INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Inotiv, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Inotiv, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Inotiv, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT--CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Inotiv, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Inotiv, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT--CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Inotiv, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inotiv, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT--CONTINUED

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the Inotiv, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A) **General**--The Plan is a defined contribution plan covering all full-time employees of the Company who have met certain service requirements. Eligibility for employee participation and employer contribution is 90 days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.
- B) **Contributions**--Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions are limited to the maximum amount allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective as investment options for participants. In 2025, the Plan terminated the guaranteed investment contract that had been offered to participants. See Note 7 for further discussion. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. The Plan features an auto-escalation of 1% on July 1 every year with a maximum of 10%.

As of January 1, 2024, the Company contributed 50% of the first 6% of the participant's elective contributions. Effective April 19, 2024, employer match was temporarily suspended, with notice appropriately provided to all Plan participants. Effective February 2, 2025, employer match was partially re-instated to 50% of employee contributions up to 1% of eligible compensation.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF PLAN (Continued)

- B) Contributions (Continued)--The Company also has the option of a discretionary contribution allocated among eligible participants in the ratio that each eligible participant's compensation bears to the total compensation paid to all eligible participants for the contribution period.

Contributions are subject to certain statutory limitations.

- C) Participant Accounts--Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D) Vesting--Participants are immediately vested in their contributions, employer contributions, and the earnings thereon.
- E) Notes Receivable From Participants--Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear an interest rate at prime plus 1% at the date of issuance, which range from 4.25% to 9.50%. The term for a home loan will be 20 years. Principal and interest is paid ratably through payroll deductions.
- F) Payment of Benefits--On termination of service due to death, disability or retirement, a participant may elect to receive the value of the participant's account by: full lump-sum payment, partial lump-sum payment, rollover, annuity or systematic withdrawals. Hardship withdrawals, as defined in the Plan, are permitted prior to reaching age 59 $\frac{1}{2}$.
- G) Forfeited Accounts--At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$20,587 and \$1,104, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were not reduced by forfeited nonvested accounts during the Plan Year.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

- A) Basis of Accounting--The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

- B) Expenses--Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

- C) Use of Estimates--The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

- D) Investment Valuation and Income Recognition--Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- E) Payment of Benefits--Benefits are recorded when paid.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (Continued)

F) Notes Receivable from Participants--Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their individual accounts.

NOTE 4: INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 5: CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 6: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

- A. Level 1--The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.
- B. Level 2--The fair value of Common Collective Trust funds is based on the market price of underlying investments. These funds are valued based on the net asset value (NAV) reported by the fund at the end of each day, which represents the fair value of the plan's interest in the underlying assets. The underlying investments within the trust consist of a diversified portfolio of publicly traded equities, real estate, and fixed-income securities.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 6: FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value:

Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 112,602,172	\$ -	\$ -	\$ 112,602,172
Common Collective Trusts	-	23,759,625	-	23,759,625
	<u>\$ 112,602,172</u>	<u>\$ 23,759,625</u>	<u>\$ -</u>	<u>\$ 136,361,797</u>

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 90,478,825	\$ -	\$ -	\$ 90,478,825
Common Collective Trusts	-	24,793,654	-	24,793,654
	<u>\$ 90,478,825</u>	<u>\$ 24,793,654</u>	<u>\$ -</u>	<u>\$ 115,272,479</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no transfers into or out of Level 3.

NOTE 7: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

Previously, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Prudential Retirement Insurance and Annuity Company (Prudential), which terminated during the Plan Year. Prior to termination, Prudential maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 7: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Because the guaranteed investment contract met the criteria to be considered fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract was presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Prudential, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024, was \$-0- and \$1,048,626 respectively. The crediting interest rate was based on a formula agreed upon with the issuer. Such interest rates were reviewed on a semi-annual basis for resetting.

Certain events may have limited the Plan's ability to transact at contract value with Prudential. Such events include the following: a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would have allowed the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include a) an uncured breach of the Plan's investment guidelines, b) a material amendment to the contract without the issuer's consent, c) a violation of a material obligation under the contract, or d) a material misrepresentation. The Plan Administrator did not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

INOTIV, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 7: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

During a prior plan year, the Company initiated plans to liquidate the Prudential Guaranteed Income Fund. The Fund's interest was liquidated in two annual installments dated July 6, 2024, and July 6, 2025. Effective July 5, 2023, no further contributions or transfers were allowed into the Fund. Effective July 6, 2025, the Fund has been liquidated and all funds transferred into mutual funds of the Plan.

NOTE 8: RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trusts managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$245,023 for the year ended December 31, 2025.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10: SUBSEQUENT EVENTS

Effective January 9, 2026, employer match was increased to 50% of employee contributions up to 1.3% of eligible compensation as part of their plan to restore employer match to the full 3% allowed.

Effective July 30, 2026, the Plan Sponsor has changed its legal name to Inotiv LLC as they are no longer a publicly traded company.

The Plan has evaluated subsequent events through August 24, 2026, the date which the financial statements were available to be issued.
