INDEPENDENT AUDITORS' REPORT

Plan Administrator
FOSS North America, Inc. 401(k) Savings Plan
Eden Prairie, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of FOSS North America, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FOSS North America, Inc. 401(k) Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FOSS North America, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FOSS North America, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FOSS North America, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about FOSS North America, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agreed to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOSS NORTH AMERICA, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of FOSS North America, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering substantially all employees of FOSS North America, Inc. (the Company) who have one month of service and are age 21 or older. Collectively bargained and leased employees are not eligible to participate in the Plan. Participants will enter the deferral portion of the Plan upon the first day of each quarter, provided participants meet the age requirement. Participants must complete one month of service and meet the age requirement to enter the employer contribution portion of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees the governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year participants may contribute up to 100% of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Company contributes 50% of the first 6% of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. For the year ended December 31, 2025, the Board approved profit sharing employer contributions of 5% of eligible compensation. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 4 years of credited service. A participant will also become 100% vested due to death, or permanent or total disability.

FOSS NORTH AMERICA, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.5%, which are commensurate with local prevailing rates as determined on the first business day of the month the loan originated and is set at 2% above the prime rate by the plan administrator. Principal and interest is paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments for a specific number of years not to exceed the life expectancy of the participant or beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the terminated participant's account balance does not exceed \$7,000, the vested account balance will be automatically paid out in a single lump sum payment.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$407,767 and \$45,382, respectively. These accounts are used to reduce the Plan's administrative expenses and then to reduce future employer contributions. In 2025, the Company prefunded the forfeiture account in the amount of \$352,351, with residual assets remaining in a terminated plan, as a qualified replacement plan for the surplus assets. In 2025, \$352,351 of the prefunded assets were used against employer contributions. Also in 2025, \$71,778 of forfeited nonvested accounts were applied to administrative fees or reduced employer contributions.

Expense Budget Account

The Plan uses an Expense Budget Account (EBA). Annual EBA credits ranging from 0.10% to 0.55% of total assets as defined in the EBA agreement were applied quarterly. At the discretion of the Plan fiduciary, these credits can be used to pay reasonable administrative expenses of the Plan or can be distributed to Plan participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Contributions Received and Receivable

Contributions from the Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

FOSS NORTH AMERICA, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025, or 2024. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The FOSS North America, Inc. 401(k) Savings Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. All remaining trustee, recordkeeping, and investment management expenses are paid by the Plan. Investment related expenses are included in the net appreciation/depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 22, 2026, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation/depreciation in fair value of investments, interest, and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information supplied, certified as complete and accurate by Capital Bank and Trust Company.

FOSS NORTH AMERICA, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The investment committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - Observable inputs such as unadjusted quoted prices in active markets and have the highest priority,

Level 2 - Observable inputs, other than quoted prices in active markets, which are observable either directly or indirectly; and,

Level 3 - Unobservable inputs where there is little or no market data, which requires the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Following is a description of the valuation methodologies used for assets that are measured at Net Asset Value (NAV) as the practical expedient to estimate fair value and are aggregated in the fair value hierarchy are as follows:

Common Collective Trust Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practicable expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the report NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by Level, with the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Description	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 29,777,749	\$ –	\$ –	\$ 29,777,749
Total Assets in the Fair Value Hierarchy	29,777,749	–	–	29,777,749
Investments Measured at Net Asset Value (a)				847,917
Total Assets at Fair Value	\$ 29,777,749	\$ –	\$ –	\$ 30,625,666

Description	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 26,464,472	\$ –	\$ –	\$ 26,464,472
Total Assets in the Fair Value Hierarchy	26,464,472	–	–	26,464,472
Investments Measured at Net Asset Value (a)				724,920
Total Assets at Fair Value	\$ 26,464,472	\$ –	\$ –	\$ 27,189,392

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair Value of Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent, Net Unit Value)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively.

Description	2025			
	Fair Value	Unfounded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust Funds	\$ 847,917	None	Daily	None

Description	2024			
	Fair Value	Unfounded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust Funds	\$ 724,920	None	Daily	None

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation/depreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

FOSS NORTH AMERICA, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Capital Bank and Trust Company (the trustee and custodian) and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation/depreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. As described in Note 2, the Plan made direct payments of \$62,645 which were not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 - TAX STATUS

The Plan uses a Volume Submitter Profit Sharing Plan document sponsored by Capital Bank and Trust. Capital Bank and Trust received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The plan document has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (asset) if the plan has taken uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
