## Independent Auditor's Report

Plan Administrator  
TBS Factoring Service, LLC 401(k) Plan  
Oklahoma City, Oklahoma

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of TBS Factoring Service, LLC 401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and

disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Note 1. Description of the Plan**

### ***General***

The following description of the TBS Factoring Service, LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by TBS Factoring Service, LLC (Company) for the benefit of its employees who have at least 90 days of service and are age 21 or older except for part-time, temporary, and seasonal employees with less than 1,000 hours. Related employers who participate in the Plan include KCK Insurance Agency, LLC; Truckers Bookkeeping Service, LLC; Elite Dispatch, LLC; and Foxhole Logistics, LLC. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). BOKF, NA (BOK) serves as the trustee of the Plan.

### ***Contributions***

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 90% of eligible compensation, subject to certain limitations as defined by the Internal Revenue Code (IRC). Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Company matching and nonelective contributions are discretionary as determined by the plan sponsor. In 2024 and 2023, the Company made matching contributions of 100% of employees' salary deferral amounts on the first 5% of employees' eligible compensation. Participants must have completed one year of service to be eligible for the Company match. The Company did not make any nonelective contributions for the years ended December 31, 2024 and 2023. Contributions are subject to certain limitations.

### ***Participant Investment Account Options***

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

The plan document also includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation unless the participant made an affirmative election otherwise.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's contributions and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after three years of continuous service.

### ***Notes Receivable From Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll deductions. Interest on the loans is based on the National Prime Interest Rate.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

***Payment of Benefits***

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in their account or elect to take partial withdrawals or installment payments.

***Forfeited Accounts***

At December 31, 2024 and 2023, forfeited nonvested accounts totaled approximately \$140,000 and \$93,000, respectively. Forfeitures may be used to pay plan expenses or to reduce the Company's contributions to the Plan. For the years ended December 31, 2024 and 2023, approximately \$45,900 and \$29,500, respectively, was used to pay administrative expenses.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements are prepared on the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds and money market mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Contributions***

Contributions from plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

***Notes Receivable From Participants***

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

***Administrative Expenses***

Administrative expenses may be paid by the Company or the Plan at the Company's discretion.

### **Note 3. Certification of Plan Trustee**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BOKF, NA, a qualified institution, has certified the following investment information included in the financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023
- Investment information and notes receivable from participants included in the schedule of assets (held at end of year) as of December 31, 2024

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### **Note 4. Related-Party and Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. The Company directly pays any other fees related to the Plan's operations.

The Plan paid \$36,389 and \$34,253 of record-keeping fees to BOKF, NA during the years ended December 31, 2024 and 2023, respectively. Individually nonmaterial expenses paid to parties in interest aggregated \$1,900 during the year ended December 31, 2024. The Company provides certain administrative services at no cost to the Plan.

### **Note 5. Disclosures About Fair Value of Plan Assets**

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets
- Level 3** Unobservable inputs supported by little or no market activity and significant to the fair value of the assets

***Recurring Measurements***

The following table presents the fair value measurements of assets recognized in the statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2024 and 2023. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

***Investments***

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such investments are classified within Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy. The Plan held no Level 2 or Level 3 investments at December 31, 2024 or 2023.

**Note 6. Plan Termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions. As discussed in Note 11, the Plan will be terminated in 2026.

## **Note 7. Tax Status**

The Plan operates under a nonstandardized adoption agreement in connection with a pre-approved profit-sharing plan and trust sponsored by BOKF, NA. This plan document has been filed with the appropriate agency and has obtained an opinion letter dated June 30, 2020 from the Internal Revenue Service stating that the Plan constitutes a qualified plan under Section 401 of the IRC and that the related trust was tax-exempt as of the financial statement date. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

## **Note 8. Nonexempt Transactions**

Defined contribution plans are required to remit employee contributions and loan repayments to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions and loan payments are withheld by the employer. While the Company remitted all employee deferrals and loan payments to the Plan, contributions and loan repayments of \$40,140 and \$27,671 were not remitted within the required time period for the years ended December 31, 2024 and 2023, respectively. Lost earnings were remitted to the Plan in 2024.

## **Note 9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **Note 10. Partial Termination of Plan**

During the years ended December 31, 2023 and 2024, the Company had a reduction in force. As a result, plan management determined a partial termination of the Plan had occurred. Plan management and the third-party administrator ensured terminated employees were fully vested and reinstated any amounts that were previously forfeited by these employees. Subsequent to year-end, the Company determined the partial termination extended into 2025 as well.

## **Note 11. Subsequent Events**

Subsequent events have been evaluated through July 13, 2026, which is the date the financial statements were available to be issued.

Effective December 19, 2025, the Company was acquired by a third party, and all employees were terminated. Plan management is working with the third-party administrator to ensure all plan assets are distributed in 2026.
