## Report of Independent Auditors

To the Board of Directors of the  
Upper Peninsula Health Plan 401(k) Profit Sharing Plan  
Marquette, Michigan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Upper Peninsula Health Plan 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Upper Peninsula Health Plan 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Upper Peninsula Health Plan 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Upper Peninsula Health Plan 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Upper Peninsula Health Plan 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Upper Peninsula Health Plan 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Upper Peninsula Health Plan 401(k) Profit Sharing Plan

## Notes to Financial Statements

December 31, 2025

### **1. Description of Plan**

The following description of the Upper Peninsula Health Plan 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

#### **General**

The Plan is a defined contribution plan covering substantially all employees of Upper Peninsula Managed Care, LLC (the Employer or Plan Sponsor), who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Eligibility**

Employees that are age 21 and over are eligible to participate in the Plan after 3 months of service. Union employees, non-resident aliens, residents of Puerto Rico, student employees, interns, and temporary employees are excluded from the Plan.

#### **Contributions**

Each year, participants may elect to contribute up to 100% of their compensation, not to exceed the maximum contribution allowable by the Internal Revenue Code (IRC) adjusted annually for the cost-of-living changes. There is no minimum elective deferral limit for the Plan. Rollover contributions are allowed by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. The Plan also allows Roth deferrals.

The Employer makes safe harbor nonelective contributions for eligible participants (equal to 3% of eligible compensation) to the Plan.

The Employer may make discretionary matching contributions to the Plan. The Employer made no discretionary matching contributions in 2025 or 2024.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options and transfer between funds as desired.

### **1. Description of Plan (continued)**

#### **Participant Accounts**

Each participant's account is credited with the participant's contribution, the Employer's safe harbor nonelective contribution, and allocations of Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms may be up to five years, or up to fifteen years if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and shall be charged an annual prevailing rate of interest to be fixed by the Plan administrators at the time the loan is written. Principal and interest will be repaid at the same intervals as the participant's regular payroll by means of a payroll deduction.

#### **Vesting**

Participants are immediately vested in their voluntary contributions, rollover contributions, and the Employer's safe harbor nonelective contributions, plus actual earnings thereon. Participants are 100% vested in Employer discretionary matching contributions after three years of service.

#### **Payment of Benefits**

Plan participants are eligible to receive distributions on the later of reaching retirement age of 65 (early retirement at age 55) or after the participant's third anniversary of participation in the Plan. Hardship withdrawals are allowed to pay certain qualifying expenses as defined in the Plan document. In addition, upon separation of employment, because of death, disability, or for other reasons, participants receive their benefits as a lump-sum payment or an installation option if subject to lifetime required minimum distributions. Upon termination of employment, a participant is entitled to receive a distribution of a lump sum amount equal to the value of the participant's vested interest. If the participant's vested account balance is greater than \$5,000 at termination, the participant may request a lump sum payment, unless subject to required minimum distributions, in which case an installment election is available. If the participant's vested account balance is less than \$5,000, a distribution will be made to the participant as soon as administratively feasible following termination of employment. Participants are allowed to withdraw participant balances prior to termination of their employment under certain conditions specified in the Plan.

### **1. Description of Plan (continued)**

#### **Forfeited Accounts**

Forfeitures of employer contributions shall be used to reduce the employer's contributions or reduce administrative expenses under the Plan. As of December 31, 2025 and 2024, there were no forfeited nonvested accounts and no amounts were used to reduce contributions or expenses in 2025 or 2024.

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### **Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

### **2. Summary of Significant Accounting Policies (continued)**

#### **Fair Value Measurements (continued)**

For the years ended December 31, 2025 and 2024, the application of valuation techniques applied to similar assets and liabilities has been consistent.

#### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan for these services. Certain administrative costs of the Plan are paid by the Plan Sponsor and are not included in these financial statements. Additionally, certain administrative expenses were paid by the Plan and are reflected in the accompanying financial statements.

#### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management of the Plan to make estimates and judgments that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from estimated amounts.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

## Notes to Financial Statements

December 31, 2025

### **2. Summary of Significant Accounting Policies (continued)**

#### **Subsequent Events**

The Plan has evaluated subsequent events through July 22, 2026, the date which the financial statements were available to be issued.

### **3. Risk and Uncertainties**

The Plan invests in various investment securities. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and long-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **4. Income Tax Status**

The Plan has adopted an Alerus Financial, N.A., volume submitter plan. Alerus Financial, N.A., received an Internal Revenue Service (IRS) opinion letter for the volume submitter plan on June 30, 2020, stating that the language of the volume submitter plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Although the Plan has been amended and restated since the date of the opinion letter, the Plan administrators believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income tax is included in the accompanying financial statements.

Generally, tax years 2022 through current year remain open to examination. The Plan does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.

### **5. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

### **6. Transactions with Parties-In-Interest**

A party-in-interest is defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, auditors, and certain others. Certain Plan investments are shares of collective funds managed by Alerus Financial, N.A., the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustee for investment management and recordkeeping services amounted to \$17,612 for the year ended December 31, 2025 and \$17,889 for the year ended December 31, 2024. Fees are net of revenue sharing arrangements the Plan participates in with the trustee. Notes receivable from participants are also considered party-in-interest transactions.

### **7. Financial Information Certified by the Trustee – Unaudited**

The Plan's financial information and data was certified by the trustee, Alerus Financial, N.A., in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the investment balances, notes receivable from participants' balances, interest, dividends, and net appreciation (depreciation) in fair value of investments included in the financial statements and supplemental schedule were obtained from data that has been prepared and certified as complete and accurate by the trustee. This certified information has not been audited by independent auditors.

### **8. Fair Value Measurements**

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* The fair value of mutual funds is based on quoted net asset values (NAV) of the shares, as reported by the fund. The mutual funds held by the Plan have quoted prices and are considered actively traded.

*Common collective funds:* The fair value of the common collective funds is determined by each fund's trustee, based on the fair value of the underlying securities within the fund, which represent the NAV of shares held by the Plan at year end, as a practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### 8. Fair Value Measurements (continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, with the exception of the common collective trust funds measured at fair value using the NAV practical expedient. The fair values for the common collective trust funds are provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. There are no unfunded commitments or restrictions related to the common collective trust funds.
