Independent Auditor's Report

To the Trustee and Plan Administrator
Davis Memorial Goodwill Industries Inc. Health and Welfare Plan

Opinion

We have audited the financial statements of Davis Memorial Goodwill Industries Inc. Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Davis Memorial Goodwill Industries Inc. Health and Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Davis Memorial Goodwill Industries Inc. Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Davis Memorial Goodwill Industries Inc. Health and Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Davis Memorial Goodwill Industries Inc. Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.

Davis Memorial Goodwill Industries Inc. Health and Welfare Plan

Notes to the Financial Statements

December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the Davis Memorial Goodwill Industries Inc. Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, as restated effective July 1, 2007, is a defined-contribution health and welfare plan, established for the exclusive benefit of participants. The Trust for the Health and Welfare Plan of Davis Memorial Goodwill Industries, Inc. (the Trust), serving as an agent for the Plan, holds the Plan's assets. Participants in the Plan are employees of Davis Memorial Goodwill Industries, Inc. (the Company or Plan sponsor) who are engaged in the performance of a contract or subcontract for a participating employer that would cause the individual to be required to be covered by the participating employer under the Service Contract Act (the Act or SCA).

Insured benefits - The Plan provides insured health benefits (medical, dental, vision, hospital and prescription drug coverage), an employee assistance program, life insurance, accidental death and dismemberment insurance, and short- and long-term disability insurance for certain active employees of the Company who are eligible and their covered dependents.

The Plan used Kaiser Permanente through June 2025 for health benefits except for dental and vision and effective July 1, 2025 uses Aetna. During the years ended December 31, 2025 and 2024, dental and vision benefits were provided through insurance contracts with Cigna Health and Life Insurance Company. The Plan used Mutual of Omaha for life insurance, accidental death and disbursement insurance, employee assistance program and short- and long-term disability insurance benefits.

Administration - The Company has contracted with a third-party record keeper, The Boon Group, to maintain participant benefit records and to process insurance premiums. The Plan has also contracted with Independent Fiduciary Services to serve as trustee. Plan administrative expenses, field operations fees, trustee, audit and tax services are paid directly by the Plan sponsor.

Eligibility - All SCA employees are eligible for employee assistance program, life insurance, accidental death and dismemberment insurance, and short- and long-term disability insurance after a 60-day waiting period. Part-time SCA employees working 20 to 29 hours per week are eligible for dental and vision benefits. Full-time SCA employees are eligible for all benefits provided by the Plan.

Contributions - Employer contributions to the Plan are made by the Company in the amount and manner required by the Act. The Act requires the Company to provide an hourly fringe benefit rate to covered employees. The applicable rate is set by the U.S. Department of Labor and implemented through contractual provisions. The rate is applied to the first 80 hours worked in a pay period. Hours worked in excess of 80 are not eligible for the rate. In addition to deductibles and copayments, participants may contribute specified amounts to the Plan. The employee contributions are deducted from payroll and are remitted to the Trust together with employer contributions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the dates of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Contributions - The Plan is funded by employer and employee contributions. In addition to deductibles and co-payments, participants contribute specified amounts, determined annually, for coverage of themselves and their dependents. This determination is based on a review of the Plan's payment trends and an estimation of expected costs for the following year.

Contributions receivable - Employer and employee contributions due but not paid to the Trust at year end are recorded as contributions receivable. There was no allowance for doubtful accounts at December 31, 2025 and 2024.

Payment of benefits - Premiums paid are recorded as Premium payments to insurance companies in the accompanying statement of changes in net assets available for benefits. Benefits are recorded when paid to insurance providers.

Participant reserve balances - The Plan requires each participant to maintain a reserve balance equal to the estimated cost of providing benefits for a two-month period. Participant reserve balances are funded through contributions made to the Plan by the Plan sponsor on behalf of the participants during the two-month waiting period prior to joining the Plan. In periods of unemployment or underemployment, benefits will be paid out of a participant's reserve balance. Upon resumption of normal activity, participants will be required to build up the balance in their reserve accounts to required levels.

Subsequent events - In accordance with Financial Accounting Standards Board Accounting Standards Codification 855, *Subsequent Events*, the Plan has evaluated subsequent events through August 14, 2026, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or disclosure in these financial statements.

3. PARTICIPANT RESERVE BALANCES

Participant reserve balances reflect the current estimate of the cost to provide two months of benefits to the Plan participants as of December 31, 2025 and 2024. At termination of employment, the unexpended portion of a participant's reserve balance is remitted to a retirement account on behalf of the terminating participant. Participant reserve balances totaled $166,675 and $149,643 as of December 31, 2025 and 2024, respectively, and are included as a liability in the accompanying Statements of Net Assets Available for Benefits.

Changes in participant balances result from changes in plan participants and in the estimated cost of providing benefits for a two-month period. Such estimates are prepared using the previous month's actual expenses. Accordingly, participant reserve balances fluctuate between periods depending on changes in the number of participants, changes in participant elections, and the cost of benefits negotiated with insurance companies.

The following table summarizes the changes in participant reserve balances during the years ended December 31, 2025 and 2024:

	2025	2024
Participant reserve balances at January 1	$ 149,643	$ 140,655
Increase in the estimated cost of two months of benefits for participants	17,032	8,988
Participant reserve balances at December 31	$ 166,675	$ 149,643

4. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain administrative functions of the Plan are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

5. RISKS AND UNCERTAINTIES

The Plan maintains its cash in a bank deposit account with a financial institution, which, at times may exceed federally insured limits. Plan management periodically evaluates the balance and believes this account does not pose a financial risk to the Plan.

All of the Plan participants are SCA employees of the Company working under contracts with the federal government. As such, federal contracts are subject to termination clauses whereby the government may terminate contracts for cause or convenience. Any contract termination or funding delays caused by political, budgetary, or other administrative matters may affect employees participating in the Plan and the ability and necessity of the Plan sponsor to fund and maintain the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits on account of the participant. No assets of the Plan may revert to the Plan sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

7. TAX STATUS

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from federal or state income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code (IRC). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the IRC. The Plan sponsor believes that the Plan does not have any net taxable income for the years ended December 31, 2025 and 2024; therefore, no tax liability is reflected in these financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
