INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
GSC Enterprises, Inc. 401(k) Plan
Sulphur Springs, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of GSC Enterprises, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of GSC Enterprises, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Ascensus Trust Company, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GSC Enterprises, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GSC Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher

than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GSC Enterprises, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GSC Enterprises, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule 1 - Supplemental Schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the

responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GSC ENTERPRISES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following description of the GSC Enterprises, Inc. 401k Plan (the Plan), provides only general information. The Plan is sponsored by GSC Enterprises, Inc. (Company). Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

1. General The Plan is a defined contribution 401(k) plan available to qualifying employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC), as amended.
2. Plan Trustee Ascensus, Inc. (Ascensus) is the record keeper and Ascensus Trust Company (Ascensus Trust) is the trustee of the Plan.
3. Eligibility Employees age 18 years or older and with 3 consecutive months of service are eligible to participate in the Plan. Employees may make their participation effective on the first day of the next quarterly enrollment period subsequent to their meeting these eligibility requirements.

Participation in the Plan as a contributing participant ceases upon termination of the participant's employment. However, if the participant's balance is over \$5,000, they may leave it in the Plan after employment ceases.

4. Contributions Participants may contribute up to 100% of their eligible annual compensation as defined in the Plan in the form of either pre-tax or Roth contributions, subject to the annual Federal limit of \$23,500 in 2025. Eligible participants age 50 or over may make additional catch-up contributions up to the statutory limit of \$7,500 in 2025. Eligible participants are automatically enrolled at a 3% contribution rate which may be declined at their discretion if they choose not to contribute to the Plan.

The Company provides discretionary matching contributions to the Plan. The discretionary matching contribution was 50% of the first 6% of each participant's deferral contribution for the 2025 plan year. Company matching contributions are funded semimonthly.

Combined Company and participant contributions may not exceed \$70,000 per participant in 2025 or \$77,000 for participants age 50 or older.

5. Vesting Participants are immediately vested in their voluntary and employer contributions plus actual earnings thereon.

GSC ENTERPRISES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

6. Participants' Accounts A participant's account is credited with the participant's contributions, Company matching contributions and allocations of investment earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Vested accounts of participants who had terminated employment with the Company totaled \$9,687,264 at December 31, 2025.
7. Payment of Benefits Upon termination of service due to death, disability, retirement or separation, a participant may elect to receive either a lump-sum distribution or installment payments under various options. In the event of death of the participant, the beneficiary shall receive a lump sum distribution. Lump sum distributions are allocated on all accounts of terminated participants that are less than \$5,000. The participant or designated beneficiary is entitled to receive benefits equal to the vested balance in the participant's account.
8. Forfeited Accounts Since participants are immediately vested in contributions to their account, there are no additional forfeited balances related to participant terminations.
9. Investment Options Upon enrollment in the Plan, a participant can direct their contributions in whole percent increments in any of the available investment options, including 30 mutual funds. Participants that do not make investment selections have their contributions invested in the Plan's default investment option which is a target retirement fund based on the participant's age. Employer matching contributions are invested in the same investment options and ratios as participant contributions.
10. Notes Receivable from Participants Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance invested in mutual funds, excluding Roth contributions. The maximum loan term is five years for general purpose loans but can be longer for housing loans. The loans are secured by the balance in the participant's account and bear interest at prime plus 2% (at December 31, 2025, interest rates ranged from 5.25% to 10.5%).

Principal and interest are repaid ratably through semimonthly payroll deductions and are invested in the same discretionary investment options that the participant has currently selected for their savings option. Outstanding loan balances due from terminated participants are considered distributions to the participant at the time of termination unless the balance is paid by the participant.
11. Hardship Distributions Participants may receive hardship distributions from their elected deferrals, plus earnings thereon, if they meet the Plan's and IRC's definition of having an immediate and serious financial need and have previously obtained all other available distributions.

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting The accompanying financial statements have been prepared under the accrual method of accounting in accordance with Generally Accepted Accounting Principles in the United States of America (GAAP).
2. Management Estimates Preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
3. Cash Noninterest bearing cash is a short-term holding account of cash soon to be allocated to funds or distributed to participants.
4. Contributions and Contribution Receivables Contributions are recorded on the accrual method of accounting. Contribution receivables are obligations arising from amounts owed to the Plan from participants or the Company.
5. Payment of Benefits Benefits are recorded when paid. Material excess 401(k) contributions unpaid at year-end are recorded as a payable. Excess contributions arise to comply with discrimination testing in accordance with IRC requirements. There was no excess contribution liability at December 31, 2025 or 2024.
6. Loans to Participants Notes receivable from participants are reported at their unpaid principal balance, plus any accrued but unpaid interest. Interest is recognized based on the underlying interest rate and outstanding balance of the note receivable.
7. Expenses of the Plan The Trustee is responsible for both the management and record keeping of the Plan's assets. Trustee administrative expenses, fees for the administration of distributions and participant loans, and investment advisory service fees are charged to specific participants' accounts and are included as a component of the Statement of Changes in Net Assets Available for Benefits. The accounts payable at year end represents administrative expenses due to service providers.
8. Risks and Uncertainties The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

9. Investment Valuation and Income Recognition Investments held by the Plan are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.
10. Unallocated Accounts
Unallocated accounts represent payments received by the plan but not allocated to participants as a result of miscellaneous funding adjustments. They are primarily invested in Target Retirement Funds until disposed. These funds are ultimately used to pay future expenses or employer contributions of the plan. At December 31, 2025 and December 31, 2024 the total value in unallocated accounts held in the plan was \$0 and \$8,637, respectively.
11. Accounting Standards Codification 820 Accounting Standards Codification (ASC) 820, *Fair Value Measurement and Disclosures*, (ASC 820), as amended, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:
- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; and |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable |

The fair value measurement level for an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan's policy is to transfer investments between the levels of the fair value hierarchy at the beginning of the year based upon changes to observable inputs that are significant to the overall fair value measurements.

C. UNAUDITED INFORMATION CERTIFIED BY TRUSTEE

For the years ended December 31, 2025 and 2024 the Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and supplemental schedule was certified to as complete and accurate by the trustee, Ascensus Trust, at December 31 and was not subjected to any auditing procedures.

	<u>2025</u>	<u>2024</u>
Investments, at fair value		
Mutual Funds	\$59,525,449	\$54,183,953
Notes Receivable from Participants	1,104,911	967,296
Total Investment Income	7,464,766	
Interest Income on Notes Receivable from Participants	96,824	

D. FAIR VALUE MEASUREMENTS

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

<u>Assets at Fair Value as of December 31, 2025</u>				
	Quoted Prices in Active Markets For Identical Assets <u>Level 1</u>	Significant Observable Inputs <u>Level 2</u>	Significant Unobservable Inputs <u>Level 3</u>	<u>Total</u>
Mutual Funds	\$59,525,449	--	--	\$59,525,449

<u>Assets at Fair Value as of December 31, 2024</u>				
	Quoted Prices in Active Markets For Identical Assets <u>Level 1</u>	Significant Observable Inputs <u>Level 2</u>	Significant Unobservable Inputs <u>Level 3</u>	<u>Total</u>
Mutual Funds	\$54,183,953	--	--	\$54,183,953

GSC ENTERPRISES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission, actively traded and valued at the daily closing net asset value (NAV) as reported by the investment manager. All of the Plan's mutual fund investments are classified within Level 1 of the fair value hierarchy. There have been no changes in the methodologies used at December 31, 2025. Some of the investment mutual funds have established restrictions on transfers in order to discourage frequent trading. These funds' restrictions allow one transfer every thirty days.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers between the fair value hierarchy levels during 2025.

E. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan sponsor, GSC Enterprises, Inc., absorbs certain general and administrative expenses for the Plan. Notes receivable from participants and the related interest income are considered related party transactions. In addition, certain fees paid to the third-party administrator and investment advisor are deemed to be party in interest transactions. These fees are reflected in the administrative expenses on the statement of changes in net assets available for benefits.

All of these party in interest transactions are exempt from prohibited transaction rules of ERISA.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will receive 100% of their account balance.

G. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the IRC, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted a prototype plan under the custodian who has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

The Plan's management has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan's management believes the Plan is no longer subject to audit for plan years prior to 2022.

H. SUBSEQUENT EVENT

Management has reviewed subsequent activity for potential disclosure through June 10, 2026 which is the date these financial statements were available to be issued.

I. QUALIFIED DOMESTIC RELATIONS ORDER

During the Plan year, a qualified domestic relations order (QDRO) was received by the Plan regarding a participant. During processing of the QDRO, \$8,569 was transferred from a participant's account to that participant's former spouse account in error. The Company is currently working with its third-party administrator to correct the balance plus lost earnings of the participant. As a result, the Plan has recorded a receivable and other employer contribution of \$8,569 on the statement of net assets available for benefits and the statement of changes of net assets available for benefits, respectively. Management believes their actions will properly correct the error by making the participant's account whole.
