### **Independent Auditor's Report**

To the Administrative Committee of  
the Innovative Care Management, Inc. 401(k) & Profit Sharing Plan  
Portland, Oregon

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of the Innovative Care Management, Inc. 401(k) & Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Innovative Care Management, Inc. 401(k) & Profit Sharing Plan  
Notes to the Financial Statements  
December 31, 2025

**Note 1 - Plan Description**

The following description of the Innovative Care Management, Inc. 401(k) & Profit Sharing Plan (the “Plan”) provides only general information. Participants of the Plan should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution 401(k) plan covering substantially all employees of Innovative Care Management, Inc. (the “Company” or “Employer”), who have completed 3 months of service and are age 18 or older, excluding employees covered by a collective bargaining agreement, nonresident aliens, leased employees, and residents of Puerto Rico. Entry into the Plan is permitted on the first day of the month immediately following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The initial effective date of the Plan was January 1, 2000 and the Plan was most recently amended and restated effective October 1, 2021. Marion Shipley is the trustee of the Plan.

Contributions: Unless they affirmatively elect otherwise, eligible participants will have their compensation reduced in accordance with an Automatic Contribution Arrangement (ACA), as defined by the Plan. Alternatively, participants may elect to contribute (through payroll withholding) an amount up to 100% of such participant’s compensation on a before-tax or after tax (Roth) basis for each payroll period, subject to an annual maximum dollar limitation of \$23,500 in 2025, as determined by government regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$7,500 in 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and certain IRAs (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer may make a discretionary matching contribution to the Plan. The Employer may also make other discretionary profit sharing contributions to the Plan. These contributions are called Nonelective Contributions and are allocated to the Participant’s account on the annual valuation date. Employees who have completed 1 year of service are eligible to receive Employer contributions. Contributions are subject to certain IRS limitations.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of the Company’s discretionary profit sharing contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in the Company’s discretionary nonelective contributions and discretionary matching contributions after one year of credited service.

Participants are also fully vested upon attaining Normal Retirement Age, or upon death or disability.

Innovative Care Management, Inc. 401(k) & Profit Sharing Plan  
Notes to the Financial Statements  
December 31, 2025

**Note 1 - Plan Description (continued)**

Forfeitures: Forfeited nonvested accounts will be used to reduce future Employer contributions or to pay Plan expenses. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled \$4 and \$13,018, respectively. Also, in 2024, employer contributions were reduced by \$13,068 from forfeited nonvested accounts.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Partial withdrawals and installments are only permitted to satisfy required minimum distribution requirements and are subject to a \$1,000 minimum. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. In-service distributions are permitted after attaining age 59 ½ or after incurring a financial hardship as stipulated in the Plan provisions.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance in their account during the prior 12 month period. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. A participant may only have one loan outstanding at a time unless one loan is a principal residence loan amortized for a period of greater than 5 years. The loan must be repaid within 5 years unless for the purchase of a principal residence (10 years). Principal and interest are paid ratably through monthly payroll deductions.

SECURE Act and CARES Act: On December 20, 2023, the IRS released Notice 2024-2, which extends the deadline for adopting any SECURE Act plan amendments until December 31, 2026, to provide relief for plan sponsors waiting for final IRS guidance on many of the SECURE Act's provisions. These amendments can be retroactively adopted; therefore, the Plan can implement the amendments prior to amending the plan instrument. Similarly, plans may have voluntarily adopted provisions under the CARES Act by placing them in operation without amending the plan as long as the plan management makes the required amendments to plan documents by December 31, 2026.

SECURE 2.0 Act of 2022: The SECURE 2.0 Act of 2022 ("SECURE 2.0 Act") was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the SECURE 2.0 Act generally need not be made until the end of the first plan year beginning on or after January 1, 2025; however, plans must be operated in accordance with the effective date of each new provision. There is no current impact to the Plan and these provisions did not have an impact on the financial statements. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Notes to the Financial Statements  
December 31, 2025

**Note 2 - Summary of Significant Accounting Policies**

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: If applicable, amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes to the Financial Statements  
December 31, 2025

**Note 3 – Certified Investment Information**

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and Standard Insurance Company, the custodian and contract holder of the Plan, respectively, qualified institutions.

**Note 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2     Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3     Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

**Note 4 – Fair Value Measurements (continued)**

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective Trusts:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Innovative Care Management, Inc. 401(k) & Profit Sharing Plan  
Notes to the Financial Statements  
December 31, 2025

**Note 5 – Guaranteed Investment Contract with Standard Insurance Company**

In 2025 and 2024, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard Insurance Company totaling \$170,335 for 2025 and \$170,889 for 2024. Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

**Note 6 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 7 - Tax Status**

The Plan uses a Non-Standardized Pre-Approved Profit Sharing Plan With CODA plan document sponsored by Standard Retirement Services Inc. Standard Retirement Services Inc. obtained an opinion letter on June 30, 2020 in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan With CODA plan document adopted by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risks and Uncertainties and Concentrations**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

As of December 31, 2025 and 2024, approximately 13%, 13%, 12%, and 11% (2025) and 13%, 10%, 12%, and 9% (2024) of the Plan’s assets were invested in Vanguard Target Retirement 2050 Fund, Vanguard Target Retirement 2040 Fund, Fidelity 500 Index Fund, and Vanguard Target Retirement 2045 Fund, respectively.

**Note 9 – Related-Party Transactions and Party-In-Interest Transactions**

Management believes that fees paid during the year for administrative, managerial, and recordkeeping services rendered by Reliance Trust Company, the custodian as defined by the Plan, Standard Insurance Company, the Plan’s insurance company, and The Standard, the recordkeeper as defined by the Plan, were based on customary and reasonable rates for such services. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered exempt party-in-interest transactions.
