INDEPENDENT AUDITOR'S REPORT

To the Trustees
Symmco Inc. 401(k) Profit Sharing Trust
Sykesville, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed audits of the financial statements of the Symmco Inc. 401(k) Profit Sharing Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Symmco Inc. 401(k) Profit Sharing Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Symmco Inc. 401(k) Profit Sharing Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Symmco Inc. 401(k) Profit Sharing Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Symmco Inc. 401(k) Profit Sharing Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Symmco Inc. 401(k) Profit Sharing Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Symmco Inc. 401(k) Profit Sharing Trust. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 25, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Symmco Inc. 401(k) profit sharing trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General – The Plan is a defined contribution plan covering all full-time and long-term part-time employees of Symmco Inc. and Symmco Tennessee, Inc. (the Company), as further defined in the Plan agreement. Employees become eligible to participate in the Plan on the first day of the month following completion of three months of service and 250 hours. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA), as amended. The Board of Directors oversees government of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

Participant Accounts – Each participant's account is credited with (a) the participant's contributions, (b) the Company's contributions, (c) forfeitures, and (d) any earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Contributions – Participants may contribute pre-tax and Roth amounts as defined by the Plan in accordance with the Internal Revenue Code section 415 limits. Effective January 1, 2025, newly eligible participants will be automatically enrolled in the Plan at a 3% deferral rate, which will automatically increase 1% each year until 10%, unless waived by the participant. Participants may also contribute rollovers from other qualified plans. All contributions, including the employer contributions, may be directed at the discretion of each participant into the various investment options offered by the Plan.

Safe Harbor Contributions – The Company makes a 3% safe harbor contribution for each qualifying participant which is immediately vested. The safe harbor contribution was \$299,298 in 2025.

Non-Elective Contributions – The Company may make a discretionary contribution to the plan each year. Starting October 1, 2019 the Company started to make an additional 1.5% contribution to all eligible participants. Additionally, employees with 20 or more years of service will also receive a supplemental retirement contribution based on their years of service. Total non-elective contributions were \$190,969 in 2025.

Vesting – Participants are immediately 100% vested in their own contributions, safe harbor contributions, and the supplemental retirement contributions, plus actual earnings thereon. The 1.5% discretionary contribution is vested according to the vesting schedule below:

<u>Years of Service</u>	<u>Vesting Percentage</u>
One year of service	25%
Two years of service	50%
Three years of service	75%
Four years of service	100%

Forfeitures – Forfeitures represent participant account balances that are not vested upon the termination of an employee. Forfeitures may be used to offset employer contributions or to pay administrative expenses of the Plan, at the Plan administrator's discretion. The unallocated forfeiture balance was \$27,534 at December 31, 2025 and \$1,667 at December 31, 2024.

Notes Receivable from Participants – Beginning on January 1, 2025, participants may request a loan from the Plan for any purpose, subject to certain limitations. The minimum loan amount is \$1,000, and only one loan may be outstanding at any given time. The maximum loan allowed is the lesser of 50% of the participant's vested account balance, or \$50,000 reduced by the highest outstanding loan balance in the past 12 months.

SYMMCO, INC.
401(K) PROFIT SHARING TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Description of Plan (continued)

Loans are participant-directed investments, and repayments of principal and interest are credited back to the participant's account. The interest rate is based on the Prime rate plus 1%, determined on the date the loan is issued. Loans are amortized with equal installments of principal and interest over the loan term. The interest rate on loans outstanding in 2025 was from 7.75% - 8.50%.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's account, or various annuity options. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Administrative Expenses – Plan expenses not paid by the Company are paid by the Plan. To the extent available, forfeitures may be used to offset these expenses. Fees related to the administration of participant withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment expenses are included in the net appreciation of fair value of investments.

Termination - Although there is not a present intent to do so, the Company has reserved the right to terminate the Plan and, upon termination, all participants will become fully vested in any funds which have been allocated to them.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Contributions - Employee and Company contributions are recognized as additions to Plan assets in the year designated by the employee and Company, respectively.

Investment Valuation and Income Recognition – Investments held by the Plan are stated at fair value except for the fully benefit-responsive investment contract which is reported at contract value (Note 5). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price), (Note 4). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses - All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Company.

Subsequent Events – The Plan has evaluated subsequent events through August 25, 2026, the date the financial statements were available to be issued.

Note 3 – Information Certified by the Custodian

For the years ended December 31, 2025 and 2024, the plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ameritas Life Insurance Corp., the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in investments and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investment information included in the schedule of assets held at end of year as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs into three broad levels. Level 1 inputs are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are quoted prices for similar assets in active markets or inputs that are observable for the asset, either directly or indirectly through market corroboration, for substantially the full term of the asset. Level 3 inputs are unobservable and significant inputs developed by the plan sponsor based on the best information available about the assumptions market participants would use in pricing the asset. A financial asset's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used in measuring Plan assets at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts - Pooled Separate Accounts (PSAs) invest in mutual funds, equity securities, and money market accounts. PSAs are valued daily at their accumulation unit value multiplied by number of units held. The accumulation unit value is determined daily based on the net asset value of shares of the underlying fund as provided by the custodian.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SYMMCO, INC.
401(K) PROFIT SHARING TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 4 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2025				
Pooled separate accounts	\$ -	\$ 14,214,216	\$ -	\$ 14,214,216
Total Investments at Fair Value	\$ -	\$ 14,214,216	\$ -	\$ 14,214,216
December 31, 2024				
Pooled separate accounts	\$ -	\$ 15,021,776	\$ -	\$ 15,021,776
Total Investments at Fair Value	\$ -	\$ 15,021,776	\$ -	\$ 15,021,776

Note 5 - Guaranteed Investment Contract with Insurance Company

The Plan has a fully benefit-responsive guaranteed investment contract with Ameritas Life Insurance Corporation (Ameritas). Ameritas maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value is reported to the Plan by Ameritas, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all of a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Note 6 – Related-Party Transactions

The Plan's assets are invested in accounts managed by Ameritas Life Insurance Corp., the custodian of the Plan, and therefore, these transactions qualify as part-in-interest transactions.

The Plan issues loans to participants, which are secured by the participant's account balances. Additionally, the Plan paid certain administrative fees for custodial and recordkeeping services. These transactions qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under Section 408(b) of ERISA regulations.

Note 7 – Tax Status

The Internal Revenue Service has determined by a letter dated June 30, 2020, that the plan used to set the guidelines of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), as amended, and the regulations thereunder, and the Plan is thereby tax-exempt within the meaning of Section 501(a) of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and to recognize a tax benefit if it is more likely than not the tax position would be sustained upon examination by the applicable authorities. The remainder of the tax position is required to be recorded as a tax liability. The Plan's tax returns for 2022, 2023, and 2024 are subject to examination by the taxing authorities, generally for three years after they were filed. The Plan currently has no uncertain tax positions and, therefore, no liabilities have been recorded.

SYMMCO, INC.
401(K) PROFIT SHARING TRUST
NOTES TO THE FINANCIAL STATEMENTS

Note 8 – Risks and Uncertainties

The Plan provides for various investment options into any number of pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits per the financial statements to the form 5500:

	<u>2025</u>	<u>2024</u>
