INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Emerald Textiles, San Diego LLC 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Emerald Textiles, San Diego LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an ERISA 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Going Concern and Subsequent Plan Termination

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 12 to the financial statements, in December 2025, the Plan Sponsor of Emerald Textiles, San Diego LLC 401(k) Plan was acquired by a third party. In connection therewith, the board of directors authorized the termination of the Plan in December 2025, subject to the completion of required administrative, regulatory, and participant-distribution procedures. These events indicate that the Plan is not a going concern. The accompanying financial statements do not include any adjustments that might result from the Plan's termination. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Emerald Textiles, San Diego LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, Part IV, Line 4a for the year ended December 31, 2023 and Schedule H, Part IV, Line 4i as of December 31, 2023), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2023

NOTE 1. DESCRIPTION OF PLAN

General

The Emerald Textiles, San Diego LLC 401(k) Plan (the "Plan") is sponsored by Emerald Textiles San Diego, LLC (the "Company"). The Plan became effective on January 1, 2011 and is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "Code").

In February 2020, the Plan was amended to add Emerald Los Angeles, LLC; Emerald Textile Services, Northern California, LLC; Emerald Textile Services, Reno, LLC; Emerald Utah, LLC; and Emerald Encore Holdings, LLC as participating employers. In December 2021, the Plan was amended to also add Emerald Las Vegas, LLC; Emerald NorCal, LLC; Emerald Phoenix, LLC; and Emerald SoCal, LLC.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

Eligibility

Generally, employees who have reached 21 years of age and have completed three consecutive months of service are eligible to participate in the Plan; however, for purposes of sharing in Company matching contributions, an employee must complete twelve months of service with the Company. The Plan excludes certain classes of employees including, among others, those whose employment is governed by a collective bargaining agreement except specific unions, residents of Puerto Rico, and non-resident aliens with no U.S. sourced earned income. The entry date for participant elective deferrals is the first day of the Plan year quarter coincident with or next following the day a participant becomes eligible to participate.

Participant Contributions

Participants may elect to contribute, on a pre-tax basis, a percentage or flat dollar amount of compensation as defined by the Plan, up to the maximum allowed by the Code. In addition, employees who are age 50 or older may elect to defer additional amounts (called "catch-up contributions") to the Plan up to the maximum allowed by the Code. Participants may also contribute amounts representing rollover distributions from other qualified sources; however, the Plan does not accept rollovers of employee after-tax contributions or direct rollovers of "Roth" contributions.

Effective October 1, 2015, the Plan adopted certain automatic deferral provisions such that employees who become eligible participants on or after October 1, 2015 will automatically have 1% of their compensation each payroll period deferred into the Plan unless otherwise elected. Effective January 1, 2023, the Plan increased its automatic enrollment percentage from 1% to 3% of compensation. Beginning in 2019, unless otherwise elected by the participant, the automatic deferral amount will increase by 1% each year up to a maximum of 10% of Plan-eligible compensation. Automatic increase take effect on the first day of each Plan year.

Employer Contributions

The Company may make discretionary matching contributions to the Plan. On a quarterly basis for the year ended December 31, 2023, the Company made matching contributions equal to 30% of each eligible participant's contribution, limited to the first \$10,000 of participant contributions eligible for matching during the Plan year.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2023

NOTE 1. DESCRIPTION OF PLAN (Continued)

Investment Options

Upon enrollment in the Plan, participants may direct their contributions and employer contributions to any of the Plan's investment options. Subsequently, participants may change their allocation and transfer account balances between investment options in accordance with Plan provisions.

Vesting

Participants are always 100% vested in their contributions. Employer matching contributions vest as shown in the following table:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

In addition, participants who reach normal retirement age (65) become fully vested in their accounts. Similarly, participants who terminate employment due to total disability or death become fully vested in their accounts.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as any employer matching contributions. Participant accounts are also allocated investment earnings or losses and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Certain fees, such as those charged in connection with certain distributions are deducted from the transacting participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

In-Service Distributions

Distributions of rollover contributions are permitted at any time. Participants who are age 59½ or older are permitted in-service distributions of the vested portion of their accounts. Hardship distributions are not allowed by the Plan.

Other Distributions

Upon termination for any reason including retirement, death, or disability, participants may elect to receive a distribution of their vested account balance (as defined) in lump sum, or defer distribution if the account exceeds \$5,000. If a terminated participant's vested account balance is less than \$5,000, and the participant does not make a distribution election, the Plan may roll the balance into an individual retirement account designated by the Plan administrator; account balances less than \$1,000 may be distributed directly to the participant.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2023

NOTE 1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE" Act), which became law on December 20, 2019, and the SECURE 2.0 Act of 2022 ("SECURE Act 2.0") which became law on December 29, 2022, participants may defer taking distributions as follows:

- If a participant reached the age of 70½ in 2019, the participant may defer receiving distributions until the later of April 1, 2020, or the April following the calendar year in which the participant retires;
- If a participant reaches the age of 70½ in 2020 or later, the participant may defer receiving distributions until the later of the April following the calendar year in which the participant reaches age 72 or retires.
- Beginning in 2023, the age a participant must begin taking distributions was raised to 73. If a participant reaches the age of 72 during 2023, the participant may defer receiving distributions until April 1, 2025, the latest date that a required minimum distribution may be taken for 2024.

Forfeitures

Forfeitures may be used to pay administrative expenses and reduce any matching contributions. As of December 31, 2023 and 2022, respectively, there were \$71,559 and \$26,001 of forfeitures available for future use. During 2023, \$35,972 was forfeited by participants and there were earnings and fee adjustments totaling \$9,586.

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts generally up to a maximum of 50% of their vested balance up to \$50,000. The minimum loan amount is \$1,000. Such loans are required to be repaid within 5 years unless the loan is to be used to acquire the principal residence of the participant, in which case a longer repayment period may be permitted. Participants are permitted to have only one loan outstanding at any given time. Loans are secured by the participants' vested interests in their account balances. Loans are to bear interest at the prime interest rate plus one percent. As of December 31, 2023, the interest rate on outstanding loans range from 4.25% to 9.50%. Principal and interest are paid regularly through payroll deductions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits. Actual results could differ from those estimates.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive group annuity investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measure for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for additional information on the aforementioned investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Net realized and unrealized appreciation or depreciation in investments includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Income Tax Status

The Company has adopted a defined contribution pre-approved plan and relies upon the pre-approved plan's opinion letter from the Internal Revenue Service ("IRS"), which states that, in its opinion, the plan and related trust are designed in accordance with applicable sections of the Code. The Company has not applied for a determination letter from the IRS specific to the current Plan document. Although the pre-approved plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is generally subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2023

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants as well as fees directly associated with distribution requests are charged directly to the transacting participants' accounts and are included in administrative expenses. Investment-related expenses are included in net realized and unrealized appreciation or depreciation of the fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued (Note 12).

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation or depreciation in fair value of investments, other investment earnings, dividends, and interest income for the year ended December 31, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (including on behalf of Great West Trust Company), Empower Annuity Insurance Company of America, and Massachusetts Mutual Life Insurance Company the custodians of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements

For the Year Ended December 31, 2023

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for investments measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled separate accounts: Valued at the unit value of shares held by the Plan. Unit value is based upon the observable net asset value of the underlying investments on the last business day of the Plan year as determined and published by an outside agency.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's investments by level and investment objective within the fair value hierarchy as of December 31, 2023 and 2022:

	December 31, 2023		
	Level 1	Level 2	Level 3
Mutual funds	\$ 2,823,336	\$ -	\$ -
Total investments in the fair value hierarchy	\$ 2,823,336	\$ -	\$ -
Common/collective trusts measured at net asset value ^(a)			11,890,782

Pooled separate accounts	\$ -	\$ 11,311,962	\$ -	\$ 11,311,962
Total investments at fair value	\$ -	\$ 11,311,962	\$ -	\$ 11,311,962

(a) Certain investments (common/collective trusts) that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the 2023 statement of net assets available for benefits.

In addition, there were no transfers between Levels 1 and 2, and no transfers in or out of Level 3 between December 31, 2022 and 2023.

NOTE 5. GROUP ANNUITY CONTRACT/GROUP FUNDING AGREEMENT

The Plan has a group annuity contract with MassMutual, the MassMutual Fixed Account. Under the terms of the Group Annuity Contract/Group Funding Agreement, a crediting rate was established for amounts invested in the Fixed Account. Participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value.

This contract meets the fully benefit-responsive investment contract criteria, and is therefore reported at contract value. Contract value is the relevant measure for financial statement reporting of fully benefit-responsive investment contracts as contract value is the amount received by participants when they initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

Certain events can lead to plan discontinuance of the Group Annuity Contract or Group Funding Agreement, in which case it may be possible to receive a value other than the contract value. Such events include, but are not limited to (i) failure of the Plan to maintain its tax-exempt status, (ii) certain Plan amendments which affect the Group Annuity Contract, discontinuance of contributions, Plan termination, and bankruptcy of the Plan Sponsor. Liquidation value is based on an actuarial formula as defined under the terms of the Group Annuity Contract/Group Funding Agreement. Additionally, the Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. In addition, the issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6. EXEMPT PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain of the Plan's operating expenses are paid by the Company. The Company also provides administrative services for the Plan at no cost to the Plan. In addition, certain of the Plan's investments were managed by Empower Trust Company, LLC, and Empower Annuity Insurance Company of American, the custodians of the Plan during 2023. These transactions qualify as exempt party-in-interest transactions.

EMERALD TEXTILES, SAN DIEGO LLC 401(K) PLAN

Notes to Financial Statements For the Year Ended December 31, 2023

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

NOTE 8. CORRECTIVE DISTRIBUTIONS AND QUALIFIED NONELECTIVE CONTRIBUTIONS

To satisfy certain nondiscrimination provisions of the Code for the years ended December 31, 2023, 2022, 2021, and 2020, during 2026 the Plan returned excess participant contributions in the amounts of \$103,498, \$77,151, \$26,426, and \$46,072, respectively, to certain highly compensated participants, as defined by the Code. In addition to the excess contributions returned, earnings and interest on those amounts, totaling \$68,178, were also refunded. The aggregate amounts of \$321,325 and \$149,649 are included as liabilities on the statements of net assets available for benefits as of December 31, 2023 and 2022, respectively. In April 2026, the Plan refunded a total of \$419,870, representing excess participant contributions through December 31, 2023, plus interest and earnings through the date of refund.

To satisfy certain nondiscrimination provisions of the Code for the years December 31, 2023, 2022, 2021, and 2020, during 2026, the Plan Sponsor made qualified nonelective contributions ("QNEC") to the Plan in the amount of \$321,325, inclusive of earnings and interest through December 31, 2023, to accounts of certain non-highly compensated participants, as defined. This amount is included as an employer contribution receivable – QNEC on the statement of net assets available for benefits as of December 31, 2023. The total QNEC contributed by the Plan Sponsor in April 2026 in the amount of \$419,870, also included interest and earnings through the date of refund.

NOTE 9. DIFFERENCES BETWEEN FINANCIAL STATEMENTS AND FORM 5500

Excess contribution amounts totaling \$171,678 for the year ended December 31, 2023 have been netted against participant contributions in the statement of changes in net assets available for benefits for the year ended December 31, 2023 financial statement purposes; however, the IRS Form 5500, Schedule H, Part II presents excess contributions as corrective distributions, a separate category of expenses (deductions from net assets) for the year ended December 31, 2023.

NOTE 10. DELINQUENT REMITTANCES

The Company identified an instance in 2022 and numerous instances in 2023 where amounts withheld from employees totaling \$526,260 were not forwarded to the custodians within the reasonableness timeframe established by the Department of Labor. The Company is in the process of calculating lost earnings in order to determine the necessary corrective action related to the delinquent remittances.

Based on its intended actions, Plan management and the Company believe the delinquent remittances will not cause the Plan to be disqualified by the IRS and that the corrective actions will allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

NOTE 11. SECURE ACT 2.0

The purpose of the SECURE Act 2.0 is to expand access to retirement plans and to help working Americans increase their retirement savings. In addition to the changes to minimum required distributions described in Note 1, the SECURE Act 2.0 includes various required and optional provisions that will become effective through 2033, certain of which are described below:

- Beginning in 2033, the age for required minimum distributions will increase from age 73 to 75.
- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect to make additional catch-up contributions of up to 150% of the standard catch-up contribution limit imposed by the IRS.
- Beginning January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12 month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.
- Beginning January 1, 2026, catch-up contributions will be made on a Roth basis, unless the participant earns \$150,000 or less.

The deadline for SECURE 2.0 amendments is December 31, 2026. Plan management has not yet determined which of the optional provisions the Plan will implement, and intends to amend the plan document by December 31, 2026.

NOTE 12. SUBSEQUENT EVENT

In December 2025, the Plan Sponsor was acquired by a third-party, AMCP Clean Acquisition Company dba PureStar Linen Group. Also in December 2025, in connection with the acquisition, the board of directors elected to terminate the Plan. In connection with the Plan termination, all participants became fully vested in their accounts. Plan management expects that all Plan assets will be distributed during 2026.
