INDEPENDENT AUDITOR'S REPORT

Colorado Springs Radiologists, P.C. Profit Sharing Plan

Colorado Springs, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Colorado Springs Radiologists, P.C. Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("Investment Information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("Qualified Institution"), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a Qualified Institution as of and for the years ended December 31, 2025 and 2024, stating that the certified Investment Information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified Investment Information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified Investment Information, except for obtaining and reading the certification, comparing the certified Investment Information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified Investment Information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplementary Schedules Required by ERISA

The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information, other than that agreed to or derived from the certified Investment Information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For supplementary information that agreed to or is derived from the certified Investment Information, we compared such information to the related certified Investment Information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified Investment Information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the supplementary information agreed to or derived from the certified Investment Information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The supplementary information related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

1. PLAN DESCRIPTION

The following description of the Colorado Springs Radiologists, P.C. Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective January 1, 2001, is a defined contribution and profit sharing plan covering all eligible employees of Colorado Springs Radiologists, P.C. ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Eligible employees include all employees as defined in the plan document. Employees are eligible to participate after one year and 1,000 hours of service. Some long-term, part-time participants are also eligible to participate after meeting certain service requirements. Participants may enroll in the Plan on the first day of each quarter after satisfying eligibility requirements.

Contributions

Deferral contributions cannot exceed certain limits as set forth by the Internal Revenue Code ("IRC") (\$23,500 and \$23,000 in 2025 and 2024, respectively; \$31,000 and \$30,500 for employees aged 50 or older in 2025 and 2024, respectively; \$34,750 for participants aged 60-63 in 2025). The Internal Revenue Service ("IRS") adjusts this limitation each year as necessary for cost-of-living increases. Participants may change their contribution percentage throughout the year and may cease making contributions at any time. Rollover contributions are permitted by the Plan. Contributions from plan participants and contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

The Company makes a safe harbor contribution of 3% of eligible compensation to each eligible participant. The Company may also make discretionary matching and profit-sharing contributions.

See independent auditor's report.

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

During 2025, the Company made discretionary profit-sharing contributions to eligible participants of 5.70% of eligible compensation up to \$176,100, plus 11.40% of eligible compensation in excess of \$176,100 up to \$350,000. During 2024, the Company made discretionary profit-sharing contributions to eligible participants of 5.70% of eligible compensation up to \$168,600, plus 11.40% of eligible compensation in excess of \$168,600 up to \$345,000.

During 2025, the Company made discretionary matching contributions to eligible participants of 29.23% of employees' salary deferral amounts up to 6.00% of employees' compensation. During 2024, the Company made discretionary matching contributions to eligible participants of 28.65% of employees' salary deferral amounts up to 6.00% of employees' compensation.

Participant accounts

Each participant's account is increased with the participant's contributions, the Company's contributions, and allocations of plan earnings, and is decreased by the participant's distributions and an allocation of plan losses and expenses. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and Company safe harbor contributions plus actual earnings thereon. The Company's discretionary matching and profit-sharing contributions are subject to a five-year graded vesting schedule.

Notes receivable from participants

Participants may borrow from their accounts in amounts from a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance less the highest outstanding balance of their plan loan during the last 12 months. The notes are secured by the participant's account balance and bear a reasonable rate of interest. The term of each loan is a maximum of five years, unless the note is for the purchase of a primary residence. Participants may not have more than two loans outstanding at any time. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

See independent auditor's report.

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Payment of benefits

Upon termination of service due to death, disability, retirement, resignation, or termination by the Company, a participant with a vested account balance may have their account balance rolled over to an individual IRA or may elect to receive distributions in a single lump sum or ad-hoc distributions over a specified period not to exceed the life or life expectancy of the participant.

Forfeitures

Forfeitures may be used to reduce employer contributions or pay plan expenses. The forfeitures used to reduce employer contributions during the years ended December 31, 2025 and 2024, totaled \$90,061 and \$56,496, respectively. Total forfeitures used to pay plan expenses during the years ended December 31, 2025 and 2024, totaled \$57,389 and \$47,148, respectively. Unallocated forfeiture balances as of December 31, 2025 and 2024, totaled \$73 and \$57,081, respectively.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Company's discretionary matching and contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

See independent auditor's report.

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Investment valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Tax status

The IRS has determined and informed the Plan by a letter dated August 19, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator and tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

See independent auditor's report.

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN

DECEMBER 31, 2025 AND 2024

Subsequent events

Management evaluated subsequent events through the date of the attached independent auditor's report, the date these financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company, a qualified institution, as of and for the years ended December 31,:

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
Mutual funds	\$ 17,034,007	\$ 13,918,276
Common/collective trusts	31,531,585	26,039,123
Self-directed brokerage accounts	8,196,998	9,620,426
Notes receivable from participants	<u>324,935</u>	<u>350,294</u>
 Total certified assets	 <u><u>\$ 57,087,525</u></u>	 <u><u>\$ 49,928,119</u></u>
 Investment income	 <u><u>\$ 7,718,374</u></u>	 <u><u>\$ 5,617,820</u></u>

The differences between these amounts and the amounts shown on the accompanying financial statements are primarily related to transactions pending at year end.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used between December 31, 2025 and 2024.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The categorization is based on the lowest level of input that is significant to the fair value measurement.

See independent auditor's report.

COLORADO SPRINGS RADIOLOGISTS, P.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

This hierarchy consists of three levels:

Level 1 - Quoted prices in active markets for identical assets or liabilities

Level 2 - Observable inputs other than prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies used for assets measured at fair value are as follows:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Self-directed brokerage accounts - Valued at the closing price recorded on the active market on which the individually-owned securities are traded.

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31,:

	2025		
	Level 1	Level 2	Level 3
Mutual funds	\$ 17,034,007	\$ -	\$ -
Self-directed brokerage accounts	-	8,196,998	-

*Investments in common/collective trusts are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

5. PARTIES IN INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons. The Company and several participants, as a result of ownership and/or being officers or directors of the Company, are deemed to be parties in interest. The third-party administrator, the trustee, investment advisors, and plan auditors are also parties in interest. There were no prohibited transactions with parties in interest during the years ended December 31, 2025 and 2024.

6. RISKS AND UNCERTAINTIES

The Plan provides for various investments. Investments, in general, are exposed to risks, including interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
