To the Trustees of
Quincy Community Action Programs, Inc 403(b) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed audits of the financial statements of Quincy Community Action Programs, Inc 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Quincy Community Action Programs, Inc 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Quincy Community Action Programs, Inc 403(b) Thrift Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating

to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quincy Community Action Programs, Inc 403(b) Thrift Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quincy Community Action Programs, Inc 403(b) Thrift Plan's internal control. Accordingly, no such opinion is expressed.⁴
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quincy Community Action Programs, Inc 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedules of Assets Held for Investment Purposes as of December 31, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Quincy Community Action Programs, Inc 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of Plan

The following description of the Quincy Community Action Programs, Inc. (the “employer”) 403(b) Thrift Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was adopted on March 1, 1990 by the Board of Trustees of the employer, as a 403(b) Thrift Plan for the exclusive benefit of eligible employees. Mutual of America Life Insurance Company (“Mutual of America”) serves as custodian for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). During 2018, management adopted a Roth provision in accordance with Section 402(A) of the Internal Revenue Code.

Plan Eligibility – All employees are eligible to participate in the Plan on their first day of employment (“Participants”). Entry dates into the plan are the first day of the month coinciding with or immediately following the employee’s date of hire.

Employee Contributions – Employee contributions to the Plan are made each payroll period as elected by the participants up to 100% of their eligible pre-tax annual compensation, as defined by the Plan, subject to dollar limits set by the Internal Revenue Code. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have completed 15 years or more of service are eligible to contribute an additional \$3,000 each year, to a maximum of \$15,000 for a lifetime catch-up. The contribution election percentage can be changed or stopped at any time. Rollovers from other eligible plans are allowed.

Employer Matching Contributions – Each year, the employer may make a matching contribution to the Plan. Participants are not eligible to receive employer matching contributions until they have completed one year of service. For purposes of determining the matching contributions under the Plan, participant contributions do not include catch-up contributions. Each participant who has satisfied the service requirements of the Plan, is entitled to receive an allocation of Employer matching contributions for each Plan year equal to the lesser of (a) 100% of salary reduction contributions deferred during that Plan year, or (b) 1% of compensation received during that Plan year.

Employer Base Contributions – Participants are also eligible for employer base contributions upon completion of one year of service. Each participant who has satisfied the Plan’s service requirements is entitled to receive an allocation of employer base contributions for each Plan year equal to 6% of compensation received during that Plan year.

Vesting – Participants are immediately 100% vested in their voluntary contributions, rollovers, and earnings thereon. Participants are vested in employer contributions on a graded schedule with participants becoming fully vested after five (5) years of vesting service. A participant can become fully vested upon death or disability, as defined by the Plan, or upon reaching early retirement age (55) while employed.

Investments – All contributions to the Plan are directed by the participants to be invested into any of a variety of investment choices provided under the Plan, as determined from time to time by the trustees. Participants may change their investment choices at any time.

Quincy Community Action Programs, Inc 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2025 and 2024

Notes Receivable from Participants – Participants may borrow funds against their vested account balance. Loans must be in minimum amounts of \$1,000 and may not exceed the lesser of one-half of the participant's vested account balance or \$50,000. The remaining vested account balance of the participant is used to secure the loan. Interest is payable according to the loan agreement for each particular loan. The interest rate on outstanding loans was 5.85% and loans are repaid over a maximum of 5 years through employee withholdings.

Payment of Benefits – Participants are entitled to their total vested account balance upon death, disability, retirement, or termination of employment. A participant may elect to receive a lump-sum amount equal to the value of his or her accounts or in the form of an annuity. If an employee leaves the employment of the employer, the balance can be rolled into an IRA or another tax-advantaged plan, with no penalties or the participant will be issued a check equal to their balance, which is subject to a 10% federal tax penalty.

Forfeitures – Forfeitures are first used to pay outstanding administrative expenses and then to reduce the employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$511 and \$23,990, respectively. Forfeitures of \$511 and \$23,990 were used to reduce the employer's contributions for the years ended December 31, 2025 and 2024, respectively.

Mandatory Distributions – If a Participant's vested account balance is less than \$1,000, the Plan administrator, after notification, can distribute the entire non-forfeited account balance to the participant upon termination of employment.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The significant accounting policies followed by Quincy Community Action Programs, Inc. are described below to enhance the usefulness of the financial statements to the reader.

Use of Estimates

The presentation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Quincy Community Action Programs, Inc 403(b) Thrift Plan

Notes to Financial Statements

December 31, 2025 and 2024

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

(2) Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no Plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of Pooled Separate Investments, which are mutual funds, is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The General Fund is an interest-bearing cash account.

The table below sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 and 2024, are reported in net depreciation in fair value of investments.

(3) Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Mutual of America. Mutual of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(4) Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

(5) Tax Status

The Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS). The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

December 31, 2025 and 2024

(6) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(7) Subsequent Events

The Plan has performed an evaluation of subsequent events through July 22, 2026 which is the date the Plan's financial statements were available to be issued. No material subsequent events have occurred since December 31, 2025 that required recognition or disclosure in these financial statements.
