Silver Oak Cellars 401(k) Profit Sharing Plan
Healdsburg, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Silver Oak Cellars 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Silver Oak Cellars 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Board of Silver Oak Wine Cellars, LLC (the "Plan Sponsor") established the Plan as of January 1, 1984. The Plan is a multiple-employer defined contribution plan covering all employees of Silver Oak Wine Cellars, LLC, Rawah Vineyards, LLC, The Oak Cooperage, LLC, and Metamorphosis Wines, LLC (the "Company" or "Employer"). The Plan is intended to conform to and qualify under Section 401 of the Internal Revenue Code of 1986, as amended (IRC). The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

The Plan Sponsor has delegated certain responsibilities for the operation and administration of the Plan to a third-party administrator. The Plan Sponsor has contracted with Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively "Principal") to serve as the custodians and an affiliate of Principal to process and maintain the records of participant data.

Eligibility

Employees who are not members of an excluded class are eligible to participate in the Plan after completing one year of service, defined as at least 1,000 hours of service during the applicable eligibility computation period. Effective July 1, 2019, an eligible employee enters the Plan on the first day of the month coinciding with or next following the date the eligibility requirements are satisfied.

The Plan excludes collectively bargained employees, leased employees, reclassified employees, and employees of Duncan Oil Co. and Diamond Tail Ranch Company, LLC. Part-time, temporary, and seasonal employees who are regularly scheduled to work fewer than 1,000 hours during the applicable eligibility computation period are also excluded; however, such employees become eligible if they actually complete at least 1,000 hours of service during that period.

Employer Contributions and Funding Policy

The Employer makes safe harbor matching contributions to eligible participants of 100% of the participant's elective deferral up to a maximum of 4% of eligible compensation, as defined by the Plan. Additionally, the Employer is allowed to make discretionary non-elective contributions of 11% of eligible compensation to active participants. Contributions are subject to regulatory limits. Historically, the Employer contributions for the discretionary non-elective contributions are calculated and remitted to the Plan subsequent to year-end, therefore included as a contribution receivable in the statement of net assets available for benefits. As of December 31, 2025 and 2024, the Employer did not make any discretionary non-elective contributions to its participants.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Participant Contributions

Each year, participants may contribute up to 100% of eligible pre-tax compensation, as defined by the Plan. Participants may also elect to make Roth contributions on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to regulatory limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans as rollover contributions. The Plan has an automatic enrollment feature in which eligible employees will be automatically enrolled at 4% pre-tax elective deferral unless the employee makes a contrary election or opts out.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan Sponsor contributions, Plan earnings (losses), and charged with an allocation of administrative expenses, unless paid by the Plan Sponsor. Allocations are based on participant compensation, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting of Benefits

Participants are fully vested in their own contributions, safe harbor matching contributions, and the related investment earnings. Vesting in discretionary non-elective employer contributions is based on years of service and is determined under a six-year graded vesting schedule.

Forfeited Accounts

Forfeited non-vested contributions are first used to pay Plan expenses or to reduce any non-elective contribution, then ratably reallocated to continuing participants. There were \$33,862 and \$16,469 in forfeitures as of December 31, 2025 and 2024, respectively.

Payment of Benefits

Distributions and withdrawals are payable upon death, disability, retirement, termination of service, upon attaining the age of 59 1/2 or financial hardship, as defined by the Plan. If a participant's balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. Balances between \$1,000 and \$7,000 must be rolled over to an individual retirement plan designated by the Plan administrator if the participant has not requested a distribution. If the account balance is over \$7,000, the participant can consent to either a distribution paid in the form of a lump-sum payment, a direct rollover into another qualified plan, installment payments under various options equal to the value of the participant's vested interest in his or her account or postpone payment to a later date and remain in the Plan as described in the Plan Document.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the related statements of changes in net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts, as defined by the Plan Document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Contributions

Contributions from participants are recorded based on the date the contributions have been separated from the participant's pay by the Employer, which is the pay date. Employer contributions are determined by multiplying the eligible gross wages paid to each participant by the discretionary contribution percent. Contributions from the Employer are recorded based on the date the funds have been transmitted to the Plan. The Plan records receivables for contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Rollover contributions from participants are recorded based on the date the funds have been allocated to the participants' accounts.

Investment Valuation and Income Recognition

Investment management and administrative expenses embedded in the net asset value of the common collective trusts are reflected as a reduction of investment return and are not presented separately. Investment management, advisory, recordkeeping, and other administrative fees charged directly to the Plan are reported separately as administrative expenses in the statement of changes in net assets available for benefits. Such expenses are recognized when incurred, with accruals recorded for amounts due but unpaid.

Benefit Payments

Benefit payments to participants are recorded as a reduction to net assets when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Management Fees and Administrative Expenses

Investment management fees and administrative expenses charged to the Plan for investments in the common collective trusts are deducted from the funds and are not reflected separately. Consequently, investment management fees and administrative expenses are reflected as a reduction of investment return for such investments. Fees charged by the Plan record keeper and investment advisor are included in Administrative Expenses in the Statement of Changes in Net Assets Available for Benefits. Administrative expenses are recognized when incurred, and liabilities are recorded for amounts incurred but unpaid.

Subsequent Events

The Plan has been evaluated from December 31, 2025 through August 26, 2026, the date the financial statements were available to be issued. Except for the items in Note 7, the Plan did not identify any recognizable or unrecognizable subsequent events that would have a material impact on the presentation of the Plan's financial statements.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C). Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Principal, the Custodian, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedules.

The Plan administrator has obtained certifications from the Custodian that such information is complete and accurate as of December 31, 2025 and 2024.

The following is a summary of financial information certified by the Custodian as accurate and complete as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Common Collective Trusts	\$ 49,783,475	\$ 47,535,847

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (continued)

	<u>2025</u>	<u>2024</u>
Net Appreciation in Fair Value of Investments		
Common Collective Trusts	\$ 7,005,694	\$ 4,778,687

NOTE 4 - FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodology used for assets measured at fair value on a recurring basis.

Collective Investment Trusts (CITs): Units held in collective trust funds are valued using the net asset value ("NAV") practical expedient of the CITs as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CIT, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of the CITs is determined daily. Participant-directed investments in units of the CITs held by the Plan can be redeemed daily, and there are no redemption restrictions or notice requirements.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodology used as of December 31, 2025 and 2024. The Plan's investments measured at NAV practical expedient totaled \$49,783,475 and \$47,535,847 at December 31, 2025 and 2024, respectively.

NOTE 5 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian or its affiliates, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a preapproved plan document and relies on the favorable opinion letter issued by the Internal Revenue Service to Principal Life Insurance Company, which has received a favorable opinion letter dated June 30, 2020. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, that the Plan continues to qualify for tax-exempt status. A favorable IRS letter addresses the qualified status of the plan's form; continued qualification also depends on the Plan's operation and the timely adoption of required amendments.

SILVER OAK CELLARS
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 6 - INCOME TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability, or derecognize a tax benefit, when it is more likely than not that the position would not be sustained upon examination by the applicable taxing authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations in progress for any tax periods.

NOTE 7 - SUBSEQUENT EVENT

Subsequent Event – Plan Amendment

On April 1, 2026, the Plan Sponsor executed Amendment No. 3 to the Plan, generally effective May 1, 2026. The amendment restates certain plan provisions, including changes to eligibility, automatic enrollment, safe harbor matching contributions, compensation provisions, and employer contribution allocation provisions. Among other changes, the amendment provides no age or service requirement and monthly entry for elective deferrals and safe harbor matching contributions, increases the automatic deferral percentage to 6% for participants entering or reentering the Plan on or after May 1, 2026, and provides an enhanced safe harbor matching contribution equal to 100% of elective deferrals up to 6% of compensation, calculated on a Plan Year basis. The amendment did not affect the Plan's net assets available for benefits as of December 31, 2025.

NOTE 8 - RECONCILIATION TO FORM 5500 SCHEDULE H

The following is a reconciliation of changes to net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2025</u>	<u>2024</u>
