To the Participants and Plan Administrator of the
Chemtrusion, Inc. 401(k) Savings and Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the 2025 financial statements of the Chemtrusion, Inc. 401(k) Savings and Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The 2025 financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements ("2025 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the 2025 financial statements, is complete and accurate.

Opinion of the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion of the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the 2025 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2025 financial statements.

In preparing the 2025 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the 2025 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2025 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2025 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2025 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2025 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2025 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2025 Supplemental Schedules Required by ERISA

The 2025 supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the 2025 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements.

The information included in the 2025 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the 2025 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2025 supplemental schedule, we evaluated whether the 2025 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the 2025 supplemental schedule, other than the information in the 2025 supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2025 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the Plan's 2024 financial statements. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated August 4, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that is agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Chemtrusion, Inc. 401(k) Savings and Profit Sharing Plan

Notes to the Financial Statements

December 31, 2025 and 2024

1. Description of Plan

The following description of the Chemtrusion, Inc. 401(k) Savings and Profit Sharing Plan (the "Plan"), provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of Chemtrusion, Inc. (the "Company") and the following participating employers: Chemtrusion-GA, Inc., Chemtrusion-TX, Inc., and Compounding Innovation, Inc. (collectively, the "Employer"). Employees who have completed six months of service and are age 18 or older are permitted to participate in the Plan.

The Plan was established effective October 1, 1985, and was amended and restated to comply with the latest rules and regulations effective May 27, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company is the Plan Sponsor and Plan Administrator. Certain administrative functions are performed by employees of the Company, who receive no compensation from the Plan.

Plan Trustee and Plan Service Providers

Fidelity Management Trust Company (the "Trustee") serves as the Trustee of the Plan and Fidelity Investments (including affiliates Fidelity Workplace Services, LLC and FMR, LLC) provide various administrative and recordkeeping services to the Plan. Stokes Family Office, LLC serves as the Plan's investment advisor.

Contributions

Eligible participants may elect to contribute, on a before-tax or Roth basis, up to 90% of their annual compensation as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers").

The Plan provides for Safe Harbor Employer matching contributions. The Company made Safe Harbor matching contributions to the Plan on behalf of participants in an amount equal to 100% of the first 3% and 50% of the next 2% of each participant's eligible compensation contributed to the Plan as employee contributions. All contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions, and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Participant-Directed Investments

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document. Participants may direct the allocation of their account balances to one or more of these options, which vary in types of investments, rates of return, and investment risk.

Vesting

Participants are always fully vested in their pre-tax, Roth after-tax, rollover contributions, and Safe Harbor Employer matching contributions, plus any income or loss thereon. Any Company nonelective contributions are subject to a six-year graded vesting schedule, based on years of service. Upon death, disability, or reaching normal retirement age, participants become fully vested in their accounts

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set based upon prevailing rates for similar type loans, as defined. Principal and interest are paid directly by participants ratably established and monitored through Fidelity Management Trust Company. Terms for these loans range up to 5 years, or longer if the loan is used for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account or rollover the distribution directly to another qualified plan. If a terminated participant's vested balance is less than or equal to \$5,000, the amount is automatically distributed in the form of lump sum payment under the terms of the Plan, without the participant's consent.

A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 $\frac{1}{2}$.

2. Summary of Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Notes to the Financial Statements

2. Summary of Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Fidelity Management Trust Company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are recorded as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred by or attributable to a specific participant are paid from that participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Subsequent events were evaluated through July 11, 2026, the date the financial statements were available to be issued.

3. Information Certified by Custodian

The Plan administrator has elected to have an audit performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedule was agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the Plan's Custodian and a qualified institution.

The certified information includes the Plan's investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity (including net appreciation or depreciation, interest, and dividends) and interest income on notes receivable from participants reported in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

- **Level 1** - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** - Inputs to the valuation technique include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

4. Fair Value Measurements (continued)

- Money market funds: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.
- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Self-directed brokerage accounts: Accounts primarily consist of mutual funds, and common stocks that are determined by obtaining quoted prices on a nationally recognized securities exchange (Level 1 inputs).

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025	Level 1	Level 2	Level 3	Total
Money market funds	\$1,091,548	\$ -	\$ -	\$1,091,548
Mutual funds	12,565,738	-	-	12,565,738
Self-directed brokerage accounts	600,219	-	-	600,219
Total assets in the fair value hierarchy	14,257,505	-	-	14,257,505
Investments at fair value	\$14,257,505	\$ -	\$ -	\$14,257,505

December 31, 2024	Level 1	Level 2	Level 3	Total
Money market funds	\$2,200,101	\$ -	\$ -	\$2,200,101
Mutual funds	9,165,142	-	-	9,165,142
Self-directed brokerage accounts	490,076	-	-	490,076
Total assets in the fair value hierarchy	11,855,319	-	-	11,855,319
Investments at fair value	\$11,855,319	\$ -	\$ -	\$11,855,319

5. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the Custodian, and therefore, these transactions qualify as party-in-interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Chemtrusion, Inc. 401(k) Savings and Profit Sharing Plan

Notes to the Financial Statements

December 31, 2025 and 2024

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions.

7. Tax Status

The Company has adopted a pre-approved plan document offered by FMR LLC, that has received an IRS Opinion Letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
