INDEPENDENT AUDITOR'S REPORT

To Those Charged With Governance:
Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan
Columbus, Ohio

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2025, and the related notes to the financial statements (Modified Cash Basis).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements Continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held At End of Year) (Modified Cash Basis) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

KORDA/NEMETH ENGINEERING, INC. 401(K) PROFIT SHARING ASSET ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024

NOTE 1 – PLAN DESCRIPTION

The following description of The Korda/Nemeth Engineering, Inc. 401(k) Profit Sharing Asset Accumulation Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a voluntary contributory plan for the employees of Korda/Nemeth Engineering Inc. (the "Company") who are full time employees of the Company and who have 3 consecutive months of employment. The Plan became effective on January 1, 1987. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 and is administered by the Company.

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan. Participants may also defer after-tax Roth contributions. Roth elective deferral contributions and pretax elective deferral contributions are both counted in the maximum deferral limit. The Company may make matching contributions to the Plan. This contribution is discretionary and is reviewed annually by the Board of Directors. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company's matching contribution is invested in the same investments and the same percentages as the employee-directed contributions. Participants may change their investment options daily. Participants may also make rollover contributions from other qualified retirement plans or individual retirement arrangements.

Participant Accounts

Each participant's account is credited, by fund, for the participant's contributions and allocations of the Company's contributions. Earnings or losses of the Plan are allocated to individual participant's account based on the participant's account balances in the appropriate fund. Participants direct their employer matching and participant contributions into any of the available investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Each participant is permitted to have one outstanding loan. The loans are collateralized by participant investments and are repaid within five years (for the purchase of a primary residence, the repayment term may be in excess of five years) at an interest rate determined by the trustee. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or an annuity. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. Participants can also request hardship withdrawals for certain expenses as defined by the Plan. Terminated participants with a vested account balance below \$5,000 will be disbursed automatically if the terminated participant does not elect to roll the funds into another retirement account within 30 days.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis, contributions are recorded when received by the trustee, and benefits and administrative expenses are recorded when paid.

Contributions

Contributions are recorded when received by the trustee.

Benefits Paid to Participants or Beneficiaries

Benefits paid to participants or beneficiaries are recorded when paid. Account balances, less than \$5,000, will be disbursed automatically if the terminated participant does not elect to roll the funds into another retirement account within 30 days.

Administrative Expenses

Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussions of fair value measurements.

KORDA/NEMETH ENGINEERING, INC. 401(K) PROFIT SHARING ASSET ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses as they are incurred. Delinquent notes receivable from participants that are deemed to be in default are reduced and a benefit payment is recorded.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are applied to pay administrative expenses of the Plan, reduce future Company contributions, or allocated to participants. Forfeitures totaled \$19,480 and \$12,484 for the years ended December 31, 2025 and 2024, respectively. During 2025 and 2024, \$12,484 and \$23,318 from the forfeiture account were used to reduce employer contributions.

Subsequent Events

The Plan has evaluated subsequent events through July 31, 2026, the date the financial statements were available to be issued and has determined that there were no transactions or events that required disclosure through the evaluation date.

NOTE 3 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles, as modified under the modified cash basis of accounting, establish a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Fund: Valued at fair value based on the Net Asset Value (NAV) of units held of the collective fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Stable Value Fund: Valued at fair value based on the Net Asset Value (NAV) of units held of the stable value fund. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,232,331	\$ -	\$ -	\$ 22,232,331
Investments valued at NAV (*)				2,640,880
Total assets at fair value	<u>\$ 22,232,331</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,873,211</u>

KORDA/NEMETH ENGINEERING, INC. 401(K) PROFIT SHARING ASSET ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)
December 31, 2025 and 2024

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,603,545	\$ -	\$ -	\$ 20,603,545
Investments valued at NAV (*)				942,468
Total assets at fair value	<u>\$ 20,603,545</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,546,013</u>

* In accordance with Subtopic 820-10 of ASC 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTION

The Plan does not consider Company contributions to the Plan to be party-in-interest transactions. The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

Notes receivable from participants and the related interest income are considered party-in-interest transactions.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - REQUIRED SCHEDULE INFORMATION

The following information pertains to the financial statement schedules required under ERISA:

- A. Schedule of Assets (Held at End of Year) – See Schedule H, Line 4i.
- B. Obligation in Default – None to be reported.
- C. Leases in Default – None to be reported.
- D. Nonexempt Transactions with Parties-in-Interest – None to be reported.
- E. Reportable Transactions – None to be reported.
- F. Schedule of Delinquent Participant Contributions – None to be reported

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

NOTE 8 - TAX STATUS

The Company adopted a Volume Submitter 401(k) Plan with CODA, which received its latest favorable opinion letter from the Internal Revenue Service on September 21, 2020. The opinion letter stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code.

Internal Revenue Service guidelines allow adopting employers of a volume submitter plan to rely on a favorable opinion for qualification requirements without requesting a separate determination letter if the following three requirements are met: 1) the employer's plan is identical to an approved prototype plan, 2) the employer has chosen only the options permitted under the terms of the approved plan, and 3) the employer has followed the terms of the plan.

Management believes the Plan has met the three guidelines stated above and intends to continue following the provisions of the prototype plan. Thus, the Company has not requested a separate determination letter for the Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The modified cash basis of accounting requires management of an organization to evaluate tax positions taken by the Company and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS.

Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. There are currently no audits for any tax periods in progress.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has received a certification from Charles Schwab Trust Company, the Trustee of the Plan's assets, as to the completeness and accuracy of the investments and related investment income as of December 31, 2025 and 2024, and for the year ended December 31, 2025. Such information includes the composition and current value of the investments reported in the Statements of Net Assets Available for Benefits and the related investment income reported in the Statement of Changes in Net Assets Available for Benefits.
