CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS CONSULTANTS

Management and Board of Managers
Support Ninja Holdings, LLC and Subsidiaries
Austin, Texas

We have audited the consolidated financial statements of Support Ninja Holdings, LLC and Subsidiaries as of December 31, 2024 and for the year ended, and have issued our report thereon dated April 28, 2025. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 21, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used are described in Note 1 to the consolidated financial statements. There were no new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2024. We noted no transactions entered into during the year for which there was a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the consolidated financial statements in a different period than when the transaction occurred. There are no instances where we consider a significant accounting practice that is acceptable under the applicable financial reporting framework not to be most appropriate to the particular circumstances of Support Ninja Holdings, LLC and Subsidiaries.

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. There were no significant unusual transactions identified as a result of our audit procedures that were brought to the attention of management.

RubinBrown LLP is a member of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities.

Accounting estimates are an integral part of the consolidated financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the consolidated financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the consolidated financial statements were:

> Management's estimate of the allowance for credit losses is based on the aging of accounts receivable at year-end, customer history, and current conditions and reasonable and supportable forecasts. We evaluated the key factors and assumptions used to develop the allowance for credit losses in determining that it is reasonable in relation to the consolidated financial statements taken as a whole.

The disclosures to the consolidated financial statements are neutral, consistent, and clear. Certain financial statement disclosures can be particularly sensitive because of their significance to the users of the consolidated financial statements. The most sensitive disclosures affecting the consolidated financial statements are:

> The disclosure of the profit interests in Note 7 to the consolidated financial statements.

> The disclosure of income taxes in Note 9 to the consolidated financial statements.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditors' report. There were no circumstances that caused us to modify our auditors' report.

Matters Resulting in Consultation Outside the Engagement Team

There were no significant matters which resulted in consultation outside of our engagement team.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the consolidated financial statements as a whole. The uncorrected misstatement (including the current year effect of prior periods' uncorrected misstatements), in the aggregate decreased net loss by $5,967. Management has determined this uncorrected misstatement is not material, both individually and in the aggregate, to the consolidated financial statements taken as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period consolidated financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the consolidated financial statements currently under audit. The attached schedule summarizes uncorrected misstatements, including disclosures, of the consolidated financial statements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The attached schedule identifies misstatements that we identified as a result of our audit procedures that were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the consolidated financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the attached management representation letter.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to an entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Support Ninja Holdings, LLC and Subsidiaries' auditors. We discussed at length with both management and those charged with governance the settlement with a customer which was a result of data manipulation of customer reported metrics. It was concluded by both parties that these actions did not result in a material misstatement to the consolidated financial statements or represented fraudulent financial reporting results.

This information is intended solely for the information and use of the Board of Managers and management of Support Ninja Holdings, LLC and Subsidiaries and is not intended to be and should not be used by anyone other than these specified parties.
