Auditors' Communication with Those Charged with Governance

The Plan Administrator

Spencer Technologies, Inc. 401(k) and Profit Sharing Plan

Re: Auditors' Communication with Those Charged with Governance

We have conducted an audit of the financial statements and supplemental schedules of Spencer Technologies, Inc. 401(k) and Profit Sharing Plan (the "Plan") subject to Employment Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) as of and for the year ended December 31, 2024, and have issued our report thereon dated September 23, 2025. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 30, 2025. This letter confirms our discussions and provides additional required communications related to our audit.

Our responsibility under professional standards

Our responsibility is to form and express an opinion about whether the financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("US GAAP") and to express an opinion about whether the supplemental schedule are fairly stated in all material respects in relation to the financial statements taken as a whole and are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA").

However, as permitted by Section 103(a)(3)(C) of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note (3) to the financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on the financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Our audit included obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. However, as part of the scope limitation discussed above, we did not consider internal control relating to the information prepared and certified to by the trustee. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan. Our audit did not identify any significant findings requiring communication to you.

The financial statements and supplemental schedules are the responsibility of management. Those individuals charged with governance of the Plan are responsible for the oversight of the financial reporting process, and our audit does not relieve management and those charged with governance of their respective responsibilities.

Qualitative aspects of significant accounting practices

Significant accounting policies

Plan management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the reporting period that had a significant impact on the financial statements. No matters have come to our attention that would require us to inform you about (1) the methods used to account for significant unusual transactions, and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant accounting estimates

Accounting estimates made by the Plan's management are an integral part of the financial statements and are based on Plan management's knowledge and experience about past and current events and assumptions about future events. Actual results could differ from those estimates.

Certain accounting estimates are particularly sensitive because of their significance to financial statements and their susceptibility to change. The Plan's management believes that the estimates used and assumptions made are adequate based on the information currently available. We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements as a whole.

Financial statement disclosures

The financial statement disclosures are consistent and clear.

Going concern

The auditor is required to communicate with those charged with governance events or conditions that, when considered in the aggregate; indicate a substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We concur with management's assessment that the Plan will continue as a going concern for one year from the auditors' report date.

Significant risks

We have identified the following significant risks in connection with our audit:

- Management override of controls.
- Contributions received and receivable (revenue recognition).
- Employee contributions elected historically did not agree to payroll deductions.

Significant difficulties encountered during the audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and corrected misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of the Plan's management.

We are required to communicate to you misstatements that remain uncorrected, including any related to prior periods, and the effect, if any, that they may have on the opinion in our report, and request their correction.

The audit did not identify uncorrected financial statement misstatements.

In addition, we are required to communicate to you all material, corrected misstatements that were brought to the attention of the Plan's management as a result of our audit procedures.

Our audit did not identify misstatements that were corrected by management.

Disagreements with Plan management

For purposes of this letter, a disagreement with management is a matter, whether or not resolved to our satisfaction, concerning financial accounting, reporting, or auditing, which could be significant to the financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations requested from Plan management

We have requested certain written representations from the Plan's management in separate letters each dated September 23, 2025.

Consultations with other accountants by the Plan's management

In some cases, the Plan's management may decide to consult with other accountants about auditing and accounting matters. The Plan's management has informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other matters discussed with Plan management

We generally discuss with the Plan's management a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and future plans and strategies that may affect the risks of material misstatement. None of the matters discussed and our responses thereto were a condition to our retention as auditors.

Auditor independence

We affirm that PKF O'Connor Davies, LLP is independent with respect to the Plan in accordance with the AICPA's *Code of Professional Conduct* and DOL and ERISA Independence Rules.

This communication is intended solely for the information and use of the individuals charged with governance and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Yours sincerely,

PKF O'Connor Davies, LLP

Independent Auditors' Report

Trustees and Plan Administrator of Spencer Technologies, Inc. 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Spencer Technologies, Inc. 401(k) and Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Spencer Technologies, Inc. 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Trustees and Plan Administrator of
Spencer Technologies, Inc. 401(k) and Profit Sharing Plan**
Page 2

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Trustees and Plan Administrator of
Spencer Technologies, Inc. 401(k) and Profit Sharing Plan**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plans's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**Trustees and Plan Administrator of
Spencer Technologies, Inc. 401(k) and Profit Sharing Plan**
Page 4

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Spencer Technologies, Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements
December 31, 2024

1. Description of Plan

The following description of the Spencer Technologies, Inc. 401(k) and Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit sharing plan covering substantially all employees of Spencer Technologies, Inc. (the "Company"), who elect to contribute to the Plan and meet the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

During 2023, the Employer entered into an agreement to change vendors from Empower Trust Company, LLC to ADP Retirement Trust Services, LLC effective January 1, 2024. On December 29, 2023 the assets of the Plan excluding the group annuity contract (Key Guaranteed Portfolio Fund) were transferred from Empower Trust Company, LLC to ADP Retirement Trust Services, LLC. These funds were received by ADP Retirement Trust Services, LLC on January 2, 2024. The Plan initiated the put period and terminated the contract on the group annuity contract on October 30, 2023. The contract termination is irrevocable. The assets for the group annuity contract were liquidated and transferred to ADP Retirement Trust Services, LLC on October 30, 2024.

Eligibility

Eligible employees who are 21 years of age or older are eligible to participate and are automatically entered into the Plan, through automatic enrollment (unless the employee elects to opt out of the Plan), once they have reached 60 days of employment at the Company.

Contributions

Participants may elect to contribute a percentage of their annual pre-tax compensation to the Plan, subject to certain limitations as allowable under Section 401(k) of the Internal Revenue Code ("IRC"). These contributions and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary profit sharing contributions from the Company. All contributions to a participant's account are allocated among the various investments based on each participant's elections.

Participants may also elect to contribute after-tax contributions (Roth). These contributions are subject to eligibility requirements and to the same IRC contribution limitations as employee pre-tax deferrals.

1. Description of Plan (continued)

Contributions (continued)

The Company may make discretionary matching contributions and discretionary profit sharing contributions. The Company did not elect to make a discretionary matching contributions or profit sharing contribution for the year ended December 31, 2024. During the year ended December 31, 2024, the plan recognized \$6,077 in employer profit sharing contributions related to the 2023 plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, if any, and allocations of Plan earnings (and losses) thereon. Each participant's account is charged with an allocation of administrative expenses. Allocations are based on participant earnings (and losses) or account balances, as defined.

Vesting

Participants are immediately vested in their pre-tax and Roth contributions and any amounts rolled over or transferred into the Plan. Vesting for employer contributions, if any and associated earnings is based on a graded schedule based on years of service. A participant's account attributable to employer discretionary matching and discretionary profit sharing contributions become 20% vested after two years, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six or more years of credited service as defined. A year of service requires a minimum of 1,000 hours worked during the Plan year. Participants also become fully vested upon death, disability (as defined) or attainment of normal retirement age.

Notes Receivable from Participants

A participant may elect to take out a loan subject to the rules and limitations of the Plan. A participant may have up to two loans outstanding at any given time. Principal and interest payments on an outstanding loan are paid in level payments through weekly payroll deductions. A default in a participant's loan is treated as a distribution at the time of default against the participant's account.

The Plan's loan policy allows for a participant (borrower) enrolled in the Plan to borrow a minimum of \$1,000 up to a maximum of 50% of his/her vested balance or \$50,000 (whichever is less). Each loan shall bear interest at the prime rate in effect at the time of its issuance plus 1%. The loan must be repaid within a five year period, unless such loan is used to acquire a principal residence of the borrower.

1. Description of Plan *(continued)*

Payment of Benefits

Upon retirement from service, total and permanent disability, termination of employment or death, a participant will receive the value of their vested account balance in a lump sum distribution, in accordance with the provisions of the Plan. If the value of the distribution exceeds \$5,000, the participant may elect to defer such lump-sum payment until April 1st of the calendar year following the year the participant attains age 70 ½ if they reach 70 ½ before January 1, 2022 and age 72 for eligible employees who reach the age of 72 after January 1, 2022. In the event of death, benefits are payable to the participant's surviving spouse or designated beneficiary. At any time, a participant may also elect to receive all or a portion of his or her rollover contributions.

Plan Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other expenses are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Forfeitures

Any balance in the employer contribution account of a participant who has separated from service, to which he or she is not entitled, shall be used to reduce employer contributions or pay Plan expenses. At December 31, 2024 and 2023, forfeited nonvested accounts remaining totaled \$1,814 and \$76,415. During the plan year ended December 31, 2024, \$78,229 was used from the forfeiture account to pay the 2023 employer matching contribution.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets.

Spencer Technologies, Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements
December 31, 2024

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements (continued)

Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. There were no investments valued at fair value held by the Plan as of December 31, 2023. As of December 31, 2024, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the Key Guaranteed Portfolio Fund, which is stated at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. The funds are deemed to be actively traded. The Key Guaranteed Portfolio Fund is reported at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 23, 2025.

Notes to Financial Statements December 31, 2024

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by ADP Retirement Trust Services, LLC, a qualified institution.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements including investments and notes receivable from participants held at December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, and Empower Annuity Insurance Company, qualified institutions.

4. Group Annuity Contract

The Key Guaranteed Portfolio Fund (the “Fund”) was a general account product offered through a group annuity contract and is fully benefit-responsive. Participant principal and interest were fully guaranteed by the entire general account assets of Empower Annuity Insurance Company, the issuer of the Fund. The investment strategy employed for this product sought to achieve consistent returns to support a competitive credited rate. Bonds invested in the general account segment have an average maturity between three and seven years; are investment grade in quality and are diversified across a range of fixed-income asset classes such as asset-backed securities, mortgage-backed securities, commercial mortgage-backed securities, commercial mortgage and private equity. Each quarter an interest rate was established for all money, regardless of when it was deposited. The credited interest rate may stay the same or change each quarter.

Participants could transfer their account balances to any other investment option offered under the Plan with no restrictions or penalties.

The Fund had liquidity restrictions and required 12 months’ notice to liquidate the fund (the “put period”). The Plan requested to begin the put period and terminate the contract on October 30, 2023. All assets were transferred out of the Fund on October 30, 2024.

5. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Spencer Technologies, Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

6. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype plan document preparer by a letter dated May 21, 2022, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

The Plan's investment in certain mutual funds were managed by Empower Trust Company, LLC. Additionally, the group annuity contract was held by Empower Annuity Insurance Company. These transactions qualified as exempt party-in-interest transactions.

The Plan's participant loans qualify as exempt party-in-interest transactions. Additionally, certain investment offerings of the Plan pay a quarterly revenue credit to participants holding such investments, with such credit reported as other additions in the accompanying statement of changes in net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, effected participants will become 100% vested in their accounts.
