Mr. John Peavy
New Hope Housing, Inc.
3315 Harrisburg Boulevard, Suite 400
Houston, TX 77003

Dear Mr. Peavy:

This letter sets forth our understanding of the services we are to provide for 403(b) Thrift Plan for Employees of New Hope Housing, Inc..

Audit Scope and Objectives - You have requested that we perform an ERISA Section 103(a)(3)(C) audit and report on the financial statements of 403(b) Thrift Plan for Employees of New Hope Housing, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

As part of our audit, we will report on the supplemental schedules required by the DOL's rules and regulations for reporting and disclosure under ERISA (ERISA-required supplemental schedules) for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedules are included in the Plan's Form 5500 filing with the Employee Benefit's Security Administration of the DOL.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department

of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Except as described in the preceding paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made, based on the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

Auditors' Responsibilities – We will conduct our audit in accordance with GAAS. Those standards require that we are independent and that we fulfill our other ethical responsibilities relevant to the audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that

achieves fair presentation.

- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the ERISA plan financial statements as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures in accordance with GAAS. Accordingly, our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

Management's Responsibilities for the Financial Statements – Our audit will be conducted on the basis that plan management acknowledge and understand that they have responsibility:

- for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America which includes the determination of the appropriate value of investments;
- for determining whether:
 - an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances;
 - the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8;

- the certification meets the requirements in 29 CFR 2520.103-5; and
- the certified investment information is appropriately measured, presented, and disclosed in accordance with GAAP as of December 31, 2023.
- for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error;
- for evaluating whether conditions or events, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued, and to provide appropriate financial statement disclosure, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting;
- for maintaining a current plan instrument, including all plan amendments;
- for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants;
- for the presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including their form and content in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
- for identifying and determining that the Plan complies with the laws and regulations applicable to its activities; and
- to provide us with:
 - access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - a draft of Form 5500 that is substantially complete prior to the dating of the auditor's report;
 - additional information that we may request from management for the purpose of the audit; and
 - unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management agrees to include the auditor's report on the supplemental schedules in any document that contains the supplemental schedules and indicates that the auditor has reported on such supplemental schedules.

Form 5500 – You have not engaged us to prepare the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating our auditor's report. The purpose of this procedure is to identify material inconsistencies, if any, with the audited ERISA plan financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared.

Reporting - We will issue a written report upon completion of our audit of the Plan's financial statements and ERISA-required supplemental schedules. We will report on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in accordance with GAAP and whether the certified investment information in the financial statements agrees to or is derived from the information certified by a qualified institution. Our report will be addressed to the plan administrator.

We will also report on whether the form and content of the ERISA-required supplemental schedules, other than the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Circumstances may arise in which our report may differ from its expected form and content based on the results of our ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our ERISA Section 103(a)(3)(C) opinion, add an emphasis-of-matter paragraph or other-matter paragraph to our auditor's report, or if necessary, withdraw from the engagement.

Engagement Administration, Fees, and Other – We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by preparing all requested reconciliations, schedules, and confirmations, and by retrieving supporting documents, and other information to prepare and support the financial statements. We will provide an audit preparation list and ask that all preparations be completed, and all requested information be provided prior to the start of fieldwork. If, for whatever reason, your personnel are unavailable

to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement, resulting in an increase in fees over our fee estimate and inability to complete our audit within established deadlines.

Our fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. Circumstances may arise that expand the scope of the audit resulting in additional time and fees such as:

- Changes in third-party administration or financial institutions during the plan year.
- Changes in the design or deterioration in the operation of internal controls.
- Identification of deficiencies in internal control.
- Client preparations not completed at the time fieldwork commences.
- Client prepared audit schedules or account reconciliations require revision during the audit.
- Identified instances of noncompliance or suspected noncompliance with laws or regulations or plan provisions.

Other significant changes in the Plan, as well as changes in accounting or auditing rules and regulations, also could affect the estimated fee. If you anticipate particular changes, we would be pleased to discuss their expected impact on the audit fee.

We estimate that our fee for the 2023 audit will be \$11,500. We also will bill you for travel and other out of pocket expenses, if any, at our cost.

There will be no additional charges for consultation throughout the year that is directly related to our audit services. We expect to stay in contact during the year and believe that it facilitates our work at year end when we are aware of your current activities and when you have considered the accounting implications of transactions as they occur. We look forward to hearing from you frequently.

Lou Ann Taylor is the engagement partner and is responsible for supervising the engagement and authorizing issuance of reports. To ensure that Blazek & Vetterling's independence is not impaired under the AICPA *Code of Professional Conduct*, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

We will require you to make available to us appropriate space to conduct the portion of the audit that will be performed at your offices. To promote efficiency, a significant part of our audit will be conducted using electronic media. As such, the space provided should include the necessary electrical outlets and network connections.

Our firm undergoes an external system quality review every three years. Firms can receive a rating of pass, pass with deficiencies, or fail. Blazek & Vetterling has received a rating of pass in each peer review since the firm's inception.

We may be requested to make certain working papers available to the DOL pursuant to authority given to it by law or regulation. If requested, access to such working papers will be provided under the supervision of Blazek & Vetterling personnel. We will retain our working papers for at least five years after the date of our report. Representatives of our firm's independent quality review team will have access to the working papers upon request. Any other access to our working papers will be discussed with you.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Yours very truly,
