FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
of Newcomer Funeral Service Group Retirement Plan
Topeka, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Newcomer Funeral Service Group Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2025, and the supplemental Schedule of Assets as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEWCOMER FUNERAL SERVICE GROUP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the Newcomer Funeral Service Group Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established effective January 1, 1990, covering substantially all employees of Newcomer Funeral Service Group, Inc. and subsidiaries (the "Company") who meet eligibility requirements. The Plan was amended and restated effective October 15, 2025, when the Plan engaged Empower Trust Company, LLC as the Plan's Trustee, and Empower Retirement, LLC as the recordkeeper. There were no significant changes to the Plan provisions.

Prior to October 15, 2025, Matrix Trust Company served as the Plan's trustee and OneAmerica Retirement Services LLC served as the participant recordkeeper.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers eligible employees of the following affiliated companies:

- Heartland Management Company
- Warren Family Funeral Homes, Inc.
- Newcomer Cemetery Company
- Milestone, Inc.
- Milestone Prearranged Funeral Plans of WY, Inc.
- Memorial Expressions, Inc.
- Kentucky Funeral Services, LLC

Eligibility – Employees at least 21 years of age may enter the Plan on the first pay period following 60 days of employment.

Contributions – Participants may contribute up to 100% of their annual compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") provisions. After meeting eligibility requirements, participants are automatically enrolled at a deferral rate of 4%, unless another written election is made. Participants automatically enrolled are also subject to an annual 1% increase on July 1, up to a maximum of 10%. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Under the Secure 2.0 Act of 2022, effective January 1, 2025, a participant who reaches the age of 60 through 63 during the Plan year may contribute an additional catch-up contribution to the Plan.

The Company, at its discretion, may declare a matching contribution. For 2025, the Company matched 100% of a participant's deferral, up to 4% of compensation. The match is made each pay period.

The Company, at its discretion, may make profit-sharing contributions to the Plan. Such contributions, if any, are allocated to the accounts of eligible participants in the ratio which each eligible participant's compensation for the Plan year bears to the total compensation of all participants for such Plan year. To receive a profit-sharing contribution, a participant must be employed on the last day of the Plan year and have worked a minimum of 1,000 hours during the year. The Company did not declare a profit-sharing contribution for 2025.

The Company, at its discretion, may make qualified nonelective contributions to the Plan. Such contributions, if any, are allocated to the accounts of eligible participants in the ratio which each participant's compensation for the Plan year bears to the total compensation of all participants for such Plan year. Participants who are highly compensated employees are not eligible. In 2025, the Company made no qualified nonelective contributions.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, and Plan earnings or losses, and is charged with participant's withdrawals and distributions, and a share of Plan expenses. The Plan's investments are valued daily, and Plan earnings (or losses) are allocated to the participants' accounts based on the shares held by the participants' in each respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants' contributions and earnings thereon are fully vested at all times. Effective August 1, 2020, Company matching and profit-sharing contributions, and earnings thereon, vest in 25% increments, with 25% vested after 2 years of service, 50% vested after 3 years of service, and become fully vested after 5 years of service. This vesting schedule applies to all active employees on August 1, 2020.

For employees that terminated prior to August 1, 2020, Company matching and profit-sharing contributions, and earnings thereon, vest in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service, and become fully vested after 6 years of service.

A participant must work 1,000 hours to be credited with a year of service. In the event of permanent disability, death, reaching normal retirement age or termination of the Plan, Company contributions become fully vested.

Forfeitures – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts may be used to pay the administrative expenses of the Plan, or to reduce future employer contributions. During 2025, \$70,528 was used to reduce the Company match contribution, and \$10,550 was used to pay administrative fees. At December 31, 2025 and 2024, remaining forfeitures totaled \$70,441 and \$52,634, respectively.

Investments – Participants direct their contributions and the Employer contributions to a variety of mutual funds, or a money market fund.

Payment of Benefits – Upon termination of service, the participant, or in the case of death, the participant's beneficiary, may elect to receive the vested value of the participant's account in a single lump-sum payment, or, if the vested account balance is over \$7,000, installment payments may be elected. If the vested portion of the account balance is less than \$1,000, the participants vested account balance will be automatically distributed if the participant does not elect to rollover the balance to another qualified plan.

In-Service Withdrawals – The Plan allows in-service withdrawals of participant elective contributions for participants who are at least 59½ years old. The Plan also allows for hardship withdrawals to Plan participants meeting specific conditions, as defined in the Plan Document. Hardship withdrawals are limited to the participant's elective deferral account.

Other Income – During 2025, the Plan received \$15,000 in revenue sharing payments which were used to pay administrative expenses of \$500. As of December 31, 2025 and 2024, the revenue sharing account had a balance of \$14,500 and \$0, respectively. In 2025, other income also includes the redeposit of uncleared checks of \$4,368.

Administrative Expenses – Administrative expenses may be paid by the Plan or the Company. During the year ended December 31, 2025, the Plan paid expenses of \$96,794 which consisted of investment management, custodial, recordkeeping and professional fees.

Termination of the Plan – Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. Upon such termination of the Plan, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements and supplemental schedule of the Plan are prepared under the accrual basis of accounting in accordance with accounting practices generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds, the pooled separate accounts (no longer held in the Plan) and the CCT are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Contributions – Contributions are recorded in the year that services are rendered.

Payment of Benefits – Benefit payments are reported in the year of payment.

Date of Management's Review – Subsequent events have been evaluated through August 19, 2026, which is the date the financial statements were available to be issued, and there were no events or transactions identified requiring additional disclosure or recognition.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Mutual Funds and Money Market Funds – Mutual funds are valued using the published quoted price, which is the net asset value (“NAV”) of the fund. The NAV is based on the fair value of the underlying securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan’s investments are reported at fair value as follows at December 31, 2025 and 2024:

	Fair Value Measurements Using:			Fair Value
	Level 1	Level 2	Level 3	
December 31, 2025:				
Mutual funds	\$ 29,520,515	\$ -	\$ -	\$ 29,520,515
Total assets in the fair value heirarchy	<u>\$ 29,520,515</u>			<u>\$ 29,520,515</u>
December 31, 2024:				
Mutual funds	\$ 24,050,437	\$ -	\$ -	\$ 24,050,437
Money Market Funds	<u>210,076</u>			<u>210,076</u>
Total assets in the fair value heirarchy	<u>\$ 24,260,513</u>			<u>\$ 24,260,513</u>

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY TRUSTEES

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Empower Trust Company, LLC, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2025 and for the period October 15, 2025 to December 31, 2025. Matrix Trust Company, the prior trustee of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments as of December 31, 2024 and for the period January 1, 2025 to October 15, 2025:

- Investments, at fair value
- Net appreciation in fair value of investments
- Interest and dividend income
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA which received a favorable opinion letter from the IRS on November 14, 2022, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan pays certain expenses to Empower and to certain other service providers to administer the Plan. Empower is a custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

The Plan paid certain fees to OneAmerica Retirement Services LLC and Matrix Trust Company to administer the Plan. These transactions qualify as party-in-interest transactions.

8. PROHIBITED TRANSACTIONS

During the year ended December 31, 2025, employee deferrals of \$145,225 were withheld from participants' payroll and not remitted to the trust by the plan sponsor on a timely basis (as defined by the Department of Labor "DOL"). The Plan Sponsor subsequently remitted all such deferrals to the trust and has contributed lost earnings to the affected participants. These transactions are prohibited according to the provisions of the DOL
