## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee of  
Doorking, Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Doorking, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Doorking, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Doorking, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Doorking, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Doorking, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Doorking, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, line 4i - Schedule of Assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. DESCRIPTION OF PLAN – (Continued)

*Participant Accounts* - Each Participant account is credited with an allocation of the Company's contributions, Plan earnings, and forfeitures of terminated participant non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant vested account.

*Forfeitures* - The unvested portion of a terminated participant's employer account will be forfeited and contributed on a pro rata basis to eligible employees or pay plan expenses. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$3,598 and \$36,969, respectively. For the years ended December 31, 2025 and 2024, forfeited non-vested accounts were distributed to participants in the amount of \$0 and \$57,482, respectively.

*Vesting* - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. *Notes Receivable from Participants* - Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to 50 percent of their vested account balance with a maximum loan of \$50,000. The loans are secured by the balance in the participants' accounts and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time of borrowing, as determined by the Plan administrators. Principal and interest is paid ratably through bi-weekly payroll deductions.

*Payment of Benefits* - On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments as permitted. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting* - The financial statements of the Plan are prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America.

*Use of Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

*Investment Valuation and Income Recognition* - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

*Excess Contribution Payable* – Accounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 and 2024 excess contributions to the applicable participants prior to March 15, 2026 and March 15, 2025, respectively.

*Payment of Benefits* – Benefits are recorded when paid.

*Expenses* – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

*Subsequent Events* - The Plan management has evaluated subsequent events through August 19, 2026, which is the date the financial statements were available to be issued.

#### **3. TAX STATUS**

The Internal Revenue Service has determined and informed the Company by letter dated July 16, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **4. PLAN TERMINATION**

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions, amend the Plan at any time, and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

#### **5. CERTIFIED INVESTMENT**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations and Disclosures under ERISA. Certain information related to investments and notes receivable from participants held at December 31, 2025 and 2024 disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC and Reliance Trust Company, the trustees of the Plan.

Net appreciation in fair value of investments, interest and dividends from January 1, 2025 to December 31, 2025 was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by ADP Retirement Trust Services.

#### 6. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820 (formerly FAS 157), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements) as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual Funds*— Valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted market pricing in an active market. The applied inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

#### 7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan held a synthetic guaranteed investment contract (GICs) with Invesco Trust Company totaling \$6,058,222 and \$5,662,140 as of December 31, 2025 and 2024, respectively. Synthetic GICs are a portfolio of securities (debt securities or units of collective trusts) with wrap contracts associated with the portfolios. The investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure to fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Invesco, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expense. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

Investment contracts have elements of risk due to lack of secondary market and resale restrictions resulting in the inability of a Trust to sell a contract. In addition, investment contracts may be subject to credit risk based on the ability of the wrapper providers to meet their obligations under the terms of the contract.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

### 7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT – (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include Plan's failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA and changes to the Plan's prohibition on competing investment options. No events are probable of occurring that limit the ability of the Plan to transact at contract value with the issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include termination of the Plan, merger or consolidation of the Plan, material breaches by the trustee related to the administration of the 12-month put queue, or material misrepresentation.

### 8. PLAN EXPENSES/PARTY-IN-INTEREST TRANSACTIONS/EXPENSES

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by ADP Retirement Services and Reliance Trust Company. During 2025, the Plan paid fees of \$79,345 to ADP Retirement Services and other third parties for administration, recordkeeping and advisory services. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

### 9. RISKS AND UNCERTAINTIES

The Plan provides for investments in various instruments that, in general, are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for plan benefits.
