Independent Auditors' Report

To the Participants and Plan Administrator of
OrthoAlliance 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the OrthoAlliance 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a, Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan

The following description of the OrthoAlliance 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by OrthoAlliance MSO, LLC ("the Company"). Employees who are age twenty-one and have completed 90 days of service are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Voya Retirement Insurance and Annuity Company is the custodian of the Plan ("the Custodian").

Effective November 1, 2024, the Company delegated its rights and responsibilities as plan administrator, except with respect to plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee ("Plan Administrator"). The Company delegated its rights and responsibilities for investment authority and oversight of the Plan's assets to the UnitedHealth Group Employee Benefits Plans Investment Committee ("Investment Committee"). The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). The Plan allows participants to contribute up to 100% of their eligible pay. Participant contributions include pretax deferrals, Roth deferrals, and rollover contributions. Eligible employees are automatically enrolled in the Plan as soon as administratively feasible after satisfying eligibility requirements at an employee pretax contribution rate of 4% of their eligible pay, unless they opt out within a prescribed time limit or elect a different pretax and/or Roth contribution rate. The Plan provides for automatic employee pretax contribution rate increases by 1% until the participant's combined pretax and/or Roth contribution rate reaches 10%. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company makes a safe harbor nonelective contribution of at least 3% of the participant's compensation, as defined in the Plan document. The Company may also make a discretionary matching contribution and discretionary profit-sharing contribution to be distributed among eligible participants based on allocations determined by the Company, within limitations as determined by the Code. Participants who have completed one year of service are eligible for employer contributions to the Plan, starting January 1st or July 1st of the plan year after satisfying eligibility requirements. For the year ended December 31, 2025, the discretionary matching contribution was equivalent to 25% of the first 4% of eligible compensation. The total discretionary matching contribution for the year ended December 31, 2025 is \$1,642,313.

Subsequent to December 31, 2025, the Company made discretionary profit-sharing contributions of \$9,646,243, safe harbor nonelective contributions of \$5,002,512, and discretionary matching contributions of \$356,181 for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, rollover contributions, the Company's safe harbor nonelective contributions, discretionary matching contributions, discretionary profit-sharing contributions, and a pro rata allocation of the plan's earnings or losses (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OrthoAlliance 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, safe harbor nonelective contributions, and earnings thereon. Employer discretionary match and profit-sharing contributions, if any, vest in accordance with provisions of the Plan as follows:

All participants previously employed by Orthopaedic & Neurological Consultants, Inc. and hired by the Company on June 2, 2022 shall be subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2	20%
3	40%
4	67%
5	100%

All other participants shall be subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notwithstanding the vesting schedule above, employer discretionary match and profit sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Company: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions, a termination from employment as a result of certain corporate transactions or an acceleration date, as defined in the Plan document.

Forfeited Accounts

As of December 31, 2025 and 2024, forfeited nonvested accounts totaled \$252,186 and \$134,750, respectively. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses. During the year ended December 31, 2025, \$185,084 was used to reduce employer contributions for the Plan.

OrthoAlliance 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 1 - Description of the Plan (cont.)

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment as defined in the Plan document. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum, periodic installments, or single premium annuity contract. Plan provisions require qualified joint and survivor annuity unless elected out. However, if a participant's account balance is valued at or less than \$1,000, it is distributed as soon as administratively practicable, without an application for distribution, in cash as a direct distribution to the participant. If the vested account balance exceeds \$1,000 but is less than \$7,000, the balance will be rolled over into an Individual Retirement Account ("IRA") designated by the Company, unless the participant requests that the amount be distributed. With Plan Administrator approval, participants may withdraw all or part of their employee contributions in the event of financial hardship.

There are no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2025 and 2024.

Notes Receivable from Participants

The Plan does not allow participants to borrow from their vested accounts. The amount reported in the Statement of Net Assets Available for Benefits represents participant loan balances that were merged into the Plan. These loans are secured by the balance in the participant's account and bear interest based on the rate from the loan transferred into the Plan. Principal and interest is paid ratably through payroll deductions.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investment income includes the gains and losses on investments bought and sold as well as held during the year.

OrthoAlliance 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Contributions

Contributions from plan participants and the employer contributions are recorded in the year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through August 14, 2026, the date the financial statements were approved and available to be issued. Effective April 12, 2026, participants became 100% vested in all contributions and all employees were integrated to either Surgical Care Affiliates, LLC Retirement Investment Plan or ASC PEO, LLC Retirement Investment Plan.

NOTE 3 - Information Prepared and Certified by Custodian

Certain information related to investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by the Custodian.

OrthoAlliance 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

NOTE 4 - Fair Value of Financial Instruments (cont.)

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2025 and 2024, respectively.

	December 31, 2025			
	Total	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 263,237,750	\$ -	\$ 263,237,750	\$ -
Total investments at fair value	\$ 263,237,750	\$ -	\$ 263,237,750	\$ -

	December 31, 2024			
	Total	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 213,469,669	\$ -	\$ 213,469,669	\$ -
Total investments at fair value	\$ 213,469,669	\$ -	\$ 213,469,669	\$ -

NOTE 5 - Fully Benefit-Responsive Investment Contracts

The Plan holds a traditional investment contract. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the contract value for the investment contract held by the Plan.

	2025	2024
Traditional investment contract	\$ 5,288,564	\$ 4,422,773

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent. The crediting rate is reviewed on an annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 5 - Fully Benefit-Responsive Investment Contracts (cont.)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - Related Party and Party-in-interest Transaction

Certain of the Plan's investments are managed by the Custodian and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan does not issue new loans to participants, the existing loans were transferred from another plan and are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - Tax Status

The Plan uses a non-standardized pre-approved plan document sponsored by Katz Teller Brant & Hild. The pre-approved plan sponsor received an opinion letter from the IRS, dated June 30, 2020, which states the pre-approved document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the Code, and therefore believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2025 and 2024, the Plan had investments of \$74,102,433 concentrated in two investments and \$82,184,911 concentrated in three investments, respectively, that each accounted for more than 10% of plan investments.

NOTE 10 – Delinquent Participant Contributions

For the years ended December 31, 2024 and 2023, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled \$1,930,966 were corrected during 2025. Additionally, the Company has compensated participants for lost earnings resulting from the delay in contributions.

NOTE 11 - Form 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>
