**INDEPENDENT AUDITOR'S REPORT**

**To the Trustees**  
***Cutco Corporation***  
***Salaried Employees' Savings Plan***  
**Olean, New York**

**Opinion**

We have audited the accompanying financial statements of ***Cutco Corporation Salaried Employees' Savings Plan***, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of ***Cutco Corporation Salaried Employees' Savings Plan*** as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***Cutco Corporation Salaried Employees' Savings Plan*** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Cutco Corporation Salaried Employees' Savings Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Cutco Corporation Salaried Employees' Savings Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Cutco Corporation Salaried Employees' Savings Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**CUTCO CORPORATION**  
**SALARIED EMPLOYEES' SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEARS ENDED DECEMBER 31, 2025 AND 2024**

**Page 5**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the **Cutco Corporation Salaried Employees' Savings Plan** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The effective date of the Plan is January 1, 1984.

**General**

The Plan is a defined contribution plan covering primarily salaried employees of Cutco Corporation and its domestic subsidiaries (Plan Sponsor) who have 60 days of service. Part-time employees are eligible upon completing one-year and 1,000 hours of service. The Plan excludes employees who are part of the Company's collective bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and various other laws and regulations subsequently enacted by Congress. The Plan is a Section 401(k) retirement arrangement under the Internal Revenue Code.

**Contributions**

Employees may make contributions of their compensation to the Plan up to certain statutory limitations, including post-tax basis (Roth elective deferrals). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan two months following their start date, unless they affirmatively elect to not participate, with a default deferral rate set at 4% of eligible compensation, increasing by 1% annually, effective on the first day of the plan year, to a maximum of 8%. Participant rollover contributions are permitted by the Plan, at the discretion of the Plan Administrator. Participants may also contribute amounts representing distributions from other qualified pension plans. Contributions are invested in mutual funds or an investment contract, at the discretion of the employees. Contributions are funded as accrued. The Plan Sponsor provides a discretionary matching contribution that matches 50% of the employee's contribution to the Plan, with the total match not exceeding 4.5% of the employee's compensation. The Plan Sponsor provided an additional discretionary contribution during both 2025 and 2024 that was 5% of the employee's compensation, but not exceeding \$3,500 per employee. The Plan allows plan participants to make catch-up elective deferral contributions in a taxable year if the participant will be at least age 50 by the end of that year.

**Participant Accounts**

Each participant's account is credited with the participant's rollover contributions, if any, participant's contribution and allocations of (a) the Plan Sponsor's contribution, (b) Plan earnings (losses), (c) Plan administrative expenses. Allocations are based on account balances, participant earnings, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan Sponsor contributions is based on years of continuous service. A participant is 100% vested after three years of credited service for the Plan Sponsor contributions.

**Forfeitures**

Non-vested balances of terminated participants are forfeited and used to offset future Plan Sponsor matching contributions. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled \$184,315 and \$154,359, respectively.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 25% of their account balance (50% for hardship purposes). The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions from each pay period.

**Payment of Benefits**

On termination of service, a participant will normally receive a lump sum amount equal to the participant's vested interest in their account, subject to spousal consent. Alternate forms of distribution include payments over a specified period of time.

**Transfers out to other Plan**

During the prior plan year, certain employees switched between Cutco Corporation Salaried Employees' Savings Plan and Cutco Cutlery Corporation Hourly Savings Plan. For the plan year ended December 31, 2024, transfers to the Cutco Cutlery Corporation Hourly Savings Plan were \$20,036.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting. Plan investments are required to be reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Basis of Accounting (continued)**

Shares of registered investment companies are valued at quoted market prices. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the transaction date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Benefit payments to participants are recorded when paid.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Plan Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements.

**NOTE 3 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

**NOTE 4 - INCOME TAX STATUS**

The Internal Revenue Service has determined in a letter dated March 31, 2014 that the form of the Prototype Plan adopted by the *Cutco Corporation Salaried Employees' Savings Plan* is acceptable under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that is more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; plan years that remain open for examination include the years December 31, 2022, and later.

**NOTE 5 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 6 - PARTY IN INTEREST TRANSACTIONS**

One plan investment is sponsored by the Plan Trustee, Empower Life and Annuity Insurance Company (Empower) and its affiliate (Great-West Trust Company). The investments held by the custodian at December 31, 2025 and 2024 with this party in interest totaled \$7,470,327 and \$8,177,845, respectively. In addition, the Plan has notes receivable from plan participants that totaled \$1,212,780 and \$1,079,107 at December 31, 2025 and 2024, respectively, which are party in interest transactions under ERISA.

The Plan paid recordkeeping and administration fees to Morgan Stanley and Empower during the years ended December 31, 2025 and 2024 totaling \$188,269 and \$212,128, respectively.

The above party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 7 – FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contract, which is reported at contract value) in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs on the hierarchy are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are considered to be actively traded. As of December 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

**NOTE 8 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

In 2017, the Plan entered into a traditional investment contract with Great-West Life and Annuity Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for direct fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The Plan owns only the contract itself.

The traditional investment contract held by the Plan is a guaranteed investment contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

**NOTE 8 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the contract without the consent of the issuer

**NOTE 9 – SUBSEQUENT EVENTS**

Plan management has evaluated subsequent events through July 31, 2026, which is the date the financial statements were available to be issued.
