Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits - cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits - cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 2.
- The information in the financial statements related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

(1) Description of Plan

The following description of the Goodwill Industries of N.E. Iowa, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Goodwill Industries of Northeast Iowa, Inc. (Organization) who have completed six months of service and are age 18 or older, excluding nonresident aliens, bargaining groups (except those represented by the United Food and Commercial Workers Local 31) or program participants. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted a prototype plan document provided by CCH Incorporated, d/b/a ftwilliam.com. The prototype plan document obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with all applicable requirements of the Internal Revenue Code. Therefore, it believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Contributions

Participants in the Plan may make pretax contributions, Roth contributions or a combination of both up to 100% of their pretax annual compensation, as defined in the plan document, subject to the amounts allowed by IRS regulations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Organization may elect to contribute to the Plan discretionary matching and/or profit sharing contributions as deemed appropriate by the Organization's Board of Directors. For the years ended December 31, 2025 and 2024, the Organization approved discretionary profit sharing contributions of 3% of each participant's eligible compensation. Generally, participants receive a profit sharing contribution provided they were employed at the end of the plan year. However, if the participant worked more than 500 hours during the plan year or the termination is due to death, disability or occurred after the participant attained normal retirement age, the terminated participant will still receive an employer profit sharing contribution.

Participants also direct the investment of the Organization's discretionary matching contributions and discretionary profit sharing contributions among the aforementioned investment options.

Notes to the Financial Statements

(1) Description of Plan

Participant Accounts

Each participant's account is credited with the participant's elective and rollover contributions and allocations of (a) the Organization's discretionary contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocation of the Organization's discretionary matching contributions is based on participant contributions while allocation of the Organization's discretionary profit sharing contributions is based on participant compensation. Because all accounts are 100% participant directed, Plan earnings are attributable to the investments selected by each participant and allocated to each participant in a manner that reflects the investment experience of each participant's directions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

As of December 31, 2025 and 2024, there were no terminated participants who had requested a distribution but had not yet been paid.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's discretionary contribution portion of their accounts is based on years of service. A participant is 100% vested after six years of credited service.

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited balances of terminated participants' nonvested accounts are held in an unallocated account until they are used to reduce future employer contributions or pay administrative expenses. The amount of unallocated forfeitures as of December 31, 2025 and 2024 was \$50,410 and \$70,833, respectively. During 2025 and 2024, total forfeitures were \$43,919 and \$73,528, respectively. During 2025 and 2024, forfeitures of \$660 and \$3,406, respectively, were used to pay Plan expenses and \$64,079 and \$37,431, respectively, were used to reduce employer contributions.

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000. Generally, the maximum loan amount is the lesser of 50% of the participant's vested account or \$50,000 (reduced by the highest loan balance, if any, during the one-year period ending on the day before the new loan is made). The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25% - 10.50%.

Notes to the Financial Statements

(1) Description of Plan

Payment of Benefits

In-service distributions are permitted in the event of a qualified financial hardship or upon attaining age 59-1/2. Participants may also withdraw any part of their account balance resulting from rollovers at any time.

Upon termination of service, a participant may elect to withdraw any or all of their vested account balance. Distributions of vested terminated participant account balances of \$7,000 or less can be made without the participant's consent.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits - cash basis as administrative expenses. All administrative expenses are charged to participant accounts.

Third-Party Fee Agreements

In addition to the administrative expenses deducted on the face of the statements of changes in net assets available for plan benefits - cash basis, the various investment providers to the Plan retain investment earnings to help cover their costs of recordkeeping, administrative maintenance and marketing. These fees are deducted from the unit values of the investments, included in the investments' expense ratios and/or are paid by the investment funds or their affiliates. The fees, which were less than 1% of the Plan's investments for the years ended December 31, 2025 and 2024, have been netted against the Plan's investment income.

Subsequent Events

Management has evaluated subsequent events through August 3, 2026, the date which the financial statements were available to be issued.

(2) Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, contributions and investment income are recognized when received rather than when earned, and expenses and other deductions are recognized when paid rather than when incurred. Consequently, accrued contributions, investment income receivable and accrued expenses as of December 31, 2025 and 2024 are not included in the financial statements.

Use of Estimates

The Plan Administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported changes in net assets available for plan benefits.

(2) Summary of Accounting Policies

Financial Instruments and Concentration of Credit Risk

The Plan's investments subject the Plan to concentrations of credit risk in that substantially all of those investments are held by Principal Life Insurance Company, Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal). Following customary practices, the Plan does not hold collateral for debt investments made through this source. The maximum potential credit loss to the Plan is limited to total Plan assets as shown on the accompanying statements of net assets available for plan benefits - cash basis.

Valuation of Investments

The Plan invests in the following investments from Principal:

Investments in registered investment companies which are valued using quoted market prices.

The Plan owns units of participation in the collective funds and pooled separate accounts, not underlying assets. The fair value of these investments is based on the underlying securities, which primarily have quoted market prices. Because they are valued similarly to registered investment companies, they are included as Level 1 inputs on the fair value hierarchy in Note 4.

The Plan is invested in a fully benefit-responsive investment contract with Principal Life Insurance Company that is stated at contract value. Principal maintains the contributions in an unallocated general account (GIC). Contributions are deposited into the GIC. The participants' accounts are credited daily with a contractually guaranteed interest rate of 1.55% to 2.15%, and no administration fees are charged unless the Plan liquidates.

Purchases and sales of securities are recorded on a trade-date basis. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Interest, dividend and capital gain income is recorded when received in cash.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance. Because participant notes receivable are 100% collateralized by the participant's vested account balance, no allowance for loan losses is deemed necessary. Participant notes receivable which are in default, including outstanding balances due upon termination, are taxed to the borrower and accounted for as a deemed distribution.

Payment of Benefits

Benefits are recorded when paid.

Income Tax Status

Plan management is required to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2025 and 2024, there were no audits for any tax periods in progress.

(3) Certified Investment Information

The investment information and participant notes receivable presented in the accompanying statements of net assets available for plan benefits - cash basis as of December 31, 2025 and 2024, all investment income information presented in the statements of changes in net assets available for plan benefits - cash basis for the years ended December 31, 2025 and 2024, and the investment information in the supplemental schedule of assets (held at end of year) as of December 31, 2025 was provided by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the investment custodians.

(4) Investments

The Plan's investments were held by Principal, which has provided the Plan with certifications that the information below is complete and accurate.

The following table presents, by level, within the fair value hierarchy, the Plan's assets at fair value, all of which are participant directed.

(4) Investments

The Financial Accounting Standards Board Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted prices of the shares held by the Plan at year end.

The fair value of collective investment trusts and pooled separate accounts is based on the underlying securities, which primarily have quoted prices, and units of participation held by the Plan at year end.

Level 2 Fair Value Measurements

The Plan utilizes no Level 2 inputs.

Level 3 Fair Value Measurements

The Plan utilizes no Level 3 inputs.

Gains and losses (realized and unrealized) for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments on the statements of changes in net assets available for plan benefits - cash basis.

(5) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net appreciation in fair value of investments from the financial statements to Form 5500 for the years ended December 31:

	2025	2024
Financial statements.....	\$ 917,279	\$ 746,893
Capital gain income	<u>15,104</u>	<u>11,422</u>
Form 5500	<u>\$ 932,383</u>	<u>\$ 758,315</u>

The net appreciation in the fair value of investments is presented in the accompanying financial statements using a cost basis as required by accounting principles generally accepted in the United States of America. Form 5500 reports the net appreciation in the fair value of investments using a market value basis. Because the financial statements combine realized and unrealized gains, the net results of these two methods is the same.

(6) Related Party and Party-In-Interest Transactions

Goodwill Industries of Northeast Iowa, Inc., the Plan Sponsor, pays fiduciary bond fees and auditing fees for the Plan which totaled \$19,930 and \$19,553 during the years ended December 31, 2025 and 2024, respectively. In addition, the Plan Sponsor provides management and participant data services to the Plan at no charge.

The Plan directly enters into party-in-interest transactions with service providers, including third-party administrators, investment advisors and auditors and purchases and sales of investments sponsored by Principal or its affiliates. Such transactions resulted in administrative fees as reflected in the statements of changes in net assets available for plan benefits - cash basis.

Two of the participants in the Plan also serve as trustees of the Plan.

(7) Risks and Uncertainties

The Plan invests in various registered investment companies, collective investment trusts, pooled separate accounts and a guaranteed interest account. These investments are exposed to various issues such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - cash basis.

(8) Plan Termination

Although it has not expressed any intent to do so, Goodwill Industries of Northeast Iowa, Inc. has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
