(1) Name: **PKF O'CONNOR DAVIES, LLP**

(2) EIN: **27-1728945**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒

Independent Auditors' Report

**To Plan Administrator of
Bunkhouse Management LLC 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Bunkhouse Management LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. As described in Note 1, the Plan was terminated during 2024 and the financial statements as of December 31, 2024 and for the year then ended have been prepared on the liquidation basis of accounting. Accordingly, the financial statements are not intended to present the financial position and changes in net assets available for benefits of the Plan on a going concern basis. The financial statements as of December 31, 2023 were prepared on the accrual basis of accounting for an ongoing plan. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 and (2) Schedule H, Part IV - Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (*continued*)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bunkhouse Management LLC 401(k) Plan

Notes to Financial Statements

December 31, 2024

1. Description of Plan

The following brief description of Bunkhouse Management LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to all full eligible employees of Bunkhouse Management LLC (the “Plan Sponsor”). The Plan is a qualified retirement plan with a salary deferral feature under the provisions of the Internal Revenue Code (“IRC”) sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC. The Plan was established on January 1, 2009.

On September 13, 2024, the governing body of Bunkhouse Management, LLC (the “Company”) approved a resolution to terminate the Bunkhouse Management, LLC 401(k) Plan (the “Plan”), effective immediately prior to the closing of the sale of the Company pursuant to an Equity Purchase Agreement dated August 20, 2024. The termination of the Plan was contingent upon the closing of the transaction, after which the Plan ceased ongoing operations.

In connection with the termination, participant contributions ceased as of the final payroll period prior to the termination date, all participants became fully vested in their account balances, and the Plan began the process of distributing all assets to participants and beneficiaries as soon as administratively practicable. Certain Plan assets, including participant loans, were transferred to another qualified retirement plan through direct rollovers.

Under the IRC, participants are not liable for federal income taxes on pre-tax employee contributions, Plan Sponsor contributions or Plan earnings until such time as they are partially or completely withdrawn from the Plan.

Eligibility

All employees of the Plan Sponsor are eligible for Plan participation and may enter the Plan provided that they are over 21 years of age and have completed three months of service. Certain nonresident aliens, seasonal employees and employees covered by a collective bargaining agreement are not eligible to participate in the Plan.

Assets Held for Investment

All Plan assets are held with Alerus Financial N. A. (“Alerus”). Alerus acts as the Trustee over all of the Plan’s assets. The Plan Sponsor acts as the administrator of the Plan.

1. Description of Plan (*continued*)

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options.

Participants should refer to each fund's prospectus for a more complete description of the risks associated with each fund.

Contributions

Eligible employees may contribute up to 90% of their eligible compensation, including Roth elective deferrals, as applicable, up to the annual limit determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

A participant may elect to increase, decrease or suspend deductions according to procedures established by the Plan Sponsor. The minimum percentage of eligible compensation a participant may elect to defer is 1%.

The Plan Sponsor makes discretionary employer matching contributions equal to 50% of the first 4% of contributed compensation. The Plan Sponsor may also make a discretionary employer profit sharing contribution, which is shared on a pro rata basis among all eligible employees who complete at least 501 hours of service. This allocation is based on each participant's eligible compensation compared to total eligible compensation. The Plan Sponsor did not elect to make an employer profit sharing contribution for the year ended December 31, 2024.

Vesting

Upon entrance into the Plan, participants are 100 percent vested in their voluntary contributions. The matching and nonelective contributions vest as follows:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1 year	0%
At least 1 year, but less than 2	25%
At least 2 years, but less than 3	50%
At least 3 years, but less than 4	75%
4 years or more	100%

Notes to Financial Statements

December 31, 2024

1. Description of Plan (*continued*)

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce Plan Sponsor contributions or Plan expenses. At December 31, 2024 and 2023, forfeited non-vested accounts amounted to \$18,625 and \$29,129, respectively. The Plan Sponsor utilized \$6,127 from the forfeiture account during the year ended December 31, 2024 to reduce Plan expenses.

Participant Accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of Plan Sponsor contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Payment of Benefits

Benefits are paid upon retirement, death, disability, or termination of employment. Upon termination of service, a participant who is not 100% vested will receive a distribution of the vested portion of his or her account balance. The non-vested portion of their account will be forfeited when the distribution is made. Participants who terminate employment and are 0% vested must take a distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

A participant may apply to the Plan Administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Plan Sponsor's medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence or burial or funeral expenses for the participant's parent, spouse, children or dependents.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Principal and interest is paid ratably through monthly payroll deductions over a period of time not to exceed five years.

1. Description of Plan (*continued*)

Notes Receivable from Participants (continued)

If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan Administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. Delinquent participant loans are classified as distributions based upon the terms of the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on different bases of accounting for the periods presented as follows:

As a result of the approved plan termination and the initiation of the Plan's liquidation, the statement of net assets available for benefits as of December 31, 2024 and the related statement of changes in net assets available for benefits for the year then ended have been prepared using the liquidation basis of accounting. Under this basis, assets are measured at their estimated net realizable value and liabilities are measured at the amount expected to be settled during the liquidation process. The financial statements reflect management's estimate of net assets available for benefits in liquidation, which may differ from amounts ultimately distributed.

The statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP") applicable to ongoing employee benefit plans.

Use of Estimates

In conformity with US GAAP, the Plan's management makes estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent net assets available for benefits at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements (continued)

Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2024 and 2023, all of the Plan's investments that were valued at fair value, were valued using level 1 inputs and consisted solely of mutual funds.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year as well those held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are classified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Plan's recordkeeping fees expenses related to the notes receivable from participants (setup and maintenance fees) are charged to the individual participant's account, and all other administrative expenses incurred by the Plan are paid by the Plan Sponsor.

Expenses relating to investment management are paid directly by the respective investment vehicle and are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies (*continued*)

Estimated Costs to Liquidate

The Plan expects to incur administrative and other costs in connection with the termination and liquidation process, including recordkeeping, legal, audit, and distribution-related expenses. Under the liquidation basis of accounting, such costs are recognized when they are probable and reasonably estimable. There were no administrative and other costs accrued as administrative expenses incurred by the Plan are expected to be paid by the Plan Sponsor.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) and Schedule H, Part IV, Line 4j - Schedule of Reportable Transactions, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in value of investments, dividend income, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Alerus, a qualified institution.

4. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, Alerus, dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2021; however, there are currently no examinations for any tax periods in progress.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Party-in-Interest Transactions

Alerus is the Trustee as defined by the Plan and, therefore, transactions qualify as exempt party-in-interest transactions under ERISA. ERISA considers the recordkeeping fees and participant loan expenses paid to Alerus to be exempt party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Plan Sponsor, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

7. Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is April 13, 2026 and has determined that there were no subsequent events or transactions which would require recognition or disclosure in the financial statements other than noted herein.
