Independent Auditors' Report

To the Benefits Plan Committee of the
Instrumentation Laboratory Company Short Term Disability Income Plan:

Opinion

We have audited the accompanying financial statements of the Instrumentation Laboratory Company Short Term Disability Income Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for plan benefits and statements of benefit obligations as of October 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended October 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Instrumentation Laboratory Company Short Term Disability Income Plan as of October 31, 2025 and 2024, and the changes in financial status for the year ended October 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Instrumentation Laboratory Company Short Term Disability Income Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Instrumentation Laboratory Company Short Term Disability Income Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Instrumentation Laboratory Company Short Term Disability Income Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Instrumentation Laboratory Company Short Term Disability Income Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Information required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Exhibit F (Schedule H Line 4a – (*Schedule of Delinquent Participant Contributions*) and Exhibit G (Schedule H Line 4i - *Schedules of Assets (Held at End of Year)*, together referred to as "supplemental information", are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Very truly yours,

INSTRUMENTATION LABORATORY COMPANY

SHORT TERM DISABILITY INCOME PLAN

NOTES TO FINANCIAL STATEMENTS

OCTOBER 31, 2025

1. THE PLAN

a) Description

The Instrumentation Laboratory Company Short Term Disability Income Plan (the Plan) provides, for active employees and their families, against loss of income should an eligible employee become ill or injured and, as a result, become unable to work for a short period of time. The Plan is a self-funded (through employees' after-tax contributions) benefit plan; however, Instrumentation Laboratory Company (the Company) has pledged to make payments as needed, to the extent that participant contributions do not meet the minimum requirement. As such, the Plan is tax-exempt, and employees are not taxed on benefits received.

The Company shall have the right at any time to terminate or amend, in whole or in part, any or all of the Plan. If the Plan is terminated, the rights of covered persons are limited to covered expenses incurred before termination. All remaining assets will be distributed to the covered employees after all liabilities are covered. Participants should refer to the plan document for complete information.

Change in Funding Arrangement and Depletion of Trust Assets

Effective November 1, 2024, the Company adopted a program of administering employee contributions for the Short-Term Disability Plan (the "Plan") as part of its Section 125 cafeteria plan. This change was intended to eliminate the need for the Company to hold future employee contributions in trust, consistent with Department of Labor Technical Release 92-01, which provides relief from the trust requirements for contributory welfare plans where employee contributions are part of a cafeteria plan described in Section 125 of the Internal Revenue Code.

As a result of this transition, the Plan continues to operate and provide benefits to eligible employees; however, no further contributions will be made to the Plan Trust. For the fiscal year ended October 31, 2025, no contributions were deposited into the Trust, and financial activity was limited to the payment of run-out claims processed during November and December 2024.

The Trust will wind down over time. As of October 31, 2025, the Trust holds a remaining cash balance of $62,082. Management is currently evaluating appropriate options to fully utilize these remaining funds, which may include the payment of additional eligible disability benefits or permissible administrative expenses, such as professional fees, in accordance with the Plan document and ERISA guidelines.

b) Eligibility

All active employees who are employed by the Company or any affiliates or subsidiaries covered under the Plan, and who elect to participate in the Plan, are eligible for coverage from the date of hire. The election for coverage is included in the enrollment materials, and, if elected in the first 31 days after hire, coverage is automatic. Subsequent elections must be accompanied by proof of health.

c) Funding

The Plan is funded by both participant and company contributions. The Company has pledged to make payments to the Plan as needed, to the extent that participant contributions do not meet the benefit payments and expenses as related to the Plan. The participants' contribution rate is $0.066 per $10.00 of weekly benefit, with a maximum contribution of $6.60 per pay period. During 2025 participant contributions met the benefit payments and expenses incurred by the Plan and no supporting contributions were required. As stated in Note 1(a) regarding the transition of the Plan, no contributions were made to the Plan Trust during the 2025 plan year. Instead, all benefit claims and expenses incurred were funded entirely from the existing bank balance as the Trust continues to wind down.

d) Description of Benefits

All participants of the Plan are eligible to receive benefits provided by the Plan when sickness or injury occurs and the covered employees are unable to work. Covered employees are eligible to receive up to a maximum of 26 weeks of disability benefits provided by the Plan. Disability benefits are 60% of normal earnings to a maximum of $1,000 per week.

If a covered employee is receiving any state, federal or other disability payment, their benefit from the Plan is reduced by that amount.

e) Administration of the Plan

The Plan is administered by the Company's employee benefits department. Sun Life Assurance Company performed the processing of claims during the year.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis, in accordance with accounting principles generally accepted in the United States of America.

b) Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

c) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

3. ADMINISTRATIVE EXPENSES

All compensation for Company personnel who administer the Plan as well as some administrative costs are paid by the Company. Other expenses for Plan administration, including compensation for hired services, are paid by the Plan.

4. PLAN TERMINATION

The Company reserves the right to terminate, suspend, withdraw or amend the plan in whole or in part at any time although it has no immediate plans to do so. As described in Note 1(a), the Plan Trust is currently in the process of winding down. Please also refer to Note 11 – Subsequent Event.

5. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to section 501 (c) 9 of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The plan administrator and the plan's tax counsel believe that the Trust, as amended, continues to be designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

6. RECONCILIATION TO FORM 5500

As of October 31, 2025, the Plan had approximately $-0- of pending distributions to participants. These amounts are recorded as a liability in the Plan's Form 5500; however, these amounts are not recorded as a liability in the accompanying statements of net assets available for benefits in accordance with generally accepted accounting principles.

The following tables reconcile net assets available for benefits per the financial statements to Form 5500, as filed by the company for the years ended October 31, 2025 and 2024.

	Benefits Payable to Participants	Benefits Paid	Net Assets Available for Plan Benefits
Per financial statement		$ 28,052	$ 52,592
2025 amounts pending distribution to participants	-0-	-0-	-0-
2024 amounts pending distribution to participants	-0-	(17,910)	-0-
2025 recorded payments of pending amounts to TPA	-0-	-0-	-0-
Per Form 5500	$ -0-	$ 10,142	$ 52,592

	Benefits Payable to Participants	Benefits Paid	Net Assets Available for Plan Benefits
Per financial statement	$ -0-	$ 125,520	$ 106,657
2024 amounts pending distribution to participants	17,910	17,910	(17,910)
2023 amounts pending distribution to participants	-0-	(13,957)	-0-
2024 recorded payments of pending amounts to TPA	-0-	-0-	-0-
Per Form 5500	$ 17,910	$ 129,473	$ 88,747

7. CONCENTRATIONS OF CREDIT RISK

The Plan maintains its available cash balance in one financial institution. The balances were insured with the Federal Deposit Insurance Corporation up to $250,000 in each institution. At October 31, 2025 and 2024, the Plan's uninsured cash balances were $-0- and $ -0- respectively.

8. RELATED PARTY AND PARTY-IN- INTEREST TRANSACTIONS

The Sponsor provides to the Plan certain accounting and administrative services for which no fees are charged. In addition, the plan has a number of service providers. Such parties are parties-in-interest under ERISA.

9. NON-EXEMPT PARTY IN INTEREST TRANSACTION

As described in Note 1(a), no participant contributions were made to the Plan Trust during the plan year ended October 31, 2025. Consequently, there were no late remittances of participant contributions. Accordingly, there were no non-exempt party-in-interest transactions during the year.

10. PREPAID CONTRIBUTION

During the plan year ended October 31, 2024, the Company prepaid employee contributions to the Plan. The Company made these advance payments to ensure the timely remittance of funds and avoid potential delays. These prepaid amounts were recorded as a liability on the Plan's balance sheet. Because no further contributions were made to the Plan Trust during 2025 (as described in Note 1(a)), the balance of these prepaid contributions remained $32,000 as of October 31, 2025.

11. SUBSQUENT EVENT

As a continuation of the transition described in Note 1(a), the Company intends to completely integrate the short-term disability plan and its related Trust into the Company's existing Section 125 flexible benefits cafeteria plan during the fiscal year commencing November 1, 2025. The remaining Trust assets will be utilized entirely for the payment of eligible disability benefits or permissible plan expenses until the Trust balance is depleted. Upon depletion of the Trust balance, the short-term disability program will be fully merged into the Company's existing Section 125 flexible benefits cafeteria plan.

12. DATE OF MANAGEMENT REVIEW

Subsequent events were evaluated through August 12, 2026, which is the date the financial statements were available to be issued.
