INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Weber Distribution, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Weber Distribution, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

WEBER DISTRIBUTION, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 1 – Description of the Plan

The following description of the Weber Distribution, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all employees of Weber Distribution, LLC (the Company) who have completed 30 days of service. Employees covered under a collective bargaining agreement, except for union employees of Teamster Local 986 and Local 848 (eligible union employees), leased employees, and non-resident aliens are excluded from the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Administrative Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Each year, participants may elect to make pre-tax contributions to the Plan of up to 100% of eligible compensation, as defined in the Plan. Participants may also contribute after-tax (Roth) contributions to the Plan of up to 100% of eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all new employees, except for eligible union employees, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Effective January 1, 2025, the Plan was amended to include an automatic escalation feature that increases participant deferral rates by 1% each September, up to a maximum of 10%, unless the participant elects otherwise. The Company may make discretionary matching contributions for eligible participants who have completed 90 days of service. Eligible union employees are excluded from receiving the Company's discretionary matching contributions and profit-sharing contributions. For the period from January 1 through August 31, 2025, the Company elected to contribute 50% of the first 4% of eligible compensation deferred by participants. Effective September 1, 2025, the Company suspended its discretionary matching contributions. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 1 – Description of the Plan (Continued)

Contributions (Continued)

For the year ended December 31, 2025, the Company did not make any profit-sharing contributions to the Plan. The Company's contributions are invested as directed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary matching and profit-sharing contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set by the plan administrator at 1% above the prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount or fixed period installments equal to the value of vested interest in the participant's account.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 1 – Description of the Plan (Continued)

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$26,136 and \$42,203, respectively. These accounts may be used to reduce future employer contributions or to pay administrative expenses. For the year ended December 31, 2025, employer contributions were reduced by \$112,912 from forfeited nonvested accounts and administrative expenses of \$40 were paid from forfeited nonvested accounts.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

WEBER DISTRIBUTION, LLC 401(k) PLAN

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025**

NOTE 2 – Summary of Significant Accounting Policies (Continued)

Contributions

Contributions from plan participants and the Company's discretionary matching contributions are recorded in the year in which employee contributions are withheld from compensation. The Company's profit sharing contributions are recorded in the year in which the employee compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through August 12, 2026, the date the financial statements were available to be issued.

WEBER DISTRIBUTION, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 3 – Certified Investments

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividends and other income
- Schedule of assets held at end of year

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

NOTE 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WEBER DISTRIBUTION, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 4 – Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

NOTE 4 – Fair Value Measurements (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value measurements as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,946,565	\$ -	\$ -	\$ 19,946,565

Investment measured at NAV ^(a)	-	-	-	820,666
Investments at fair value	\$ 19,946,565	\$ -	\$ -	\$ 20,767,231

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,895,844	\$ -	\$ -	\$ 16,895,844
Total assets in the fair value hierarchy	16,895,844	-	-	16,895,844
Investment measured at NAV ^(a)	-	-	-	1,129,718
Investments at fair value	\$ 16,895,844	\$ -	\$ -	\$ 18,025,562

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent), as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 – Fair Value Measurements (Continued)

Investments Measured Using the NAV per Share Practical Expedient

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024, respectively:

<u>December 31, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Galliard Stable Return PN	\$ 820,666	N/A	Daily	None

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Galliard Stable Return PN	\$ 1,129,718	N/A	Daily	None

NOTE 5 – Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Principal. Principal is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. As described in Note 2, the Plan made a direct payment totaling \$63,903 to Principal for the year ended December 31, 2025, which was not covered by revenue sharing. In addition, accounting and investment advisory service fees totaling \$45,074 for the year ended December 31, 2025 and were paid by the Plan. The plan sponsor pays directly any other fees related to the Plan's operations.

WEBER DISTRIBUTION, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2025

NOTE 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 – Tax Status

On June 30, 2020, the IRS stated that the non-standardized pre-approved profit-sharing plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
