Independent Auditors' Report

To the Plan Administrator and Participants of
GLOBO Language Solutions, LLC Group Medical Plan

Opinion

We have audited the financial statements of the GLOBO Language Solutions, LLC Group Medical Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net (deficit) assets available for benefits and of benefit obligations as of October 31, 2025 and 2024, and the related statements of changes in net (deficit) assets available for benefits and of changes in benefit obligations for the year ended October 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net (deficit) assets available for benefits and of benefit obligations of the Plan as of October 31, 2025 and 2024, and the changes in its net (deficit) assets available for benefits and changes in its benefit obligations for the year ended October 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following description of the GLOBO Language Solutions, LLC Group Medical Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan began on November 1, 2023 (date of inception) and provides health and prescription benefits covering all full-time employees of Globo Language Solutions, LLC (the Company) working at least 30 hours per week, and covered dependents. Certain plan assets are held in a taxable trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company includes an option for medical benefits with a high deductible and a health savings account. The health savings accounts are excluded from the Plan as outlined in the plan documents.

Benefits

The Plan provides the following benefits: health benefits (medical and prescription drugs) to all full-time employees working at least 30 hours per week and their covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act.

Contributions

In addition to deductibles and co-payments, participants are generally required to contribute to the Plan to fund the cost of their health benefits on a weekly basis through payroll deductions. Amounts required to be contributed by participants are determined annually by the Company in accordance with the plan documents. The remainder of the funding required to pay benefits under the Plan is paid by the Company. The Company pays the full cost of stop-loss insurance.

Stop-Loss Coverage

The Plan has a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop-loss coverage are paid from the assets of the trust.

Self-Insured Benefits

The Plan self-insures medical and prescription drugs benefits. Claims for self-insured benefits are processed by the Plan's third-party claims processor under an administrative service only arrangement. The claims processor pays claims directly or on behalf of participants and is then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claims' processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Company or the trust are recorded as stop loss premiums paid in the accompanying Statement of Changes in Net (Deficit) Assets Available for Benefits.

Medical and prescription claim payments are recorded when paid by the third-party claims processor, and are included in self-insured claims paid, net in the accompanying Statement of Changes in Net (Deficit) Assets Available for Benefits. Amounts due to health claims processors that have yet to be reimbursed by the Plan are recorded as amounts due to claims processors on behalf of the Plan in the accompanying Statements of Net (Deficit) Assets Available for Benefits.

Expenses

Substantially all administrative expenses of the Plan, that consist primarily of administrative fees to third-party administrative claims, are paid from plan assets. These expenses are recorded in the Statement of Changes in Net (Deficit) Assets Available for Benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan and are excluded from these financial statements.

Stop-Loss Coverage

Net stop-loss refunds, which are recorded as a reduction in self-insured claims paid in the Statement of Changes in Net (Deficit) Assets Available for Benefits totaled $654,729 during the year ended October 31, 2025, of which $342,732 is recorded as a receivable on the accompanying Statements of Net (Deficit) Assets Available for Benefits at October 31, 2025.

Claims Incurred But Not Reported

The Plan is self-insured for self-insured claims up to $75,000 per claim. Stop-loss insurance coverage is maintained for claims in excess of this amount. The Plan's liability for claims incurred, but not reported is estimated by the Plan's consultant, Benecon, using actuarial data provided by the insurance providers who have been retained by the Company for the plan year ended October 31, 2024. The Plan's liability for claims incurred but not reported is estimated using a claims lag analysis that considers subsequent claim payments made after the balance sheet date and historical claim payment patterns for the plan year ended October 31, 2025. Such estimated amounts are included in the accompanying Statements of Benefit Obligations.

Amounts Due to Service Provider

The Plan utilizes a third-party service provider to hold cash and administer the payment of third-party claims processor invoices and related administrative expenses and record deposits related to contributions and stop-loss reimbursements. Due to the timing of contributions and stop-loss reimbursements received and claims payments and expenses processed, amounts advanced by the service provider on behalf of the Plan may result in a deficit cash position. When such deficits occur, the Plan records a liability for the amount owed to the service provider. These balances represent temporary timing differences between claim payments and expenses and funding received by the Plan and are included in payables in the accompanying Statements of Net (Deficit) Assets Available for Benefits. Amounts due to the service provider are generally settled in the normal course of operations.

Subsequent Events

Subsequent events were evaluated through August 14, 2026, the date the financial statements were available to be issued.

3. Related-Party and Party in Interest Transactions

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are considered party in interest transactions under ERISA. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

4. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify benefits provided to, and contributions required of, participants or to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Tax Status

The trust established under the Plan to hold the Plan's assets is a taxable trust, accordingly, any net investment income is not exempt from income taxes. The trust files annual tax returns if required. The plan administrator believes the trust is operating in accordance with the applicable sections of the Internal Revenue Code. There were no current year taxes due.

Management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

Claims incurred but not reported are calculated based on historical trends of claims reported but not settled and claims that have been incurred but not reported. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

At October 31, 2025 and 2024, the Company maintains its cash at one financial institution.
