INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Arglass V-F1, LLC 401(k) Retirement Savings Plan

Opinion on the 2024 Financial Statements

We have audited the accompanying financial statements of the Arglass V-F1, LLC 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Arglass V-F1, LLC 401(k) Retirement Savings Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Arglass V-F1, LLC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arglass V-F1, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Arglass V-F1, LLC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arglass V-F1, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions as of or for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Compiled 2023 Financial Statement

Plan management is responsible for the accompanying financial statement of Arglass V-F1, LLC 401(k) Retirement Savings Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement of Arglass V-F1, LLC 401(k) Retirement Savings Plan as of December 31, 2023.

ARGLASS V-F1, LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1

Description of Plan

The following description of the Arglass V-F1, LLC 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a safe-harbor defined contribution plan covering all eligible employees of Arglass V-F1, LLC (f/k/a Arglass Yamamura SE, LLC) (the "Company" or "Plan Sponsor"), who are at least 18 years old. Eligible employees may enter the Plan immediately following the date eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Amendments:

Effective May 8, 2024, the Plan was amended to modify the Plan name from Arglass Yamamura SE, LLC 401(k) Retirement Savings Plan to the Arglass V-F1, LLC 401(k) Retirement Savings Plan and to modify the Company name from Arglass Yamamura SE, LLC to Arglass V-F1, LLC.

Contributions:

Participants may elect to defer a portion of their compensation, subject to the maximum amount allowed by the Internal Revenue Code, and make a contribution to the Plan. Catch-up contributions are also allowed by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Plan automatically enrolls eligible participants at a rate equal to 3% of compensation, unless otherwise directed by the participant. This withholding will increase by one percent each subsequent year, starting with the second Plan Year (January 1 through December 31) beginning after the Plan Year in which the initial automatic enrollment occurred, until the automatic election reaches a maximum withholding contribution of 6% of compensation. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company provides a Qualified Automatic Contribution Arrangement (QACA) safe harbor match of 100% of each participant's deferral contributions not exceeding 1% of the participant's compensation, plus 50% of each participant's deferral contributions in excess of 1% but not in excess of 6% of the participant's compensation. Participants who are at least 18 years old are eligible for the QACA safe harbor match after 6 months of service.

Participant Accounts:

Each participant's account is credited with the participant's deferral and rollover contributions and allocations of the Company's contributions and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as applicable and defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ARGLASS V-F1, LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1

Description of Plan (Continued)

Notes Receivable from Participants:

Participants may borrow against their investment account balances a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. Generally, loans can be made for a period not exceeding five years; however, in certain circumstances, terms can be extended beyond five years, as defined by the Plan. The loans are collateralized by the vested balance in the participant's account and bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Vesting:

Participants are immediately 100% vested in their salary deferral contributions plus actual earnings thereon. Vesting in Company QACA safe harbor matching contributions made by the Company and associated earnings is based on years of service with the Company. A participant is fully vested in such Company contributions and associated earnings after two years of service.

Payment of Benefits:

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination of service, death or disability. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Forfeited Accounts:

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,178 and \$35,730 (unaudited), respectively. Forfeited accounts will be used to reduce Company contributions or pay administrative expenses. Forfeitures of \$40,680 were used to reduce Company contributions for the year ended December 31, 2024.

Note 2

Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

ARGLASS V-F1, LLC 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 2

Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Company personnel perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as plan expenses. Fees related to participant recordkeeping and specific participant transactions are charged directly to each participants' account and are included in administrative expenses.

Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid balance plus any accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 4

Income Tax Status

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the non-standardized profit-sharing plan with CODA adopted by the Plan, as then designated, qualifies under Section 401(a) of the IRC. The Plan administrator timely adopted the approved Plan. The Plan administrator believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

During a recent audit of the Plan, the Company discovered that the automatic enrollment and automatic escalation provisions required under the Plan document had not been properly implemented for the period spanning July 2020 to September 2023. The Plan Sponsor has engaged ERISA counsel to advise it with respect to the proper manner in which to correct this failure to operate the Plan in accordance with its terms. Corrections, taking the form of qualified nonelective contributions ("QNECs"), have commenced, with the Plan Sponsor allocating approximately \$123,000 in QNECs to affected participants' accounts in July 2024; the remaining amounts required to effectuate full correction in accordance with applicable Internal Revenue Service guidance are currently being calculated. The Company, in consultation with the Plan's third-party administrator and its ERISA counsel, is evaluating whether to file a Voluntary Correction Program ("VCP") submission with the Internal Revenue Service with respect to the corrective approach it has undertaken and will undertake to complete correction. The estimated total QNEC owed to the Plan, after giving effect to the QNEC contributions made in July 2024, ranges from \$102,255 to \$230,143 and from \$181,430 to \$311,617 (unaudited) as of December 31, 2024 and 2023, respectively. The estimated QNEC, reported, for financial accounting purposes, at the higher range, is reflected as a receivable in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2024 and 2023. Management has taken, and intends to take, appropriate corrective actions to maintain the Plan's tax-qualified status.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods.

Related Party Activity

Certain plan investments are investments managed by Fidelity Management & Research Company LLC ("Fidelity"). An affiliate of Fidelity, Fidelity Brokerage Services LLC, is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. EPIC Retirement Plan Services is the recordkeeper and third-party administrator of the Plan and received direct fees from the Plan totaling \$11,281 for these services. These transactions are exempt from being prohibited transactions under ERISA.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money market and interest-bearing cash: Money market funds and interest-bearing cash are reported at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as quoted by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7

Subsequent Events

Effective March 5, 2025, the Plan was amended to add Arglass V-F2, LLC as a participating employer. Effective April 1, 2025, the Plan was amended to modify the Plan name to Arglass 401(k) Retirement Savings Plan.

Subsequent events have been evaluated through August 17, 2026, which is the date the financial statements were available to be issued.

Note 8

Prohibited Transactions

During the years ended December 31, 2023, 2022, 2021 and 2020, the Company failed to remit to the Plan's trustee certain participant contributions and loan repayments totaling \$203,293 within the period prescribed by Department of Labor regulations. Consequently, the Plan is considered to have engaged in non-exempt transactions with a party-in-interest. The Company is in the process of determining the lost earnings on the participant contributions that were remitted late, doing so in accordance with applicable United States Department of Labor guidance, and intends to deposit such lost earnings into the affected participants' accounts as required under such guidance.
