INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about "K" Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

A. DESCRIPTION OF THE PLAN

The following description of the “K” Line Logistics (U.S.A.) Incorporated 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. *General.* The Plan is a defined contribution plan covering substantially all employees of “K” Line Logistics (U.S.A.) Incorporated (the “Company”) who are at least 18 years of age and have completed 3 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.
2. *Contributions.* Participants are automatically enrolled in the Plan on the first of the month coinciding with or next following the date the eligibility requirements are met. Unless a participant makes an affirmative election, participants are automatically enrolled to contribute 6% of compensation each pay period on a pre-tax basis and the deferral rate increases by 1% of compensation on April 1st of each Plan year up to a maximum of 15% of compensation. Each year, Participants may contribute up to 90% of pre-tax eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan also includes a Roth contribution feature.

The Company makes a fixed matching contribution equal to 50% of the participants’ elective deferrals up to 5% of compensation each pay period.

Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

3. *Participant Accounts.* Each Participant’s account is credited with the Participant’s contributions as well as allocations of the Company’s contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on Participant earnings, account balances, or specific Participant transactions, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant’s vested account.
4. *Vesting.* Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company’s matching contributions, and any actual earnings thereon, is based on years of continuous service and a progressive schedule. A participant is 100% vested after five years of credited service.

Notes to the Financial Statements
December 31, 2025

5. *Notes Receivable from Participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate of the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.
6. *Payment of Benefits.* On termination of service a Participant may elect to receive a lump-sum amount or installment payments, equal to the value of the Participant's vested interest in his or her account.

A Participant may also request a withdrawal upon attainment of age 59½ or upon demonstration by the Participant to the Plan Administrator that the Participant is suffering from “hardship”. Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 401(k) of the Internal Revenue Code or standards established by the Secretary of the Treasury or his delegate.

7. *Forfeited Accounts.* At December 31, 2025 and 2024, forfeited, non-vested accounts totaled approximately \$6,000 and \$29,000, respectively. These accounts may be used to reduce future employer contributions and administrative expenses. During 2025, employer contributions were reduced by approximately \$19,000 and administrative expenses by approximately \$35,000 from forfeited, non-vested accounts. Prior to November 1, 2025, forfeited, non-vested accounts were only allowed to be used to pay Plan expenses.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note C for discussion of fair value measurements.

“K” LINE LOGISTICS (U.S.A.) INCORPORATED 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements
December 31, 2025

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Excess Contributions Payable

Amounts payable to Participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions for the year ended December 31, 2025.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in the net appreciation (depreciation) of the fair value of investments.

Reclassifications

Certain amounts in the financial statements have been reclassified to conform to the 2025 presentation. These reclassifications had no effect on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024.

Subsequent Events

The Plan has evaluated subsequent events through August 11, 2026, the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust funds: Units of participation in the collective investment trust funds are valued at the NAV provided by the funds' trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the funds less liabilities. Units are beneficial interest in these funds are not registered with the SEC; however, these funds publish their daily NAV and transact at that price.

Notes to the Financial Statements

The following table sets forth, by level within the fair value hierarchy, the Plans investments at fair value as of December 31, 2025 and 2024:

Investments at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,933,218	\$ -	\$ -	\$ 1,933,218
Investments measured at NAV*				8,628,952
				<u>\$ 10,562,170</u>

Investments at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,829,091	\$ -	\$ -	\$ 1,829,091
Investments measured at NAV*				7,095,504
				<u>\$ 8,924,595</u>

*In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no Participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency	Notice Period
	2025	2024			
Common/Collective Trust	\$8,628,952	\$ 7,095,504	\$ -	Daily	90 Days

D. PARTY-IN-INTEREST TRANSACTIONS

ADP Retirement Trust Services, LLC (“ADPRTS”) is the third-party administrator, recordkeeper, and trustee for the Plan. Fees paid to ADPRTS have been included in administrative expenses. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Golden Eagle Capital Advisors, Inc. is the investment advisor for the Plan. Fees paid to Golden Eagle Capital Advisors; Inc. have been included in administrative expenses. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

E. CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule(s), including investments and notes receivable from participants held at December 31, 2025 and 2024, and the net appreciation (depreciation) in the fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC, the trustee of the Plan.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants would become 100% vested in all contributions.

G. TAX STATUS

The Plan was adopted based upon a prototype plan sponsored by ADP, LLC, the recordkeeper. The Internal Revenue Service (“IRS”) has determined and informed ADP, LLC by a letter dated October 6, 2020, that the prototype document and related trusts are designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since the Trustee received the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
