Plan Trustees
Digestive Health Clinic, LLC
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audits of the financial statements of Digestive Health Clinic, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Digestive Health Clinic, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Digestive Health Clinic, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Digestive Health Clinic, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Digestive Health Clinic, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Digestive Health Clinic, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DIGESTIVE HEALTH CLINIC, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

A. Description of Plan:

The following description of the Digestive Health Clinic, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General** - The Digestive Health Clinic, LLC 401(k) Profit Sharing Plan (the "Plan") is a defined contribution retirement plan sponsored by Digestive Health Clinic, LLC (the "Company/Plan Sponsor/Employer"). In addition to the Plan Sponsor, this Plan is also maintained by the following Participating Employers:

- Christopher J. Goulet, M.D., P.A.
- Mark A. Mallory, M.D., P.A.
- Stephen M. Schutz, M.D., P.A.
- Ashley T. Evans, M.D., P.A.
- Meghan T. Jankowski, M.D., P.A.
- Bryan Brimhall, M.D., P.A.
- Joseph Cook, M.D., P.A.
- Edward Krajicek, M.D., P.A.
- Rebecca Osterkamp, M.D., P.A.
- Jeffrey Bank, M.D., P.A.
- Victor Chen, M.D., P.A.

The Plan was originally effective on August 1, 1980, and was most recently restated effective January 1, 2022, to comply with current regulatory requirements and reflect updates to plan provisions. The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code (IRC) and includes both a 401(k) salary deferral feature and a profit-sharing component. The Plan operates on a calendar-year basis, with the plan year ending on December 31. Participation in the Plan is available to employees who have attained age 21 and completed six months of service, as defined in Section 2.03(a)(I) of the Plan and Administrative Appendix §4-3. Compensation for plan purposes is defined in accordance with IRC Section 415. Eligible participants may contribute to the Plan through elective deferrals. The Plan also provides for employer matching and discretionary profit-sharing contributions.

2. **Contributions** - The Digestive Health Clinic, LLC 401(k) Profit Sharing Plan (the "Plan") allows for both employee and employer contributions, as outlined in the Plan document. Eligible participants may contribute pre-tax and Roth elective deferrals through payroll deductions. Roth deferrals are permitted under the Plan and are subject to the same eligibility and contribution limits as traditional deferrals under applicable IRS regulations. The Employer is authorized to make discretionary matching and profit-sharing contributions. The amount of these contributions, if any, is determined solely at the discretion of the Employer on an annual basis. Matching contributions, if made, are allocated as a uniform percentage of eligible employee deferrals, subject to limits determined by the Employer and applied uniformly across all eligible participants. Matching contributions are determined on a payroll-period basis, with true-up provisions addressed in accordance with Administrative Appendix §6B-5. The Plan is not intended to be a Safe Harbor 401(k) Plan, and no special contributions are permitted under its provisions. Employer profit sharing contributions are also discretionary and allocated based on employee group classification, as defined in the Plan. All contributions are subject to a six-year graded vesting schedule. Participants reach normal retirement age under the Plan at age 50, at which point they become fully vested in their account balances regardless of years of service. All contributions are based on Code §415 compensation and administered in compliance with the Internal Revenue Code and ERISA requirements.
3. **Participant Accounts** – Participants may elect to contribute to the Plan as a reduction of their wages. Each Participant's account is credited with an allocation of the Company's contributions and Plan earnings. Allocations are based on Participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. **Vesting** – Participants in the Digestive Health Clinic, LLC 401(k) Profit Sharing Plan (the “Plan”) vest in employer contributions according to a six-year graded vesting schedule. Under this schedule, a participant’s vested percentage increases based on years of vesting service, reaching 100% after six years of eligible service. For purposes of vesting, service completed prior to an employee’s 18th birthday is excluded and does not count toward the calculation of vesting service. Participants become fully vested in their employer contributions upon reaching the Plan’s normal retirement age, or if their employment terminates due to death or becoming disabled, as defined under the Plan. Employee contributions, including elective deferrals and Roth deferrals, are always fully vested and nonforfeitable.
5. **Payment of Benefits** – Upon termination of service, death, disability, or retirement, the participant may receive the value of the vested interest in his or her account in the form of a lump sum distribution or installment payments. The Plan allows for distribution in-service if a participant reaches age 59½. If a participant terminates employment and the participant’s account balance does not exceed \$7,000, the Plan administrator will authorize the benefit payment without the participant’s consent.
6. **Forfeited Accounts** – Under the provisions of the Digestive Health Clinic, LLC 401(k) Profit Sharing Plan (the Plan), non-vested portions of employer contributions are forfeited when a participant terminates employment and is not entitled to a full vesting in their account. Forfeited amounts are held in a separate forfeiture account and may be used, at the discretion of the Employer, for any of the following purposes: (i) to pay reasonable and allowable administrative expenses of the Plan; (ii) to reduce future employer contributions; (iii) to be added to or reallocated among other employer contributions; or (iv) to offset employer contributions while also being added back into overall employer contribution allocations, in accordance with Plan provisions. The treatment of forfeitures is carried out in compliance with applicable IRS and ERISA regulations, and the specific application of forfeited funds is determined annually by the Employer.

Forfeited nonvested accounts as of December 31, 2025 and 2024 totaled \$3,578 and \$79,244, respectively. In 2025 and 2024, the employer contribution receivable was reduced by \$3,578 and \$79,244, respectively, from forfeited nonvested accounts.

B. Summary of Significant Accounting Policies:

The following are the significant accounting policies followed by the Plan:

1. **Basis of Accounting** – The financial statements of the Plan are prepared using the accrual method of accounting.
2. **Estimates** – The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
3. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

4. **Payments of Benefits** – Benefits are recorded when paid.
5. **Related Party Transactions** – Certain administrative expenses are paid by the Plan sponsor.
6. **Contributions** – Contributions from Plan participants and the matching contributions from the Employer are recorded in the year which the employee contributions are withheld from compensation.

7. **Expenses** –The Plan’s expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan, that are paid by the Plan, are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investment presented in the accompanying statement of changes in net assets available for benefits.
8. **Subsequent Events** – The Plan has performed an evaluation of subsequent events through August 3, 2026, which is the date the financial statements were available to be issued.

C. Plan Termination:

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

D. Tax Status of Plan:

The Plan uses a pre-approved Plan document sponsored by Pinnacle Pension Services, Inc., which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the pre-approved document satisfies the applicable provisions of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

E. Information prepared and certified by Custodian:

The following information included in the accompanying financial statements and the information used to complete the supplemental schedule, Schedule H, Line 4i, Form 5500, was obtained from data that was prepared or derived from, and certified to be complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodian as of and for the years ended of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Investments, at fair value	\$ 15,129,829	\$ 12,287,671
Investment Income:		
Net appreciation in fair value of investments	\$ 1,929,412	\$ 979,913
Interest and Dividends	<u>378,149</u>	<u>298,029</u>
	<u>\$ 2,307,561</u>	<u>\$ 1,277,942</u>

F. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

G. Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 15,126,251	-	-	\$ 15,126,251
Fixed Annuity	-	3,578	-	3,578
Investments at fair value	\$ 15,126,251	3,578	-	\$ 15,129,829

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 12,208,427	-	-	\$ 12,208,427
Fixed Annuity	-	79,244	-	79,244
Investments at fair value	\$ 12,208,427	79,244	-	\$ 12,287,671

H. Reconciliation of Financial Statements to Form 5500:

There were no reconciling items between the financial statements and the amounts reflected in form 5500 as of December 31, 2025 and 2024.

I. Concentration of Credit Risk:

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of cash and short-term investments and marketable securities. The amount of exposure to any one specific investment has been limited by investing in mutual funds that use a diverse investment portfolio to limit risk.

J. SECURE 2.0:

In December 2022, Securing a Strong Retirement 2.0 Act of 2022 (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Many of the provisions have different effective dates, with some changes impacting 2023, 2024, 2025 and beyond. Plan documents are required to be formally amended for mandatory and any nonmandatory provisions adopted on or before the last day of the 2026 plan year. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.
