunds for claims paid during the period that a participant or their dependent did not qualify for continuation coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”). The COBRA Administrator for the Plan is UMR. These refunds are recorded when received and are recorded as an offset to benefit payments. Refunds totaling $74,935 have been netted with benefit payments in the accompanying statement of changes in net assets available for benefits for the year ended Decemeber 31, 2025.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

3. Fair Value Measurements (Continued)

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Interest-bearing cash: These investments are stated at cost, which approximates fair value.

Money market funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Equities: Valued at the closing price reported on the active market on which the individual securities are traded.

Real estate and Investment Companies: Valued at net asset value (NAV) per share of funds. The NAV, as published by the respective fund, is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate fair value and is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

3. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Money market funds	$ 1,090,778	$ -	$ -	$ 1,090,778
Equities	49,875	-	-	49,875
Total investments at fair value	1,140,653	-	-	1,140,653
Total investments at net asset value	-	-	-	179,914
Total investments	$ 1,140,653	$ -	$ -	$ 1,320,567

Assets at Fair Value as of December 31, 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Interest-bearing cash	$ 152,898	$ -	$ -	$ 152,898
Money market funds	1,052,041	-	-	1,052,041
Total investments at fair value	1,204,939	-	-	1,204,939
Total investments at net asset value	-	-	-	345,960
Total investments	$ 1,204,939	$ -	$ -	$ 1,550,899

Certain investments measured at net asset value per share have not been classified in the fair value hierarchy. The amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. For each investment measured at NAV, there are no unfunded commitments at year end, a limited share redemption frequency, and a 90-day redemption period for each fund. The total investment in the real estate investment trusts is planned to be held long-term. There are currently no plans to sell in the near future.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. Tax Status

The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. For employee benefit plans, their tax-exempt status itself is deemed to be an uncertainty, since events could potentially occur to jeopardize their tax status. The Plan files the Annual Return/Report of Employee Benefit Plan (Form 5500) in the U.S. federal jurisdiction.

6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Trustees, and therefore, these transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

The Plan invests in certain funds managed by the Plan's Trustees which qualify as party-in-interest transactions. UMR processes medical and dental claims and provides recordkeeping services related to those claims. OptumRx processes pharmacy claims through UMR. Stop-loss insurance coverage is through Zurich North American Insurance Company, Inc. Insurance premiums are paid to Cohan Insurance Group, Inc.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the modified cash basis financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 1,421,130	$ 1,550,899
Benefit obligations currently payable	(146,637)	(87,655)
Net assets available for benefits per Schedule H of Form 5500	$ 1,274,493	$ 1,463,244

The following is a reconciliation of benefits paid to or on behalf of participants per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2025:

Benefits paid per the financial statements	$ 1,115,311
Refunds and reimbursements netted with benefits paid	74,935
Medical benefits obligations currently payable:	
Add: End of year	146,637
Less: Beginning of year	(87,655)
Benefits paid to participate per Schedule H of Form 5500	$ 1,249,228

Amounts currently payable to or for participants, dependents, and beneficiaries are required to be reported on the Form 5500, Schedule H, and are either benefit claims that have been processed and approved for payment prior to December 31, 2025 but not yet paid as of the date or incurred but not yet reported to the Plan. According to the provisions of the Plan, participants, dependents, and beneficiaries are able to submit claims up to 12 months after their medical service date. There are no claims that have been processed and approved for payment prior to year end that are unpaid. Amounts above represented claims incurred but not yet reported to the Plan as of year end.

In addition to the above reconciling items, there are classification of changes in net assets available for benefits for the year ended December 31, 2025 differences between the financial statements and Form 5500.

8. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. If terminated, net assets of the Plan will be distributed to covered persons as prescribed by the terms of the Plan.

9. Subsequent Events

Subsequent events were evaluated through August 11, 2026, the date these financial statements were available to be issued.
