INDEPENDENT AUDITOR'S REPORT

To the Management and the Administrative Committee of
Jensen Builders LTD Employees' Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Jensen Builders LTD Employees' Savings Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jensen Builders LTD Employees' Savings Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jensen Builders LTD Employees' Savings Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jensen Builders LTD Employees' Savings Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jensen Builders LTD Employees' Savings Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jensen Builders LTD Employees' Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to the prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Jensen Builders LTD Employees' Savings Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a Safe Harbor defined contribution plan covering eligible employees of Jensen Builders LTD and JBL Management L.L.C. (the Company), which are businesses under common control. Employees are eligible to participate in the Plan upon the completion of one year of service and reaching the age of eighteen. Newly eligible employees may enter the Plan on the first of the month after they become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee oversees governance of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions - Each year, participants may contribute up to 100 percent of their compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor match equal to 100 percent of elective deferral contributions that are not over 3 percent of compensation plus 50 percent of elective deferral contributions that are over 3 percent of compensation but are not over 6 percent. The maximum safe harbor matching contribution a participant can receive is 4.5 percent. In addition to the safe harbor matching contribution, the Company may contribute an additional amount of matching contributions determined by the Company at its discretion. There were no discretionary contributions during 2025 or 2024. Contributions are subject to certain statutory limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and Company's safe harbor matching contribution, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - A participant's account balance maintained from employee-derived contributions is 100 percent vested and non-forfeitable at all times. Effective January 1, 2011 with the adoption of the Safe Harbor plan, employees immediately become 100 percent vested in employer contributions. A participant becomes 100 percent vested in discretionary employer contributions after six years of service, or after reaching normal retirement age of 65.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loan interest rate is commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. A participant may be charged a service fee for the processing and maintenance of the loan.

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN - Continued

Payment of Benefits - After termination of employment and if a participant's vested account balance exceeds \$5,000 the Plan permits the participant to elect distribution by the lump sum method or fixed period installment payment method. Prior to termination of employment participants may elect to withdraw their portion of employee contributions and matching contributions if they continue to work after attaining normal retirement age and they may elect to withdraw the portion of deferral contributions and non-elective contributions if they have attained normal retirement age or incur a hardship. There were no unpaid distributions that have been requested as of December 31, 2025 and 2024.

Forfeited Accounts - At December 31, 2025 and 2024, the balances of forfeited non-vested accounts were \$-0-. Forfeitures can be used to pay administrative expenses or to reduce future employer contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Certified Investments - Information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held as of December 31, 2025 and 2024, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal Trust Company), the trustees of the Plan.

Investment Valuation and Income Recognition - Investments, except for the guaranteed interest contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Guaranteed interest contracts are valued at contract value as discussed in Note D. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF ACCOUNTING POLICIES - Continued

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are expenses when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through July 15, 2026, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at December 31, 2025 and 2024.
- Collective investment trusts: Collective investment trusts (CITs) invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the underlying investments is used in determining the net asset value (NAV) of the CITs, which is not publicly quoted but is available to current investors via the Principal website or when Plan participants access their account values. The NAV is the basis for current transactions and the CITs can be redeemed at NAV as of the measurement date and is therefore considered to have a readily determinable fair value. The NAV is calculated in a manner consistent with generally accepted accounting principles in accordance with the investment company measurement principles.

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS - Continued

The following table set forth the Plan's investments measured at fair value as of December 31:

	<u>2025</u>	<u>2024</u>
Mutual funds (Level 1)	\$ 6,969,677	\$ 5,928,408
Collective trust funds (Level 1)	12,127,246	10,684,940
Investments	<u>\$ 19,096,923</u>	<u>\$ 16,613,348</u>

NOTE D - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

During 2024, the Plan entered into a guaranteed interest contract with Principal Life Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Principal Life Insurance Company, the contract issuer, is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate ranged from 4.65% to 4.75% during the year ended December 31, 2025 and 4.65% and 5.05% during the year ended December 31, 2024. The crediting rate is reviewed on an annual basis, and more frequently, as appropriate. If funds are withdrawn or transferred within the Plan prior to maturity, then a discontinuation withdrawal charge of 5% will be assessed. Upon termination of the fund, a market value adjustment may apply.

The Plan's ability to receive amounts due in accordance with the fully benefit response investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs and the liberalization of the Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The Company does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. Principal Trust Company is the custodian, recordkeeper and trustee for the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees incurred and paid by the Plan for administrative and advisory services were \$70,453 and \$67,920 for the years ended December 31, 2025 and 2024, respectively, are included in administrative expenses.

Principal Trust Company provides certain administrative services to the Plan pursuant to a Service and Expense Agreement between the Company and Principal Trust Company. Principal Trust Company receives revenue from investment service providers for services Principal Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Principal Trust Company for its administrative services to the Plan. Total revenue sharing credits were \$-0- and \$6,873 for the years ended December 31, 2025 and 2024, respectively.

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE G - TAX STATUS

On July 15, 2022, the Plan adopted a non-standardized form of a prototype plan sponsored by Principal Life Insurance Company. The prototype plan has received an opinion letter from the Internal Revenue Services, dated June 30, 2020, as to the prototype plan's qualified status under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I - AMOUNTS OWED TO FORMER PARTICIPANTS

At December 31, 2025 and 2024, \$-0- were due to participants who had withdrawn from the Plan.

NOTE J - PLAN AMENDMENTS

The Plan has been operationally amended for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act). The SECURE Act allows employees who work at least 500 hours in three consecutive years eligibility status to participate in the Plan; however, employer contributions for such employees are not required. These employees may be eligible to enter in Plan year 2024. In addition, effective January 1, 2021 the SECURE Act increases the required minimum distribution age to 72 and will allow qualified birth and adoption withdrawals.

JENSEN BUILDERS LTD EMPLOYEES' SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE J - PLAN AMENDMENTS - Continued

On December 29, 2022, the SECURE Act 2.0 was enacted into law. As of December 31, 2024, no formal amendments have been adopted by the Plan. The Plan is required to formally amend the Plan document by December 31, 2026, but must operate within the provisions within the effective date of each new provision. Effective January 1, 2023, the SECURE Act 2.0 increased the required minimum distribution age to 73. For the 2025 plan year and forward, long-term part-time (LTPT) employees who have two consecutive years with greater than 500 hours and less than 1,000 hours in each year (2023 - 2024 plan years) and are at least age 18 are eligible to make deferral contributions to the Plan beginning on January 1, 2025. Plans may exclude LTPT employees from eligibility for employer contributions.

The Plan has been amended effective January 1, 2026 to allow participants to make Roth deferrals into the Plan and to allow Roth rollovers.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net increase in Plan assets per the financial statements for the years ended December 31, 2025 and 2024 to Form 5500:
