INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Novelle Health, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Novelle Health, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in **Note C** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Novelle Health, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Novelle Health, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Novelle Health, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Novelle Health, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplementary schedule of Schedule H, line 4i – Schedule of Assets at December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOVELLE HEALTH, LLC 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

Plan Description - The following description of Novelle Health, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by Novelle Health, LLC and related entities per the adoption agreement (collectively, the "Company") covering all of its full-time employees, except union or non-resident aliens, who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established effective January 1, 2017, at which time elective deferrals and matching contributions could be made to the Plan.

Effective January 1, 2020, the Plan was formally amended to become a Profit Sharing and Safe Harbor 401(k) Plan. The Plan was restated effective January 1, 2021 and adopted a Volume Submitter 401(k) Profit Sharing Plan sponsored by Florida Retirement Consultants.

Contributions - Each year, participants may contribute up to 100% of pretax annual compensation or elect after-tax Roth contributions, as defined in the Plan, subject to the maximum amount allowed by the Internal Revenue Service. Additionally, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan has adopted automatic enrollment provisions in which newly hired personnel are automatically enrolled at 6% of pretax compensation. In association with the automatic enrollment provisions, contributions are automatically increased by 1% on the first day of each plan year, not to exceed 10% of compensation. Participants are able to opt-out of the automatic enrollment by contacting the trustee directly.

The Plan also allows for a safe harbor matching contribution by the Company effective January 1, 2020. The match is equal to 100% of the elective deferral that does not exceed 1% of compensation, plus 50% of salary deferrals up to the next 5% of plan compensation. Participants become eligible to receive safe harbor matching contributions after completing one month of service. The Plan will count prior service with select previous employers in coordination with the determination of eligibility for the safe harbor match contribution. The safe harbor match contributions were \$687,743 for the year ended December 31, 2025.

Excess Contributions - The Plan undergoes an annual Actual Deferral Percentage test (ADP) that will show excess contributions, if any, made by Plan participants. Such contributions are to be distributed from the Plan to the respective participants. There were no excess contributions at December 31, 2025 or 2024. Excess contributions are recorded as an accrued liability on the statements of net assets available for benefits and will be refunded to the respective participants in the following Plan year.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Investment Options - Participants may direct contributions to any of the investment options offered by the Plan. The investment options include mutual funds at registered investment companies and a guaranteed investment contract. Fund allocation percentages may be changed by the participants at any time.

Participant Accounts - Each participant's account is credited with the participant's contribution and their portion of (a) the Company's safe harbor matching contribution and (b) allocation of Plan earnings. Additionally, participant's accounts are reduced by withdrawals and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants' contributions plus earnings are 100% vested immediately. Safe harbor matching contributions vest on a two-year cliff vesting schedule, where 100% vested after 2 years. Prior employer contributions are subject to a six-year graded vesting schedule at 20% per year, starting at the end of 2 years, where 100% vested at the end of 6 years.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's vested account. Notes receivable from participants, as of December 31, 2025 and 2024, have rates ranging from 4.25% to 9.5%. Principal and interest is paid ratably through payroll deductions and are reinvested in the participant accounts according to individual investment elections. The Plan had loans outstanding of \$530,931 and \$358,255 at December 31, 2025 and 2024, respectively.

Payment of Benefits - Upon normal retirement age, death, disability, or termination, a participant's benefit is payable in a lump-sum amount equal to 100% of the participant's vested account balance. The participant also has the option of transferring his or her vested interest to a personal retirement account. Hardship withdrawals are permitted in the Plan. Hardship withdrawals from the Plan are allowed up to a maximum of the vested portion of the participant's account balance.

Forfeited accounts - Any non-vested account balance after the distribution of a terminated participant's vested account balance is forfeited. Forfeitures of participants' non-vested account balances are used to reduce future Company contributions or to reduce administrative expenses of the Plan. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$37,759 and \$70,523, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See **NOTE D** for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Fees and expenses of the Plan are paid by the Company or the Plan as provided by the Plan document. For the year ended December 31, 2025, expenses paid by the Plan amounted to \$100,997. Investment fees and commissions are netted against the net appreciation in fair value of investments.

NOTE D - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

The financial statements are prepared in accordance with an accounting standard which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE D - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS - CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing quoted market price as reported by the fund. Mutual funds held in the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Fair Value Measurements at Reporting Date Using:				
Description	Total Value 12/31/2025	Level 1	Level 2	Level 3
Mutual funds	\$ 35,384,072	\$ 35,384,072	\$ -	\$ -
Total assets at fair value	\$ 35,384,072	\$ 35,384,072	\$ -	\$ -

Fair Value Measurements at Reporting Date Using:				
Description	Total Value 12/31/2024	Level 1	Level 2	Level 3
Mutual funds	\$ 28,694,410	\$ 28,694,410	\$ -	\$ -
Total assets at fair value	\$ 28,694,410	\$ 28,694,410	\$ -	\$ -

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOVELLE HEALTH, LLC 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE E - GROUP FIXED ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan held a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) totaling \$231,291 at December 31, 2025 and \$242,072 at December 31, 2024. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than three percent. The crediting rate is reviewed quarterly for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower. Such events include: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (e) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOVELLE HEALTH, LLC 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

NOTE G - TAX STATUS

The Plan is based on and has adopted the Florida Retirement Consultants (FRC) Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA plan. FRC received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service (the IRS), that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) for the Plan. The Company believes the Plan, as adopted and amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan's federal returns are generally open for examination for three years following the date filed.

NOTE H - RELATED PARTY TRANSACTIONS

Certain Plan investments are units of a cash equivalent account, group annuity contract or shares of mutual funds managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC., the trustee of the Plan. These transactions and notes receivable from participants qualify as party-in-interest transactions.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 18, 2026, which is the date the financial statements were available to be issued.
