INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Mississippi Action for Progress, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mississippi Action for Progress, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended October 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mississippi Action for Progress, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2025 and 2024, and for the year ended October 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of

the Financial Statements section of our report. We are required to be independent of Mississippi Action for Progress, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Action for Progress, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mississippi Action for Progress, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Action for Progress, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are

in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MISSISSIPPI ACTION FOR PROGRESS, INC. RETIREMENT PLAN
Notes to Financial Statements

Note 1: Description of the Plan

The following description of the Mississippi Action for Progress, Inc. Retirement Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

General. The plan is a defined contribution plan, money purchase pension plan, covering all employees of the plan sponsor who are classified as a regular employee and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute after-tax dollars to the plan, as defined in the plan. The plan sponsor contributes an amount equal to 12% of each participant's eligible compensation, as defined in the plan. Employer contributions are invested in the variable group annuity under the same allocation method as each employee's contributions. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the plan sponsor's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefits that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the plan sponsor's contributions plus actual earnings.

Administrative Expenses. Certain expenses incurred in the administration of the plan are paid directly by the plan sponsor and therefore excluded from these financial statements.

Payment of Benefits. On termination of service due to death, disability, or resignation, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments over the life expectancy of either the employee or the employee's beneficiary. For termination of service due to hardship, a participant must receive the value of the vested interest in his or her account as a lump-sum distribution.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

MISSISSIPPI ACTION FOR PROGRESS, INC. RETIREMENT PLAN
Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The plan's investments are valued at contract value (Note 3).

Net investment income includes the plan's credited investment income and contract charges in the guaranteed investment contract during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2025 or 2024. Outstanding loan balances are collateralized by the participant account balances and upon termination, outstanding loan balances, if any, are considered deemed distributions to the participant.

Payment of Benefits

Benefits are recorded when paid.

Forfeiture of Benefits

At October 31, 2025 and 2024, forfeited non-vested accounts totaled \$2,936 and \$65,741, respectively. \$62,805 of forfeited funds were expended for the year ended October 31, 2025 to offset employer contributions and remaining amount can be utilized to offset future employer contributions. Forfeitures are not being timely allocated and plan management is aware and working to make needed corrections. The forfeited funds have accumulated from prior years.

Operating Expenses

All expenses of operating the plan are paid by the plan sponsor. The administrative expense presented is for monthly participant fees.

Note 3: Guaranteed Investment Contract with Insurance Company

The plan has a traditional fully benefit-responsive guaranteed investment contract with The Standard Insurance Company (The Standard). The Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

MISSISSIPPI ACTION FOR PROGRESS, INC. RETIREMENT PLAN
Notes to Financial Statements

Note 3: Guaranteed Investment Contract with Insurance Company (Continued)

The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at October 31, 2025 and 2024, was \$22,629,228 and \$21,421,008, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but approximates two and a quarter percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events might limit the plan's ability to transact at contract value with The Standard. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events that would limit the plan's ability to transact at contract value with plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 4: Information Prepared and Certified by Custodian of the Plan

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at October 31, 2025 and 2024, net investment income and interest for the year ended October 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Standard Insurance Company (the custodian of the plan) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified by the custodian:

MISSISSIPPI ACTION FOR PROGRESS, INC. RETIREMENT PLAN
Notes to Financial Statements

Note 4: Information Prepared and Certified by Custodian of the Plan (Continued)

	<u>Year Ended</u> <u>10/31/25</u>	<u>Year Ended</u> <u>10/31/24</u>
Investments:

Participant loans	539,922	308,067
Investment income	508,761	
Interest income on notes receivable	19,864	
Expenses	3,043,909	

Note 5: Tax Status

The plan has been designed to qualify under Section 401(a) of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the non-standardized pre-approved plan opinion letter dated June 30, 2020, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the plan and recognize a tax liability (or asset) for uncertain tax positions that are more likely than not to be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that, as of October 31, 2025, there were no uncertain tax positions that require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by the Internal Revenue Service and the Department of Labor; however, there are currently no audits in progress.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the plan sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their employer contributions.

Note 7: Risks and Uncertainties

The plan invests in a guaranteed investment contract with The Standard. Investment securities are usually exposed to various risks such as interest rate, market, and credit risks. Due to the plan's investment being concentrated in one insurance contract, the interest rate, market, and credit risks falls upon the issuer of the contract and not the participants in the plan. Since outstanding participant loan balances are collateralized by the participant account balances, risk of loss from loan default does not apply as any unpaid loan is considered a deemed distribution to the participant and adequately collateralized.

MISSISSIPPI ACTION FOR PROGRESS, INC. RETIREMENT PLAN
Notes to Financial Statements

Note 8: Party-in-interest Transactions

The plan's guaranteed investment contract is managed by The Standard Insurance Company. The Standard Insurance Company is the custodian defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan for monthly participant fees are recorded as administrative expense and amounted to \$84,604 for the year ended October 31, 2025.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 9: SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which includes SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the plan documents accordingly. Certain provisions became effective in 2024 and more to follow. Accordingly, there is no material impact to the plan's October 31, 2025 financial statements.

Note 10: Delinquent Plan Contributions

In February 2024, the plan sponsor processed a special pay period for incentive pay for employees. The plan sponsor inadvertently failed to remit employer contributions for that pay period. plan sponsor was made aware of omission, and will contribute those omitted employer contributions to the plan.

For the months of April and May 2024, the custodian of the retirement plan, The Standard, was migrating plan data into different software which resulted in a black-out period. The plan sponsor was unable to remit any withholdings, employer and/or employee, during this time period. In June 2024, The Standard started accepting the back remittances from the plan sponsor. All employer and employee funds have been remitted to the plan. Plan sponsor has contributed lost earnings for the participant monies that were transferred late to the plan for the affected pay periods.

The delinquent participant contributions reported on Schedule H, Line 4a, consist solely of the late remittance of employee contributions described above.

Note 11: Subsequent Events

Events that occur after the balance sheet date but before the financial statements are available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statement. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. The plan administrator of Mississippi Action for Progress, Inc. Retirement Plan evaluated the activity of the plan through July 21, 2026 (the date on which the financial statements were available to be issued) and determined that there were no subsequent events that should be noted in the financial statements.
