INDEPENDENT AUDITOR'S REPORT

**Win-Sum Ski Corp.
Profit Sharing 401(k) Plan
Ellicottville, New York**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended October 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended October 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Win-Sum Ski Corp. Profit Sharing 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Win-Sum Ski Corp. Profit Sharing 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness **Win-Sum Ski Corp. Profit Sharing 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Win-Sum Ski Corp. Profit Sharing 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of October 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED OCTOBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of *Win-Sum Ski Corp. Profit Sharing 401(k) Plan* (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan covering substantially all employees of the Company who have one year of service, at least one thousand hours of service and are age twenty-one or older. Once eligible for the Plan, all employees are automatically enrolled to defer 4% of their pay, unless they elect to opt out, which further increases 1% on each January 1st in subsequent years up to a maximum of 8%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Contributions and Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution; (b) Plan earnings (losses); and (c) forfeitures of terminated participants' nonvested accounts; and (d) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participants' earnings or account balances, as defined. Participants may contribute a percentage of eligible pay on a pretax basis every pay period, not to exceed IRS limits (\$23,500 in 2025 and \$23,000 in 2024). Plan participants also have the option of contributing on a post-tax basis (Roth elective deferrals). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company will match the contributions at a rate of 25% of the first 4% of compensation that a participant contributes to the Plan. Also, the Company has the sole discretion to contribute on an annual basis an optional profit sharing contribution. The Company contributed a 7% profit share contribution based on the participant's eligible compensation, along with a 3% guaranteed contribution for the year ended October 31, 2025. The Company contributed a 3% profit share contribution based on the participant's eligible compensation, along with 3% guaranteed contribution for the year ended October 31, 2024.

Vesting and Withdrawals

Participants are vested immediately in their contributions plus actual earnings thereon as well as the employer's matching contribution. Vesting in the Company's optional profit sharing contribution is based on a six year grading schedule of which employees are 20% vested after 2 years of service with an additional 20% vesting for each additional year of service. A participant is 100% vested after six years of credited service. Upon termination of service, a participant may elect to receive either a lump sum amount equal to the value of his vested account, or a joint and survivor benefit for married participants.

Forfeited Accounts

As of October 31, 2025 and 2024, forfeited nonvested accounts totaled \$122,260 and \$83,501, respectively.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts (continued)

These accounts will be used to pay the administrative expenses of the Plan, reduce future employer contributions, or will be reallocated to participants. Also, in 2025 and 2024, \$0 were allocated to participants' accounts from forfeited nonvested accounts.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear reasonable interest rates determined by similar types of loans by other lenders. Principal and interest are paid ratably through weekly payroll deductions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition

Investments are valued at quoted market prices as of the last business day of the reporting period as certified to the plan administrator by the plan custodian. Life insurance contracts are valued at the cash surrender value of the contracts.

Purchases and sales of securities are recorded as of the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. In accordance with the policy of stating investments at fair value, unrealized appreciation or depreciation on investments held at year end is reflected in the statement of changes in net assets available for benefits. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances, which approximates fair value. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Plan Assets

Plan assets, excluding individual life insurance contracts issued by Northwestern Mutual, are held in a trust account managed by the Plan Custodian, Principal Life Insurance Company.

Payment of Benefits

Benefit payments related to the plan's life insurance contracts are recorded when the claim is filed. All other benefits are recorded when paid.

Administrative Expenses

Virtually all administrative expenses relating to the Plan are paid by the Plan. Loan processing fees are paid for by the respective participant requesting the loan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY CUSTODIAN

The following is a summary of the Plan financial information and data certified by the custodian, Principal Life Insurance Company, in accordance with Section 29CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

	2025	2024
Investments, at fair value:		
Pooled separate accounts	\$ 15,432,584	\$ 13,968,211
Common/collective trusts	9,716,271	8,522,342
Registered investment companies	1,416,600	1,021,361
Investments, at end of year	\$ 26,565,455	\$ 23,511,914
	2025	2024
Investment income:		
Net appreciation in fair value of investments	\$ 3,690,018	\$ 5,308,402
Interest and dividends	17,336	10,233
Total investment income	\$ 3,707,354	\$ 5,318,635

NOTE 4 - TAXABLE STATUS OF PLAN

The plan follows a prototype plan, which has obtained a favorable tax determination letter from the Internal Revenue Service in June 2020. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include the years ended October 31, 2022 and later. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RECONCILIATION BETWEEN FINANCIAL STATEMENTS AND FORM 5500

The following is a reconciliation of contributions per the financial statements to Schedule H of Form 5500 at October 31, 2024:

	2024
Contributions per the financial statements	\$ 1,069,712
Employer and participant contributions receivable	(11,258)
Total contributions per Schedule H of Form 5500	\$ 1,058,454

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY IN INTEREST TRANSACTIONS

Certain plan investments are sponsored by the Plan Custodian, Principal Life Insurance Company. Total investments held by the custodian at October 31, 2025 and 2024 that are party in interest transactions under ERISA amounted to \$25,148,855 and \$22,490,553, respectively. Total participant loans held by the custodian at October 31, 2025 and 2024 that are party in interest transactions under ERISA amounted to \$265,409 and \$331,063, respectively. Also, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA and are exempt from the prohibited transaction rules.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events were evaluated through August 11, 2026, which is the date the financial statements were available to be issued.

NOTE 9 - FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Topic 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identified assets (Level 1). Level 3 inputs on the hierarchy are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. As of October 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Quoted Prices In Active Markets for Identical Assets (Level I)	Other Observable Inputs (Level II)	Significant Unobservable Inputs (Level III)	Total at October 31, 2025

To the Board of Directors
Win-Sum Ski Corp. Profit Sharing 401(k) Plan
Ellicottville, New York

In planning and performing our audit of the financial statements of Win-Sum Ski Corp. Profit Sharing 401(k) Plan (the "Plan") as of and for the year ended October 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered Win-Sum Ski Corp. Profit Sharing 401(k) Plan's system of internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Win-Sum Ski Corp. Profit Sharing 401(k) Plan's internal control to be significant deficiencies:

Timely Automatic Enrollment

Plan provisions require an automatic enrollment on May 1 and November 1, upon meeting eligibility requirements. During our testing, it was noted that participants who met eligibility requirements during the year and were to be automatically enrolled into the plan on May 1, 2025, were not enrolled until May 29, 2025, resulting in missed contributions and earnings. We recommend management implement procedures to ensure all newly eligible participants are automatically enrolled on the Plan entry dates.

Controls Over Deferral Changes

During the course of our audit procedures, we noted that two employee deferrals deducted and remitted to the Plan did not match the employee deferral elections. Plan management needs to calculate and deposit corrective contributions to the affected participants, including Qualified Nonelective Contributions (QNEC) for employee missed deferral opportunity, missed match, and related lost earnings. We recommend Plan management improve its internal controls and processes over the review of employee deferrals and make sure the deferral amounts are calculated using the proper percentages in the next payroll processed.

This communication is intended solely for the information and use of the Plan sponsor, management, and others within the plan, and is not intended to be and should not be used by anyone other than these specified parties.

To the Board of Directors
Win-Sum Ski Corp. Profit Sharing 401(k) Plan
Ellicottville, New York

We have audited the financial statements of Win-Sum Ski Corp. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended for the year ended October 31, 2025, and we will issue our report thereon dated August 11, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Principal Life Insurance Company, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 4, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Win-Sum Ski Corp. Profit Sharing 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the fair market value of net assets available for benefits is based on observable quoted prices in active markets, and quoted prices for similar assets in inactive markets for identical or similar assets. We evaluated the key factors and assumptions used to develop the fair market value estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

The disclosures in the financial statements are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Form 5500 Procedures (Continued)

However as discussed in Note 5 to the financial statements, reconciliations were made between the financial statements and Schedule H during 2024, related to timing differences in employer and participant contribution receivables.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 11, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Board of Directors and management of Win-Sum Ski Corp. Profit Sharing 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Buffamante Whipple Buttafaro PC
