INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Kuehne & Nagel 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Kuehne & Nagel 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements, ("2024 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2024 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 stating that the certified investment information, as described in Note 3 to the 2024 Financial Statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter 2024 - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2023 Financial Statements and Basis of Accounting

The 2023 financial statements of Kuehne & Nagel 401(k) Plan were audited by predecessor auditors. In accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 11, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with the modified cash basis of accounting, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule (modified cash basis), other than the information in the 2023 supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

As noted above, the 2023 financial statements of Kuehne & Nagel 401(k) Plan as of and for the year ended December 31, 2023 were presented under the modified cash basis of accounting. We have evaluated and noted the modified cash basis of accounting used in the prior year financial statements approximates generally accepted accounting principles (“GAAP”) for purposes of comparative presentation. In our opinion the 2023 financial statements approximate GAAP. We were not engaged to audit, review or apply any procedures to the 2023 financial statements of the Plan other than with respect to this evaluation that the 2023 financial statements approximates GAAP. Accordingly, we do not express an opinion or any other form of assurance on the 2023 financial statements as a whole.

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Note 1 - Description of Plan:

The following description of the Kuehne & Nagel 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan and was established by Kuehne & Nagel, Inc. (the “Company” or “Plan Sponsor”) effective under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees (Union and Non-Union) of the Company. Eligible employees can enroll into the Plan upon employment or as soon as practicable thereafter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - The Plan is administered by the Plan Sponsor. The Plan’s assets are held by T. Rowe Price Trust Company (the “Trustee”), who is responsible for the custody and management of the Plan’s assets.

Automatic Enrollment - All eligible employees are automatically enrolled in the Plan upon meeting the eligibility requirements unless they elect to opt out of participation. Automatic enrollment sets the pre-tax deferral contribution rate at 3% of an employee’s compensation in the absence of other employee elections.

Contributions - Eligible participants may elect to contribute up to 100% of pre-tax annual compensation, as defined in the Plan Document, to the Plan, subject to the Internal Revenue Code limitations for 401(k) plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides an employer match of 100% of a participant’s salary deferrals up to the first 5% of eligible compensation. Additionally, the Company may make discretionary contributions to the Plan in which all eligible employees will receive a portion of the Company’s contribution.

Effective as of January 1, 2017, any non-collectively bargained participant, Local 560 participant, collectively bargained K participant, Local 337 participant, and Local 25 participant who has made election to make before-tax contributions to the Plan (whether an affirmative election or pursuant to an automatic compensation reduction) shall be deemed to have elected to increase by 1% (from 3% to 4%) the amount of his or her before tax reduction effective each April 1 (automatic increase). A participant who has elected to contribute 0% of his or her compensation to the Plan or who has elected to contribute 10% or more of his or her compensation to the Plan will not be subject to the automatic increase.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and allocations of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested, in full, in their contributions and the earnings thereon. All employer matching contributions are immediately vested and are non-forfeitable.

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Payment of Benefits - Participants or their beneficiaries are entitled to their full account balance upon (a) retirement on or, after age 55 with five years of service; (b) attainment of age 65; (c) death; or (d) disability. Participants are entitled to their vested account balance upon termination for any reason other than retirement, death or disability. Prior to age 65, in-service withdrawals from the Plan are allowed for defined unusual hardships. Distributions are paid directly to an eligible retirement plan specified by the participant (or designated beneficiary) in a direct rollover or to an Individual Retirement Account. Distributions can also be a direct lump sum distribution, if so elected.

Participant accounts of \$1,000 or less will be paid automatically upon separation. In addition, accounts will automatically be paid in full to the beneficiary upon death. In the event that a participant with an account balance between \$1,000 and \$5,000 becomes eligible to receive a distribution before retirement and does not elect to receive the distribution in a lump sum distribution or roll it over to an eligible qualified plan, the administrator of the Plan will distribute the participant account balance to an individual retirement plan designated by the administrator.

Notes Receivable from Participants - Participants may obtain loans from the Plan at a minimum of \$1,000 and a maximum equal to the lesser of: (a) \$50,000 or (b) 50% of their vested account balance. Participants are allowed a maximum of one loan to be outstanding at any time. All loans shall be evidenced by a promissory note and will accrue interest at a defined rate at the inception of the loan. Loans are generally payable through payroll deductions within five years. A loan will be considered to be in default if payment is not made within 90 days following the end of the month in which the missed payment was due. If a participant defaults on a loan, the participant will be treated as having received a taxable distribution of the entire outstanding value of the loan, plus accrued interest.

Forfeitures - Nonvested profit-sharing contributions shall be forfeited by a participant who terminates employment and shall be used to reduce subsequent employer match and declared discretionary contributions under the Plan. As of both December 31, 2024 and 2023, forfeited non-vested were \$0.

Note 2 - Summary of Significant Accounting Policies:

Basis of Accounting 2024 - In the 2024 Plan year the Plan changed its basis of accounting from the modified cash basis to the accrual basis of accounting under generally accepted accounting principles ("GAAP"). Under the accrual basis, contributions receivable are recognized when due, whereas under the modified cash basis, only contributions received were recognized. The only difference resulting from this change was an immaterial contribution receivable. The prior year financial statements have not been restated, as the effect of this change was not material and would not have resulted in a material difference in the amounts previously reported. Accordingly, no adjustments were required to the 2023 comparative amounts.

Basis of Accounting 2023 - The 2023 financial statements were presented under the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America, and which approximates generally accepted accounting principles in all material respects for purposes of comparative presentation.

Use of Estimates - The preparation of the 2024 financial statements in conformity with accounting principles generally accepted in the United States of America, and the 2023 financial statements in conformity with the modified cash basis of accounting, requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions in net assets available for benefits during the reporting period. Actual results, as determined at a later date, could differ from those estimates.

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees and insurance companies. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis in the 2024 Financial Statements in accordance with GAAP, and when received in the 2023 financial statements in accordance with the modified cash basis of accounting. Related fees are recorded as administrative expenses and are expenses when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and benefit payment is recorded.

Hardship Withdrawals - The Plan provides for hardship withdrawals from participants' vested balances, not to exceed an amount required to meet an immediate need created by hardship, and then only to the extent that such immediate need cannot be satisfied by other sources reasonably available to the participant. Permissible circumstances for hardship withdrawals include medical expenses, purchase of a home, tuition payments, amounts necessary to prevent eviction from the participants' personal residence, and such other circumstances as the Plan Administrator may determine in accordance with Internal Revenue Service ("IRS") rules and regulations.

Note 3 - Certified Investment Information:

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- a) Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023.
- b) Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.
- c) Investment information included in the Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, as shown on the ERISA-required supplemental schedule of assets (held at end of year).

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule of assets (held at end of year).

Note 4 - Common Collective Trust:

The Plan invests in investment contracts through its common collective trust ("CCT"). The CCT's fair value is a relevant measure attribute. The CCT held by the Plan is a stable value investment which has an objective to preserve capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve this objective the fund invests primarily in insurance contracts and corporate and government agency bonds. Redemptions are allowed for participants daily, however, in the event of a complete redemption, the Plan is subject to a one-year redemption notice period which may be waived by the trustee. There are no unfunded commitments at December 31, 2024 and 2023.

Note 5 - Fair Value Measurements:

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements FASB ASC 820, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds - Valued at the closing price in the active market in which the fund is traded.

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Common collective trust - Valued at the net asset value (“NAV”) of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. All common collective trusts utilize NAV as the practical expedient to valuing the investment upon sale.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level and by investment class, within the fair value hierarchy, the Plan’s investments at:

Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3
Mutual funds	\$ 499,839,411	\$ -	\$ -
Investments measured at net asset value (a)			41,616,406
Total investments at fair value			\$ 51,455,817

Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3
Mutual funds	\$ 449,194,930	\$ -	\$ -
Investments measured at net asset value (a)			48,896,321
Total investments at fair value			\$ 498,091,251

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

KUEHNE & NAGEL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2024 and 2023, there were no significant transfers in or out of Levels 1, 2 or 3.

Note 6 - Tax Status:

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) on March 28, 2018 for the amended and restated Plan, effective January 1, 2017. Plan management believes that the Plan is currently designed and being operated in material compliance with the applicable requirements of the IRC. The Plan Sponsor believes the Plan has maintained its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

Note 7 - Plan Termination:

Although it has not expressed any intent to do so, the Company reserves the right to amend, alter or terminate the Plan subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA"). In the event of plan termination, participants would become fully vested in their individual accounts.

Note 8 - Parties in Interest:

Certain Plan investments are managed by the Trustee. Services provided by the Trustee include investment, recordkeeping, and administrative services to the Plan. The fees associated with these services qualify as party-in-interest. Fees paid by the Plan for investment management, recordkeeping and administrative services amounted to \$486,929 for the year ended December 31, 2024.

Note 9 - Risks and Uncertainties and Concentration of Investment Risk:

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

The Plan may invest in securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by sub-prime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investment in two funds comprises approximately 22% and 21% of total investments for the year ended December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS

(2024 GAAP BASIS, 2023 MODIFIED CASH BASIS)

Note 10 - Subsequent Events:

Effective December 31, 2025, the Plan was amended to merge the operating assets of Q International Courier, LLC 401(k) Profit Sharing Plan and Russell A. Farrow (U.S.) Inc. 401(k) Plan into the Kuehne & Nagel 401(k) Plan, which were transferred in January 2026.

The Plan Administrator has reviewed and evaluated all events and transactions from December 31, 2024, through July 20, 2026, the date the financial statements were available to be issued. The effects of those events and transactions that provide additional pertinent information about conditions that existed at the Statement of Net Assets Available for Benefits date have been recognized in the accompanying financial statements.
