(1) Name: **SEROTTA MADDOCK EVANS & CO. CPAS**

(2) EIN: **58-1107697**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator

Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Mutual of America Life Insurance Company, the trustee, a qualified institution as of December 31, 2025 and 2024 and for the year December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (HELD AT END OF YEAR), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General - The Plan is a defined contribution plan covering essentially all salaried and hourly employees of Sizemore, Inc. (the “Plan Sponsor”), who are not covered by a collective bargaining agreement. Employees become eligible to participate upon completion of two months of service and enter the Plan on the date eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions - Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Effective January 1, 2016, the Company contributes a safe harbor matching contribution equal to 100% of the first 4% of employee’s compensation for the Plan year to all eligible employees.
3. Participant Accounts - Each participant’s account is credited with the participant’s contribution and allocation of the Plan Sponsor’s contribution and Plan earnings. Allocations of Plan earnings are based on the percentage of a participant’s account balance to the total of all account balances, respectively, for each investment option.
4. Vesting - Participants are immediately vested in their contributions and the Company’s safe harbor matching contributions plus actual earnings thereon.
5. Payment of Benefits - Upon termination of service, a participant may elect to receive a lump-sum distribution or roll over the vested account balance to an IRA or another eligible retirement plan. In accordance with the Plan provisions, certain small account balances may be distributed without participant consent.
6. Forfeitures - At December 31, 2025 and 2024, the forfeited non-vested account balance was \$1,404 and \$3,119, respectively. Forfeitures of the non-vested portion of a terminated participant's account may be used by the Plan for several purposes, such as the payment of Plan expenses or the reduction of employer contributions. Forfeitures totaling \$1,784 and zero were applied to employer contributions for the years ended December 31, 2025 and 2024, respectively.
7. Investment Options - Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the available investment options held in various separate pooled accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

SIZEMORE, INC. SAFE HARBOR 401(K) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (continued)

Contributions Receivable - Amounts deferred by participants or the sponsor before yearend and remitted afterward are presented on the statement of net assets available for benefits as contributions receivable. The Plan evaluates the collectability of contributions receivable based on management's review of historical loss experience, current economic conditions, reasonable and supportable forecasts, and other relevant factors. As of December 31, 2025 and 2024, Management believes that the receivables are fully collectible and that no allowance for credit losses is necessary.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's Investments are made in shares of Mutual of America Investment Corporation, Fidelity, Vanguard, Goldman Sachs, American Century, American Funds, Calvert, Delaware, DWS, Invesco Oppenheimer, MFS, Neuberger Berman, PIMCO, T. Rowe Price and Victory ("Underlying Funds"), and are fair valued based on the reported net asset values of the respective funds or portfolios, which in turn value their investments at fair value. Dividend distributions made by the Underlying Funds, representing a distribution of their accumulated income, are recognized as investment income while distributions of capital gains are recognized as realized gains from distributions. All dividend distributions and distributions of capital gains are recognized on the ex-dividend dates of each underlying Fund by each Sub-account and are immediately fully reinvested in additional shares of the Underlying Funds at their respective ex-dividend net asset values. As such, the ultimate effect of the dividends and distributions paid to the sub-accounts has no impact on their respective unit values. Investment transactions are recorded on the trade date. Realized gains and losses on sales of investments are determined based on the identified cost basis of the security determined on a first-in, first-out ("FIFO") basis.

The Net Investment Factor for each Sub-Account equals the net asset value per share of the underlying Fund held in the Sub-Account at the end of the current Valuation Day, divided by the NAV per share of the underlying Fund held in the Sub-Account at the end of each prior Valuation Day, minus any applicable daily mortality and expense risk and administration charges. The shares of the underlying Fund are valued at unit value on a daily basis. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Administrative Expenses - Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. In addition, substantially all administrative expenses are paid directly by the Plan Sponsor.

Subsequent Events - The Plan has evaluated subsequent events through August 3, 2026, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (unaudited)

The following table presents the fair values of investments at December 31, 2025 and 2024. The following information included in the accompanying financial statements were obtained from data that has been prepared and certified as to completeness and accuracy by the custodian, Mutual of America.

	2025	2024
Investments at fair value:		
Mutual of America Interest Accumulation	\$ 225,688	\$ 222,227

Investment income:		
Net realized and unrealized gain	\$ 595,046	
Interest	5,902	

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value measurements must be classified and disclosed in one of the three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SIZEMORE, INC. SAFE HARBOR 401(K) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value for the years ending December 31, 2025 and 2024.

Pooled separate accounts: Pooled separate accounts are reported at unit value, which is calculated based on the observable net asset value (NAV) of the underlying investments and which approximates fair value. The unit value is calculated by the plan custodian. Each pooled separate account is divided into investment divisions called Sub-Accounts. The value of each pooled separate account is equal to the sum of the values of the Sub-Accounts it holds. Each Sub-Account invests in shares of an underlying mutual fund ("Fund"). Sub-Account values are measured in terms of Accumulation Units.

The Accumulation Units of a Sub-Account are assigned a unit value on a daily basis, at the end of each day the New York Stock Exchange ("NYSE") is open for trading, as of the close of the NYSE on that day ("Valuation Day"). To determine the current Accumulation Unit Value for a Sub-Account, the prior Valuation Day's Accumulation Unit Value is multiplied by the Net Investment Factor. The Net Investment Factor is used to measure the investment performance of a Sub-Account from one Valuation Day to the next. The Net Investment Factor for each Sub-Account equals the net asset value per share of the underlying Fund held in the Sub-Account at the end of the current Valuation Day, divided by the NAV per share of the underlying Fund held in the Sub-Account at the end of each prior Valuation Day, minus any applicable daily mortality and expense risk and administration charges. The shares of the underlying Fund are valued at unit value on a daily basis.

Interest accumulation account: The value of the Interest Accumulation Account under the Contract attributable to a Participant on a Valuation Day is equal to the total of all amounts allocated under this Contract for such Participant to the Interest Accumulation Account, plus all interest accrued thereon, minus the sum of any withdrawals, transfers and Participant's Administrative Charges deducted from the Interest Accumulation Account under this Contract for such Participant, all to such Valuation Day.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table summarizes the valuation of the Plan's financial assets and liabilities measured at fair value on a recurring basis as of December 31, 2025 and 2024, based on the level of input utilized to measure fair value.

- (a) Large, mid, and small equity funds seek to invest in stocks for the objective of long-term capital growth.
- (b) International equity funds seek to invest in stocks or shares of ownership in companies with their principal place of business or office outside the United States.
- (c) Balanced asset allocation funds seek to invest in fixed income and equity investments to provide for retirement outcomes based on quantitatively measured risk with asset allocations becoming more conservative over time.
- (d) Fixed income funds seek to invest in bonds, or debt of a company or government entity (including U.S. and Non-U.S.) to provide as high a level of current income as is consistent with capital preservation.
- (e) Real estate fund seeks to invest in real estate investment trusts and other real estate-related investments.
- (f) General account is a pooled, unallocated, cash account.

* Any transfer or withdrawal from a separate account may be delayed for a period of up to 30 days if there is a negative cash flow into a separate account considering all contracts with funds in the separate account on the Valuation Date for such transfer or withdrawal. In the event of contract discontinuance, transfers or payments may be deferred for up to a maximum of 90 days. All assets have been valued using a market approach with no changes in valuation techniques and related inputs. The following tables set forth a summary of the Plan's level 3 investments:

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - TAX STATUS

The Plan was originally established August 1, 1995 and was most recently restated effective January 1, 2022. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include shares of mutual funds managed by the Mutual of America Life Insurance Company and its affiliates. The Mutual of America Life Insurance Company and its affiliates earn fees for managing its mutual funds, and these fees are deducted from the earnings reported by the mutual funds. The Mutual of America Life Insurance Company is the Plan custodian, and, therefore, these transactions qualify as party-in-interest transactions. The Mutual of America Life Insurance Company assists the Plan Sponsor in administration of Plan transactions and compliance. The Plan pays a portion of The Mutual of America Life Insurance Company's fees for these services, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

Plan Administrator

Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Mutual of America Life Insurance Company, the trustee, a qualified institution as of December 31, 2025 and 2024 and for the year December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (HELD AT END OF YEAR), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Sizemore, Inc. Safe Harbor 401(k) Profit-Sharing Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General - The Plan is a defined contribution plan covering essentially all salaried and hourly employees of Sizemore, Inc. (the “Plan Sponsor”), who are not covered by a collective bargaining agreement. Employees become eligible to participate upon completion of two months of service and enter the Plan on the date eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions - Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Effective January 1, 2016, the Company contributes a safe harbor matching contribution equal to 100% of the first 4% of employee’s compensation for the Plan year to all eligible employees.
3. Participant Accounts - Each participant’s account is credited with the participant’s contribution and allocation of the Plan Sponsor’s contribution and Plan earnings. Allocations of Plan earnings are based on the percentage of a participant’s account balance to the total of all account balances, respectively, for each investment option.
4. Vesting - Participants are immediately vested in their contributions and the Company’s safe harbor matching contributions plus actual earnings thereon.
5. Payment of Benefits - Upon termination of service, a participant may elect to receive a lump-sum distribution or roll over the vested account balance to an IRA or another eligible retirement plan. In accordance with the Plan provisions, certain small account balances may be distributed without participant consent.
6. Forfeitures - At December 31, 2025 and 2024, the forfeited non-vested account balance was \$1,404 and \$3,119, respectively. Forfeitures of the non-vested portion of a terminated participant's account may be used by the Plan for several purposes, such as the payment of Plan expenses or the reduction of employer contributions. Forfeitures totaling \$1,784 and zero were applied to employer contributions for the years ended December 31, 2025 and 2024, respectively.
7. Investment Options - Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the available investment options held in various separate pooled accounts.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

SIZEMORE, INC. SAFE HARBOR 401(K) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (continued)

Contributions Receivable - Amounts deferred by participants or the sponsor before yearend and remitted afterward are presented on the statement of net assets available for benefits as contributions receivable. The Plan evaluates the collectability of contributions receivable based on management's review of historical loss experience, current economic conditions, reasonable and supportable forecasts, and other relevant factors. As of December 31, 2025 and 2024, Management believes that the receivables are fully collectible and that no allowance for credit losses is necessary.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's Investments are made in shares of Mutual of America Investment Corporation, Fidelity, Vanguard, Goldman Sachs, American Century, American Funds, Calvert, Delaware, DWS, Invesco Oppenheimer, MFS, Neuberger Berman, PIMCO, T. Rowe Price and Victory ("Underlying Funds"), and are fair valued based on the reported net asset values of the respective funds or portfolios, which in turn value their investments at fair value. Dividend distributions made by the Underlying Funds, representing a distribution of their accumulated income, are recognized as investment income while distributions of capital gains are recognized as realized gains from distributions. All dividend distributions and distributions of capital gains are recognized on the ex-dividend dates of each underlying Fund by each Sub-account and are immediately fully reinvested in additional shares of the Underlying Funds at their respective ex-dividend net asset values. As such, the ultimate effect of the dividends and distributions paid to the sub-accounts has no impact on their respective unit values. Investment transactions are recorded on the trade date. Realized gains and losses on sales of investments are determined based on the identified cost basis of the security determined on a first-in, first-out ("FIFO") basis.

The Net Investment Factor for each Sub-Account equals the net asset value per share of the underlying Fund held in the Sub-Account at the end of the current Valuation Day, divided by the NAV per share of the underlying Fund held in the Sub-Account at the end of each prior Valuation Day, minus any applicable daily mortality and expense risk and administration charges. The shares of the underlying Fund are valued at unit value on a daily basis. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Administrative Expenses - Certain administrative functions are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. In addition, substantially all administrative expenses are paid directly by the Plan Sponsor.

Subsequent Events - The Plan has evaluated subsequent events through August 3, 2026, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (unaudited)

The following table presents the fair values of investments at December 31, 2025 and 2024. The following information included in the accompanying financial statements were obtained from data that has been prepared and certified as to completeness and accuracy by the custodian, Mutual of America.

	2025	2024
Investments at fair value:		
Mutual of America Interest Accumulation	\$ 225,688	\$ 222,227
Pooled Separate Accounts	4,905,291	3,894,861

Investment income:		
Net realized and unrealized gain	\$ 595,046	
Interest	5,902	

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value measurements must be classified and disclosed in one of the three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SIZEMORE, INC. SAFE HARBOR 401(K) PROFIT-SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value for the years ending December 31, 2025 and 2024.

Pooled separate accounts: Pooled separate accounts are reported at unit value, which is calculated based on the observable net asset value (NAV) of the underlying investments and which approximates fair value. The unit value is calculated by the plan custodian. Each pooled separate account is divided into investment divisions called Sub-Accounts. The value of each pooled separate account is equal to the sum of the values of the Sub-Accounts it holds. Each Sub-Account invests in shares of an underlying mutual fund ("Fund"). Sub-Account values are measured in terms of Accumulation Units.

The Accumulation Units of a Sub-Account are assigned a unit value on a daily basis, at the end of each day the New York Stock Exchange ("NYSE") is open for trading, as of the close of the NYSE on that day ("Valuation Day"). To determine the current Accumulation Unit Value for a Sub-Account, the prior Valuation Day's Accumulation Unit Value is multiplied by the Net Investment Factor. The Net Investment Factor is used to measure the investment performance of a Sub-Account from one Valuation Day to the next. The Net Investment Factor for each Sub-Account equals the net asset value per share of the underlying Fund held in the Sub-Account at the end of the current Valuation Day, divided by the NAV per share of the underlying Fund held in the Sub-Account at the end of each prior Valuation Day, minus any applicable daily mortality and expense risk and administration charges. The shares of the underlying Fund are valued at unit value on a daily basis.

Interest accumulation account: The value of the Interest Accumulation Account under the Contract attributable to a Participant on a Valuation Day is equal to the total of all amounts allocated under this Contract for such Participant to the Interest Accumulation Account, plus all interest accrued thereon, minus the sum of any withdrawals, transfers and Participant's Administrative Charges deducted from the Interest Accumulation Account under this Contract for such Participant, all to such Valuation Day.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table summarizes the valuation of the Plan's financial assets and liabilities measured at fair value on a recurring basis as of December 31, 2025 and 2024, based on the level of input utilized to measure fair value.

- (a) Large, mid, and small equity funds seek to invest in stocks for the objective of long-term capital growth.
- (b) International equity funds seek to invest in stocks or shares of ownership in companies with their principal place of business or office outside the United States.
- (c) Balanced asset allocation funds seek to invest in fixed income and equity investments to provide for retirement outcomes based on quantitatively measured risk with asset allocations becoming more conservative over time.
- (d) Fixed income funds seek to invest in bonds, or debt of a company or government entity (including U.S. and Non-U.S.) to provide as high a level of current income as is consistent with capital preservation.
- (e) Real estate fund seeks to invest in real estate investment trusts and other real estate-related investments.
- (f) General account is a pooled, unallocated, cash account.

* Any transfer or withdrawal from a separate account may be delayed for a period of up to 30 days if there is a negative cash flow into a separate account considering all contracts with funds in the separate account on the Valuation Date for such transfer or withdrawal. In the event of contract discontinuance, transfers or payments may be deferred for up to a maximum of 90 days. All assets have been valued using a market approach with no changes in valuation techniques and related inputs. The following tables set forth a summary of the Plan's level 3 investments:

Balance at December 31, 2024	\$ 222,227
Transfers into level 3	77,021
Plan expenses and other deductions	(79,462)

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - TAX STATUS

The Plan was originally established August 1, 1995 and was most recently restated effective January 1, 2022. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include shares of mutual funds managed by the Mutual of America Life Insurance Company and its affiliates. The Mutual of America Life Insurance Company and its affiliates earn fees for managing its mutual funds, and these fees are deducted from the earnings reported by the mutual funds. The Mutual of America Life Insurance Company is the Plan custodian, and, therefore, these transactions qualify as party-in-interest transactions. The Mutual of America Life Insurance Company assists the Plan Sponsor in administration of Plan transactions and compliance. The Plan pays a portion of The Mutual of America Life Insurance Company's fees for these services, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
