PricewaterhouseCoopers LLP
Attn: Ryan Bass
200 Public Square, Suite 1900
Cleveland, OH 44114

We are providing this letter in connection with your audits of the financial statements of Infios US., Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA") as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information. We acknowledge that our election of the ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements.

We acknowledge and confirm that we have fulfilled our responsibility, as set out in our engagement letter of January 27, 2026, for the preparation and fair presentation in the financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America, including the appropriate selection and application of accounting policies.

Certain representations in this letter are described as being limited to those matters that are material. Materiality is entity specific. The omission or misstatement of an item in a financial report is material, regardless of size, if in light of surrounding circumstances, the magnitude of the item is such that it is probable that the judgment of a reasonable person relying upon the report would have been changed or influenced by the inclusion or correction of the item. Materiality used for purposes of these representations is \$259,200.

We confirm, to the best of our knowledge and belief, as of August 14, 2026, the date of your report, the following representations made to you during your audit.

1. The financial statements referred to above are fairly presented in conformity with accounting principles generally accepted in the United States of America (GAAP), and include all disclosures necessary for such fair presentation and disclosures otherwise required to be included therein by ERISA and other laws and DOL and other regulations to which the Plan is subject. We have prepared the Plan's financial statements on the basis that the Plan is able to continue as a going concern. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.
2. We have made available to you:
 - a. All financial records and related data.
 - b. Unconditional access to persons within the entity from whom you have requested audit evidence.
 - c. All minutes of the meetings of trustees and committees of trustees and summaries of actions of recent meetings for which minutes have not yet been prepared. The most recent meetings held were: Retirement Plan Committee on February 3, 2026.
 - d. All changes or expected changes to the Plan's affiliates and/or individuals with a beneficial ownership interest with significant influence, as defined in the AICPA Code of Professional Conduct, during the period ended December 31, 2025. We understand that such changes could have come about, for example, as a result of mergers, acquisitions, investments or establishment of new entities. Changes were communicated prior to the date for which independence was required with respect to the affiliate and/or individual with a beneficial ownership interest with significant influence (e.g., in coordination with the letter of intent or the commitment date of the transaction). The independence rules encompass not only the Plan, but also its affiliates and individuals with a beneficial ownership interest with significant influence, as defined in the AICPA Code of Professional Conduct.
 - e. The most current plan instrument for the audit period, including all plan amendments, the trust agreement and custodial agreement, or insurance contracts during the year, including amendments to comply with applicable law or regulation.
 - f. Details of any changes permitted or required under law or regulations that were implemented but which have not yet been formalized in plan amendments.
 - g. Contracts or other agreements, including revenue and or fee sharing arrangements, with the plan's service providers.
 - h. A draft of the Form 5500 that is substantially complete.
3. We have appropriately reconciled our books and records (e.g., trustee/custodian reports) underlying the financial statements to their related supporting information (e.g., sub ledger or third-party data). All related reconciling items considered to be material were identified and included on the reconciliations and were appropriately adjusted in the financial statements, as necessary. There were no material unreconciled differences or material suspense account items that should have been adjusted or reclassified to another account balance. There were no material suspense account items written off to a net assets account, which should have been written off to a changes in net assets account and vice versa. All entries have been properly recorded.
4. There have been no communications either from or to regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices or the operation of the Plan.
5. There are no material transactions, agreements or accounts that have not been properly recorded in the accounting records underlying the financial statements.
6. We did not use any instances of artificial intelligence in the preparation of the financial statements or in the supporting financial records and related data provided to you, to the extent that such use involved or related to information or account balance(s) that was, or had the potential to be, material.

7. We acknowledge and confirm that we have fulfilled our responsibility, as set out in our engagement letter of January 27, 2026, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error and we have disclosed to you all deficiencies in the design or operation of internal control over financial reporting of which we are aware. We have also disclosed to you which of these deficiencies we believe are significant deficiencies or material weaknesses in internal control over financial reporting. We are not aware of any internal control issues at the Plan's service providers that would have a material effect on the financial statements. We did not use any instances of artificial intelligence in the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements.
8. We acknowledge our responsibility for the design, implementation, and maintenance of programs and controls to provide reasonable assurance that fraud is prevented and detected.
9. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud and we have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management,
 - b. Employees who have significant roles in internal control over financial reporting, or
 - c. Others where the fraud could have a material effect on the financial statements.
10. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, analysts, regulators, short sellers, or others.

(As to the three preceding representations, we understand the term "fraud" to mean those matters described in AICPA AU-C 240.)

11. There have been no violations, or possible violations of laws or regulations, including non-exempt transactions (e.g., prohibited transactions), whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
12. The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
13. The Plan has no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
14. We have disclosed to you the identity of all the Plan's related parties/parties-in-interest and all the related party/parties-in-interest relationships and transactions of which we are aware.
15. There are no side agreements or other arrangements (either written or oral) that have not been disclosed to you.
16. The following, if material, have been properly recorded or disclosed in the financial statements :
 - a. Relationships and transactions with related parties, as described in Accounting Standards Codification (ASC) 850, *Related Party Disclosures*, or transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, expenses, purchases, loans, transfers, leasing arrangements, and guarantees and amounts receivable from or payable to related parties.

17. There are no:
 - a. Guarantees, whether written or oral, under which the Plan is contingently liable;
 - b. Significant estimates and material concentrations known to management that are required to be disclosed in accordance with ASC 275, *Risks and Uncertainties*. (Significant estimates are estimates at the statement of net assets date that could change materially within the next year.);
 - c. Leases in default or considered to be uncollectible;
 - d. Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances and line of credit or similar arrangements;
 - e. Agreements to repurchase assets previously sold;
 - f. Commitments to purchase or sell securities;
 - g. Transactions on margin or selling short;
 - h. Securities lending activities;
 - i. Amendments to the Plan document;
 - j. Other agreements not in the ordinary course of business.
18. The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral, except as disclosed in the financial statements. All cash and bank accounts, investments and all other properties and assets of the Plan are included in the financial statements.
19. With respect to Plan investments recorded in the financial statements at statement of net assets dates (including investments other than securities, such as derivatives):
 - a. Investments are stated at fair value and related disclosures are complete and accurate;
 - b. Investments are included in the Plan's financial statements at the financial statement dates as determined by us in accordance with the valuation method set forth in the notes to the financial statements. Management of the Plan understands and agrees with the valuation methodologies used by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee, and management is responsible for the appropriateness of the resulting investment values;
 - c. The valuation principles used for securities whose fair values have been estimated by management of the Plan are appropriate and have been consistently applied and documented. The methods and significant assumptions used to estimate fair values of financial instruments are as follows: *Pooled Separate Accounts* – Pooled separate accounts are valued at the new asset value (“NAV”) of the underlying assets as reported by the investment manager, Principal Trust Company, at year end; *Registered Investment Companies* – Registered investment companies are valued at the quoted market prices of shares held by the Plan at year end in the active market on which the individual securities are traded; *Common Collective Trust* – The common collective trust is valued at the NAV as reported by the investment manager at year end, adjusted to fair value based upon its audited financial statements;
 - d. All investments are marketable and no restricted securities or derivatives are held;
 - e. There are no investments in default or considered uncollectible;
 - f. Provision has been made for any material loss to be sustained in the fulfillment of, or from inability to fulfill, any investment-related or other purchase or sales commitments.
20. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
21. All receivables have been appropriately reduced to their estimated net realizable value, reflecting an allowance for credit losses, as applicable. We have considered all reasonably available information about past events, current conditions, and reasonable and supportable forecasts of future events and economic conditions and where applicable, we have recognized an appropriate loss allowance.

22. All liabilities, including any federal or state tax liabilities, of the Plan of which we are aware are included in the financial statements at financial statement dates. There are no other liabilities, or gain or loss contingencies, that are required to be recognized or disclosed by ASC 450, *Contingencies*, and no unasserted claims or assessments that our legal counsel has advised us are probable of assertion and required to be disclosed in accordance with that Statement.
23. We are responsible for all significant estimates and judgments affecting the financial statements. The methods, underlying data, and significant assumptions used in developing accounting estimates and the related disclosures are reasonable and appropriate to achieve recognition, measurement, or disclosure in the financial statements in accordance with accounting principles generally accepted in the United States of America. The methods used in developing accounting estimates have been consistently applied in the periods presented and the data used in developing accounting estimates is accurate and complete. Accounting estimates and judgments appropriately reflect management's intent and ability to carry out specific courses of action, where relevant. There have been no subsequent events that would require the adjustment of any significant estimates and related disclosures.
24. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us that must be disclosed.
25. We have no intention to terminate the Plan.
26. The Plan, either by design or operation, does not discriminate in favor of highly compensated employees as to eligibility to participate in the Plan, contributions to the Plan, benefits under the Plan or benefits, rights or features available to the Plan.
27. The Plan is qualified under the appropriate sections of the Internal Revenue Code and the Trust is intended to continue as a qualified trust and remain exempt from taxation. The appropriate versions of the Plan documents have been filed with the Internal Revenue Service for a determination letter, and the Plan received its most recent determination letter on June 30, 2020. The Plan continues to operate in accordance with the terms of the Plan document, as amended, in a manner that does not jeopardize its tax status.

31. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
32. There are no:
 - a. Non-exempt party-in-interest transactions (as defined in ERISA sections 406(a) and (b) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements;
 - b. Loans, fixed income obligations or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedule;

- c. Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.

35. The methods of measurement or presentation of the ERISA-required supplemental schedules have not changed from those used in the prior period.
36. There are no significant assumptions or interpretations underlying the measurement or presentation of the information.
37. We confirm that it is not our intention to issue an annual report (as defined by AU-C Section 720) that contains, accompanies, or incorporates by reference the financial statements and your auditor's report thereon. Should that intention change, we acknowledge and confirm our responsibility to (i) notify you of the change, (ii) provide you a written acknowledgement of the document or documents that comprise the annual report and the planned manner and timing of issuance of such documents, and (iii) provide the final version of the document(s) prior to issuance of the annual report, such that you can complete the procedures required by applicable professional standards.
38. We assert to you that the employers participating in the Plan are members of the same controlled group or affiliated service group as defined under 26 U.S. Internal Revenue Code § 414(b).
39. On October 1, 2024, Körber Supply Chain US, Inc. (now "Infios US, Inc.") acquired MercuryGate International, Inc. ("MGI"). Effective January 1, 2025, MGI was added as a participating employer to the Plan. On that date, the acquired employees of MGI became eligible to participate in the Plan. The MercuryGate International, Inc. 401(k) Plan merged into the Plan on March 1, 2025, and net assets totaling \$35,751,693 transferred into the Plan on March 3, 2025.

To the best of our knowledge and belief, no events have occurred subsequent to December 31, 2025 and through the date of this letter that would materially affect the aforementioned financial statements and related disclosures, including the supplemental schedule.
