Plan Administrator
CRG Global Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CRG Global Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CRG Global Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion (continued)

We are required to be independent of CRG Global Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CRG Global Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CRG Global Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CRG Global Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRG Global Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A – DESCRIPTION OF PLAN

The following description of the CRG Global Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the plan's provisions.

1. General

The Plan, which was established January 1, 1995, and subsequently amended and restated January 1, 2009 and on October 1, 2016, is classified as a defined contribution plan, covering all employees of CRG Global, Inc. and its subsidiaries (the "Company", "Employer" or "Plan Sponsor") who have attained 18 years of age and met the Plan's service requirements of three consecutive months for deferrals and one year of service and 1,000 hours of service for the match. After satisfying the age and service requirements, the participant will enter the Plan on the first of the next quarter that coincides or follows the date that such requirements are fulfilled.

In April 2020, certain provisions of the CARES Act relating to participant distributions and participant loans were enacted. The Plan implemented the provisions related to participant distributions and participant loans immediately. Under the comprehensive SECURE 2.0 Act, the Plan has until December 31, 2026, to formally adopt previously implemented CARES Act provisions as an amendment to the Plan.

2. Contributions

Each year, participants may contribute eligible, pre-tax annual compensation up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company contributes, at its discretion, 50% of the first 10% of eligible compensation that the participant contributes to the Plan, with a maximum of \$2,550 per eligible participants. Participants are eligible to receive the Company match after completing one year and 1,000 hours of service. Additional profit sharing amounts may be contributed to the Plan at the option of the Company's Board of Directors. For 2025, the Company's Board of Directors elected to make an additional profit sharing contribution of \$7,384 to the Plan.

3. Participant Accounts

Under the Plan, separate accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, Company matching contributions, Company profit sharing contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting rights in the Company contributions are based on years of continuous service. A participant begins to vest after two years of service at 20% per year until fully vested after six years. The Plan provides for the full vesting and distribution of a participant's account to the participant or beneficiary upon retirement, disability or death.

CRG Global Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A – DESCRIPTION OF PLAN (continued)

5. Investments

Upon enrollment in the Plan, a participant may direct their account balance among any of the Plan's investment options held at Mid Atlantic Trust Company, the trustee of the plan. Participants may change their investment options at any time with certain exceptions.

6. Benefits

Upon termination of employment, death or disability of the participant, benefit payments will be made based on Plan provisions and participant elections. Upon participant's termination of employment, the participant is entitled to receive a distribution of their entire vested interest. Certain hardship withdrawals are available if the participant meets Plan provisions.

7. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of vested account balance. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

8. Forfeited Accounts

If, at the time of termination of employment, the participant is not 100% vested, the non-vested portion of the participant's account will become a forfeiture. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$5,754 and \$7,834, respectively. Forfeitures can be used to pay certain plan expenses, reduce future employer contributions, or as an employer profit sharing contribution allocation to the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting whereby income is recognized when earned and expenses are recognized when incurred.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

5. Payment of Benefits

Benefits are recorded when paid.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

7. Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor. Contributions to the Plan are invested in certain individual investment programs as directed by each participant.

NOTE C – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CRG Global Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Cash: Money market funds valued at the daily closing price as reported by the fund.

Mutual funds: The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2025 and 2024, the Plan's participant-directed investments measured at fair value on a recurring basis by the fair value hierarchy levels described above are as follows:

Fair Value Measurements as of December 31, 2025				
Description	Level 1	Level 2	Level 3	Total
Cash	\$ 78,015	\$ -	\$ -	\$ 78,015
Mutual funds	16,837,448	-	-	16,837,448

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE D – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Mid Atlantic Trust, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31 and for the years then ended:

	2025	2024
Cash	\$ 78,015	\$ 51,728
Mutual funds, at fair value	16,837,448	14,217,638
Net appreciation in fair value of investments	2,233,754	N/A
Dividends	225,304	N/A
Interest on notes receivables from participants	12,422	N/A

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments at December 31, 2025 included shares of mutual funds managed by the record keeper which qualify as party-in-interest transactions. Fees paid by the Plan to record keeper, Paychex, Inc., for administration services were \$30,367 for the year ended December 31, 2025. Also, investment management fees were paid to Merrill Lynch Pierce Fenner & Smith and Mid Atlantic Trust Company for \$44,845 and \$960, respectively. The Plan sponsor also paid certain administrative expenses of the Plan that are not reflected in these financial statements.

NOTE F – TAX STATUS

The Plan has adopted a non-standardized form of a volume submitter prototype profit sharing plan with CODA sponsored by Paychex Inc. The volume submitter prototype plan has received an opinion letter, dated August 31, 2020, from the Internal Revenue Service (IRS) as to the volume submitter prototype plan's qualified status. The volume submitter prototype plan opinion letter has been relied upon by this plan. The Plan has been amended since receiving the letter. However, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the plan, and recognize a tax liability (or asset) if the plan has taken any uncertain tax positions that more likely than not would be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE I – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition or disclosure through July 14, 2026, which is the date the financial statements were available to be issued.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Administrator
CRG Global Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CRG Global Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CRG Global Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion (continued)

We are required to be independent of CRG Global Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CRG Global Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CRG Global Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CRG Global Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CRG Global Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A – DESCRIPTION OF PLAN

The following description of the CRG Global Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for a more complete description of the plan's provisions.

1. General

The Plan, which was established January 1, 1995, and subsequently amended and restated January 1, 2009 and on October 1, 2016, is classified as a defined contribution plan, covering all employees of CRG Global, Inc. and its subsidiaries (the "Company", "Employer" or "Plan Sponsor") who have attained 18 years of age and met the Plan's service requirements of three consecutive months for deferrals and one year of service and 1,000 hours of service for the match. After satisfying the age and service requirements, the participant will enter the Plan on the first of the next quarter that coincides or follows the date that such requirements are fulfilled.

In April 2020, certain provisions of the CARES Act relating to participant distributions and participant loans were enacted. The Plan implemented the provisions related to participant distributions and participant loans immediately. Under the comprehensive SECURE 2.0 Act, the Plan has until December 31, 2026, to formally adopt previously implemented CARES Act provisions as an amendment to the Plan.

2. Contributions

Each year, participants may contribute eligible, pre-tax annual compensation up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make additional catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company contributes, at its discretion, 50% of the first 10% of eligible compensation that the participant contributes to the Plan, with a maximum of \$2,550 per eligible participants. Participants are eligible to receive the Company match after completing one year and 1,000 hours of service. Additional profit sharing amounts may be contributed to the Plan at the option of the Company's Board of Directors. For 2025, the Company's Board of Directors elected to make an additional profit sharing contribution of \$7,384 to the Plan.

3. Participant Accounts

Under the Plan, separate accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, Company matching contributions, Company profit sharing contribution, if any, and Plan earnings. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting rights in the Company contributions are based on years of continuous service. A participant begins to vest after two years of service at 20% per year until fully vested after six years. The Plan provides for the full vesting and distribution of a participant's account to the participant or beneficiary upon retirement, disability or death.

CRG Global Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A – DESCRIPTION OF PLAN (continued)

5. Investments

Upon enrollment in the Plan, a participant may direct their account balance among any of the Plan's investment options held at Mid Atlantic Trust Company, the trustee of the plan. Participants may change their investment options at any time with certain exceptions.

6. Benefits

Upon termination of employment, death or disability of the participant, benefit payments will be made based on Plan provisions and participant elections. Upon participant's termination of employment, the participant is entitled to receive a distribution of their entire vested interest. Certain hardship withdrawals are available if the participant meets Plan provisions.

7. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of vested account balance. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

8. Forfeited Accounts

If, at the time of termination of employment, the participant is not 100% vested, the non-vested portion of the participant's account will become a forfeiture. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$5,754 and \$7,834, respectively. Forfeitures can be used to pay certain plan expenses, reduce future employer contributions, or as an employer profit sharing contribution allocation to the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting whereby income is recognized when earned and expenses are recognized when incurred.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

5. Payment of Benefits

Benefits are recorded when paid.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

7. Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor. Contributions to the Plan are invested in certain individual investment programs as directed by each participant.

NOTE C – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Cash: Money market funds valued at the daily closing price as reported by the fund.

Mutual funds: The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2025 and 2024, the Plan's participant-directed investments measured at fair value on a recurring basis by the fair value hierarchy levels described above are as follows:

Fair Value Measurements as of December 31, 2025				
Description	Level 1	Level 2	Level 3	Total
Cash	\$ 78,015	\$ -	\$ -	\$ 78,015

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE D – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Mid Atlantic Trust, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31 and for the years then ended:

	2025	2024
Cash	\$ 78,015	\$ 51,728
Mutual funds, at fair value	16,837,448	14,217,638
Net appreciation in fair value of investments	2,233,754	N/A
Dividends	225,304	N/A
Interest on notes receivables from participants	12,422	N/A

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments at December 31, 2025 included shares of mutual funds managed by the record keeper which qualify as party-in-interest transactions. Fees paid by the Plan to record keeper, Paychex, Inc., for administration services were \$30,367 for the year ended December 31, 2025. Also, investment management fees were paid to Merrill Lynch Pierce Fenner & Smith and Mid Atlantic Trust Company for \$44,845 and \$960, respectively. The Plan sponsor also paid certain administrative expenses of the Plan that are not reflected in these financial statements.

NOTE F – TAX STATUS

The Plan has adopted a non-standardized form of a volume submitter prototype profit sharing plan with CODA sponsored by Paychex Inc. The volume submitter prototype plan has received an opinion letter, dated August 31, 2020, from the Internal Revenue Service (IRS) as to the volume submitter prototype plan's qualified status. The volume submitter prototype plan opinion letter has been relied upon by this plan. The Plan has been amended since receiving the letter. However, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the plan, and recognize a tax liability (or asset) if the plan has taken any uncertain tax positions that more likely than not would be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE I – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition or disclosure through July 14, 2026, which is the date the financial statements were available to be issued.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
