Independent Auditor's Report

To the Plan Administrator of the East Cambridge Savings Bank 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of East Cambridge Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the East Cambridge Savings Bank 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and Plan Document for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of East Cambridge Savings Bank (the “Bank”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Empower Annuity Insurance Company of America ("Empower") is the custodian of the Plan.

All assets acquired under this Plan as a result of participant and Bank contributions, income and other additions will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan. The Plan is administered by the Bank for the exclusive benefit of participants in the Plan and their beneficiaries. The Plan assets are invested in various investment options offered by the Plan.

Participation and Bank Contributions

To become eligible for participation, an employee must be at least age 21 and must have completed three months of service. The employee will become a Participant in the Plan on the first day of the payroll period coinciding with or next following the date on which an employee meets the eligibility requirements. Interns and other temporary employees with less than 12 months of service are ineligible to participate in the Plan. Upon reaching retirement age, a Participant can direct distribution of balances under several options described by the Plan Document.

Participants may elect to contribute between one and seventy-five percent of their compensation on a pretax basis subject to maximum annual limits. If an employee does not complete a salary deferral agreement prior to becoming eligible to make salary deferrals, 3% of the employee’s compensation will be withheld each pay period and will be contributed to the Plan as a salary deferral. The auto enrollment deferral percentage will increase by 1% each year, up to a maximum of 10% of compensation. The first automatic increase occurs at the beginning of the second full Plan year following the Plan year in which automatic contributions begin under the Plan. In addition, Roth salary deferrals are permitted under the Plan and deducted from employee compensation on a post-tax basis.

See independent auditor’s report.

East Cambridge Savings Bank 401(k) Plan

Employees may enter into a salary deferral agreement at any time to select an alternative deferral amount or elect not to defer under the Plan. Participants may change their investment options and/or elective deferrals during the year and these changes will become effective at the beginning of the next payroll period.

The Bank matches 100% of employee contributions up to the first 3% of compensation, and then 50% of employee contributions up to the next 3% of compensation. During 2025 and 2024, the Bank made discretionary nonelective contributions to eligible employees (employed on the last day of the Plan year unless that employee was disabled, died, attained normal or early retirement age during the Plan year).

An employee, whether or not an active participant may, with permission of the Plan Administrator, contribute to the Plan their distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover. Any rollover contributions are fully vested and nonforfeitable.

Participant Accounts

Each participant's account is credited with the participant's contributions and Bank matching and discretionary nonelective contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times 100% vested in their own contributions to the Plan. Bank matching and nonelective contributions will be 100% vested after one year of service.

Plan Termination

Although it has not expressed any intent to do so, the Bank has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts.

Notes Receivable from Participants

Loans may be made to Participants when directed by the Plan Administrator upon request by the Participant. Each loan shall bear interest at the prime rate, as published in the Wall Street Journal on the last day of the previous month prior to the origination of the loan, plus one percentage point. Interest and principal are repaid and credited to the Participant's account based on their current investment choices.

The maximum loan amount is one half of the Participant's vested 401(k) account balance, not to exceed \$50,000. The minimum loan amount is \$1,000. Loans are repayable over a period of up to five years, unless such loan is used to acquire a principal residence of the participant in which case the term may be extended to a maximum of 20 years.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Effective January 1, 2017, the Plan Administrator amended the Plan to reduce permitted participant notes receivable outstanding, at any time, from 2 to 1. This amendment did not require the acceleration of any existing participant notes receivable outstanding.

Distributions

Participants who retire, become disabled, or die will be entitled to 100% of their account balance. The Plan provides for normal retirement at age 65 and also provides an election for a pre-retirement distribution upon reaching age 59½. Upon termination of employment for any reason other than retirement, disability, or death, the Participant shall be entitled to receive the vested amount of their account. Participants may withdraw vested contributions in the case of financial hardship, subject to consent of the Plan Administrator.

Investment Options

Participants may direct the investment of their deferrals and any employer matching contributions to any investment funds offered by the Plan through Empower. Earnings in these funds and/or market gains or losses are reflected in their changing unit values or returns.

Forfeitures

Forfeitures may be used to reduce the Bank's matching contributions to the Plan. Employer contributions were reduced by \$5,701 and \$5,773 from forfeited non-vested accounts for the years ended December 31, 2025 and 2024, respectively. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$43,629 and \$22,873, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments

Benefits are recorded when paid.

East Cambridge Savings Bank 401(k) Plan

Investment Valuation and Income Recognition

Investments are reported at fair value utilizing information provided by the Plan's investment advisers and custodians. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's investment in the Guaranteed Interest Account, which is a fully benefit-responsive investment contract, is reported at contract value based on information reported by Empower.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Contributions

Contributions from Plan participants and the matching contributions from the Bank are recorded in the year in which the employee contributions are withheld from compensation.

Administrative Expenses

Substantially all administrative costs of the Plan were paid by the Bank for the years ended December 31, 2025 and 2024, except for loan set up fees and processing of distributions. Investment related expenses are included in net appreciation of fair value of investments.

East Cambridge Savings Bank 401(k) Plan

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, other income, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively “Empower”), qualified institutions.

Empower also certified the information included in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment’s level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan’s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

See independent auditor’s report.

East Cambridge Savings Bank 401(k) Plan

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis as of December 31, 2025 are as follows:

	December 31, 2025			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 22,524,792	\$ -	\$ -	\$ 22,524,792
Total investments at fair value	\$ 22,524,792	\$ -	\$ -	\$ 22,524,792

Assets measured at fair value on a recurring basis as of December 31, 2024 are as follows:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 21,399,289	\$ -	\$ -	\$ 21,399,289
Total investments at fair value	\$ 21,399,289	\$ -	\$ -	\$ 21,399,289

5. GUARANTEED INTEREST ACCOUNT

The Plan has entered into a fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company which maintains the contributions in a separate account. The traditional investment contract is reflected in the financial statements at contract value as reported to the Plan by Empower.

Since the guaranteed investment contract meets the fully benefit-responsive investment contract criteria, contract value is the relevant measure. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus credited interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a methodology agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement except under certain circumstances outlined in the contract.

6. TAX STATUS OF THE PLAN

The Plan is one of the plans administered by Empower Retirement, LLC which has been approved by the Internal Revenue Service ("IRS"). The Plan has been amended since receiving the determination letter, including the adoption of the Empower Retirement, LLC adoption agreement nonstandardized defined contribution pre-approved plan. The IRS has determined and notified Empower Retirement, LLC by a letter dated November 14, 2022 that the form of the plan is acceptable under section 401 of the Code for use by employers for the benefit of their employees. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, they believe that the Plan was qualified as of the financial statements date, and no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2022.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RELATED-PARTY TRANSACTIONS

Plan investments consist of mutual funds and investment contracts of Empower. Empower is the recordkeeper and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. For the Plan years ended December 31, 2025 and 2024, administrative expenses paid to Empower amounted to \$19,652 and \$38,342, respectively.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 22, 2026, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
