Independent Auditor's Report

To the Plan Administrator
Ukpeagvik Inupiat Corporation Group Health and Welfare Benefit Plan
Anchorage, AK

Opinion

We have audited the financial statements of Ukpeagvik Inupiat Corporation Group Health and Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following brief description of Ukpeaġvik Iñupiat Corporation Group Health and Welfare Benefit Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established April 1, 1999, provides various health benefits covering substantially all active employees of the Ukpeaġvik Iñupiat Corporation and its subsidiaries (collectively, the Companies). The Companies established a voluntary employees' beneficiary association (VEBA) trust for the Plan on January 1, 2013 to hold certain plan assets. Employees regularly scheduled to work 30 or more hours a week are eligible for coverage immediately and enter the Plan on the first of the month following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Ukpeaġvik Iñupiat Corporation serves as the Plan administrator. The Trustee of the Plan is Principal Trust Company (Trustee).

Benefits

The Plan provides medical, dental, vision, disability (short-term disability and long-term disability), employee assistance benefits, accidental death and dismemberment, business travel accident, group life insurance, and cafeteria plan benefits to eligible participants and to their beneficiaries and covered dependents. Eligibility requirements are specific to each type of benefit, and participants should refer to the individual component document for each benefit.

Coverage terminates at the earliest of the following: end of the month following termination of the employee, employee ineligibility, election by the employee, or Plan termination. Under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), an employee is eligible to continue coverage for as long as 18 months due to termination of employment or reduction of hours and 36 months when the qualifying event is the death of the employee, enrollment in Medicare, divorce, legal separation, or a dependent child losing eligibility as a dependent. Additionally, an employee will continue to be covered for up to 29 months after termination if the employee was disabled upon such termination. The employee premium is determined by either the Plan provider or collective bargaining agreement.

Insured Benefits

The Plan fully insures the long-term disability, employee assistance benefits, accidental death and dismemberment, business travel accident, and group life insurance benefits. The Plan purchases annual insurance contracts for these insured benefits. Premiums for all insured benefits are paid from the assets of the VEBA trust.

Self-Insured Benefits

Medical, prescription, dental, and vision, and short-term disability benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and

participants is retained by the Plan. The Plan provides for all third-party administrative fees to be billed on a monthly basis and paid out of Plan resources.

Defined Contribution Components

The Plan includes flexible spending arrangement (FSA), health reimbursement arrangement (HRA), and health savings account (HSA) components, which are subject to IRS regulations and limitations.

The FSA benefit allows employees to defer income, on a pretax basis, to be deposited into a Dependent Care Flexible Spending Account (DCFSA), a Qualified Transportation Flexible Spending Account (QTFSA), a Healthcare Flexible Spending Account (HFSA), and a Limited Flexible Spending Account (LFSA). The DCFSA is used to pay expenses incurred for care of qualified dependents. The QTFSA is used to pay allowable parking and transit expenses incurred by the employee, which are not paid by the Plan or any other health plan. The HFSA is used to pay for qualified out-of-pocket medical expenses. The LFSA is used to pay for qualified dental and vision expenses.

The HRA benefit functions similarly to the FSA benefit but is funded by the employer. The HRA allows for tax-free reimbursement of employees qualified medical expenses. When HRA coverage starts, funds are set aside in notional accounts for each subscriber at 50% of the total potential benefit. The remaining 50% of HRA benefit is set aside once an online health assessment is completed. The related obligation for these HRA claims is not recorded until the claims are incurred. The balances of HRA benefits carried forward as of December 31, 2025 and 2024, were \$28,871 and \$32,757, respectively.

The HSA benefit is available for reimbursement of employees qualified medical expenses. Each participant selecting an HSA receives an individual HSA account, and the participant owns the account. The employer will contribute \$800 for participants with employee-only coverage and \$1,600 for employee and dependent coverage into the HSA. The participant may also fund the HSA, but the total HSA contributions are subject to IRS limits. HSA contributions and remittances are not included in the Plan's activity or assets. The participants and the Companies contributed \$1,879,904 in 2025 to the HSA.

Stop-Loss Coverage

The Plan has stop-loss contracts with Voya Insurance Company that require the insurance company to pay benefits when the claims exceed certain individual annual limits and aggregate monthly limits.

Contributions

The Plan and Trust agreement provides that the employee's elected coverage will be paid by the Companies and the participants. The amounts charged to the participants are based on a monthly premium determined by the Companies based on their elected coverages. The amount paid by the Companies is based upon a monthly contribution amount as determined annually by the Plan administrator. In addition to monthly premiums charged to the participants they are also responsible for deductibles and copayments. The Companies are liable for all benefits, including benefits that become due prior to termination of the agreement but are not yet paid at termination.

Notes to Financial Statements

Premium Holiday

Plan management provided a self-insured medical premium holiday for both employee and employer contributions in April, May, November and December 2025. This medical premium holiday has been presented as a reduction to employee and employer contributions in the statement of changes in net assets available for benefits, in the amount of \$1,907,451 and \$3,334,473, respectively, as no cash was received by the Plan, rather the Company elected to use net assets to fund the cost of benefits for the employees.

Forfeitures

Certain FSA balances of individual participants not spent during the plan year are forfeited. These forfeitures are held in the balance of the trust. During the year ended December 31, 2025, total forfeitures were \$7,157 of DCFSA, \$34,312 of HFSA, and \$22,523 of LFSA. QTFSA balances are carried over to the following plan year, except of the balances of terminated employees. Total QTFSA balance of terminated employees forfeited in 2025 was \$9,987.

Prepays and Deposits

Prepays and deposits include reserve accounts with Citibank, Wells Fargo Bank, and Webster Bank with balances of \$69,113 and \$20,308 at December 31, 2025 and 2024, respectively. These accounts are used to pay claims and are reimbursed by the Plan. The prepaid expenses at December 31, 2025 and 2024 were \$27,061 and \$15,013, respectively.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Companies on behalf of the Plan and not included in the financial statements .

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities, and the benefit obligations at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Contributions and Contributions Receivable

Contributions are recorded in the period for which they are due.

Ukpeagvik Iñupiat Corporation Group Health and Welfare Benefit Plan

Notes to Financial Statements

Funding Policy

The Plan is self-funded for medical, dental, vision, short-term disability, and prescription drug benefits. The funding policy is contained within the Plan's governing trust agreement, which requires the Companies to fund the Plan to the extent necessary to meet current benefit obligations.

Payment of Benefits

Premiums paid by either the Companies or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claim's processors. Claims incurred but not reported at December 31, 2025 and 2024 by active participants are estimated by the Plan based upon historical experience and are reported in the accompanying statements of benefit obligations.

Stop Loss

Premiums for stop-loss insurance are included in insurance premium payments in the accompanying statement of changes in net assets available for benefits. There were no stop-loss refunds during the year to be netted with claims paid in the accompanying statement of changes in net assets available for benefits in 2025.

Refunds and Rebates

Rebates due from service providers relating to pharmacy claim payments are recorded when earned. Rebates due as of the financial statement date have been reported as other receivables, with the offset being netted against claims paid. Rebates totaling \$2,083,467 were earned in 2025.

Cash Equivalents

The Plans investments are limited to interest-bearing cash, reported at fair value, which approximates cost. Interest income is recorded on the accrual basis.

3. Income Taxes

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the IRC and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax exemption letter from the Internal Revenue Service (IRS) dated June 30, 2014, stating that the Trust used to pay benefits is qualified pursuant to Section 501(c)(9) of the IRC. The Plan has been amended since receiving the letter. The Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Ukpeagvik Iñupiat Corporation Group Health and Welfare Benefit Plan

Notes to Financial Statements

The Plan is subject to unrelated business tax on investment income. For the year ended December 31, 2025, the Plan incurred total unrelated business taxes of \$52,746.

4. Plan Termination

Although they have not expressed any intention to do so, the Companies have the right under the Plan to modify the benefits provided to, and contributions required of, participants, and to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Benefit Obligations

Claims Incurred but Not Reported

Plan obligations for medical, dental, and vision claims incurred but not reported (IBNR) are estimated by management. The estimate takes into account certain factors such as the average number of months' lag, per-employee per-month claims cost, participant headcount as well as the known amount of claims incurred in 2025 and 2024 that were paid subsequent to period-end. These amounts are paid by the Plan only if claims are submitted and approved for payment.

The foregoing assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different factors might be applicable in determining the IBNR obligation.

Claims Payable

Claims incurred before the Plan's period-end that were submitted after period-end and claims incurred and paid before period-end for which the check had not cleared the reserve account totaled \$676,063 and \$592,226 relating to December 31, 2025 and 2024, respectively.

Premiums Due to Insurers

Premiums due to insurers represent amounts owed to insurance companies for insurance premiums for the current year that were paid after period-end.

6. Risks and Uncertainties

The Plan maintains cash balances at a financial institution which at times may exceed the Federal Deposit Insurance Corporation limits per depositor at each financial institution. The Plan has never experienced any losses related to these balances.

The Plan's benefit obligations are presorted based on recent actual claim lag experience and claims incurred but subsequently paid per the claim administrator record. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

Notes to Financial Statements

7. Related-Party and Party-in-Interest Transactions

The Companies provide certain accounting and administrative services for which no fees are charged. Certain Plan investments are in funds and accounts that are managed by Principal Trust Company or their subsidiaries and affiliates. As described in Note 1, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

9. Subsequent Events

The Plan has evaluated subsequent events through August 7, 2026, the date the financial statements were available to be issued.
