Independent Auditor's Report

To the Plan Administrator
T3 Expo, LLC
Lakeville, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of T3 Expo 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of T3 Expo 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of T3 Expo 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T3 Expo 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the T3 Expo 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T3 Expo 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes for the year ending December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Emphasis Of a Matter – Report on Compiled 2024 Financial Statements

Plan management is responsible for the accompanying financial statement of T3 Expo, LLC 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2024. We have performed a compiled engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2024 financial statement nor were required to perform procedures to verify the accuracy or completeness of the information provided by the plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2024 financial statement.

T3 EXPO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of plan

The following description of the T3 Expo 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of T3 Expo, LLC who are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan entry date is the first day of the month following satisfaction of the eligibility requirements.

Contributions

Each year participants may contribute up to the IRS limitation. The Plan allows for discretionary employer matching and profit sharing contributions. The employer may make matching contributions equal to 50% of participants' salary deferrals, up to 5% of eligible compensation. The Company contributed \$285,606 in net matching contributions for 2025, net of forfeitures. There were no discretionary contributions made in 2025.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all Company contributions is as follows:

Years of Vesting Service	Contribution Vesting Percentage
Less than 1 year	0
1 year	20
2 years	40
3 years	60
4 years	80
5 years	100

Years of service is defined as 1,000 hours of service within the Plan calendar year.

Investment allocation

Participants may direct their account balances to any of the fund options offered by the Plan.

Withdrawals

Participants are allowed to withdraw certain portions of their accounts, as defined by the Plan, upon retirement, termination, or determination of financial hardship.

T3 EXPO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of plan (continued)

Distributions of benefits

Upon retirement or termination of employment, the value of the vested portion of the participant's account will be distributed to the participant in a lump-sum payment, if the vested portion is not more than \$7,000. If the vested portion is more than \$7,000, the payout will be in the form of an annuity or a lump sum payment.

Plan administration

The Plan is administered by the Plan Administrator, who is appointed by the management of the Company. The Plan's custodian, ADP Retirement Trust Services, LLC, the qualified certifying institution, is responsible for the custody of the Plan's assets. The Plan's administrative expenses may be paid by T3 Expo, LLC or the Plan.

Loans to participants

Participants may borrow a minimum of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance from their fund accounts. Loan terms range from 1-5 years, which may be extended for the purchase of a primary residence. The interest rate for a loan will be the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in The Wall Street Journal on the 14th of each month, plus two percentage points. Principal and interest are paid ratably through payroll deductions.

Forfeitures

When certain termination of participants in the Plan occurs, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be used to pay Plan's expenses or to reduce Company contributions. As of December 31, 2025, the Plan has accumulated \$26,675 in forfeitures. Also in 2025, employer contributions were reduced by \$22,291 from forfeited nonvested accounts.

Note 2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of benefits

Benefits are recorded when paid.

Excess contribution payable

Amounts payable to participants for contributions in excess of amounts allowed are recorded as liability with a corresponding reduction to contributions. During the year ended December 31, 2025, the Plan recorded approximately \$10,554 of excess employee deferrals. These amounts will be returned to the affected participants in accordance with the Internal Revenue Service (IRS) correction guidance. The Plan distributed the 2025 excess contributions to the applicable participants prior to March 15, 2026.

T3 EXPO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

The Plan has adopted Accounting Standards Update No. 2010-25 “Reporting Loans to Participants by Defined Contribution Pension Plans as Receivables and not as Investments”.

Participant loans in the amount of \$128,417 and \$161,755, at December 31, 2025 and 2024, respectively, have been reclassified from investments to receivables.

Valuation of investments and income recognition

The Plan’s investments are stated at fair value except common collective trusts. Mutual funds are valued at the closing price reported on the active market on which the individual securities are traded. Shares of mutual funds are valued at quoted market prices which represent the fair value of shares held by the Plan at year end.

Common collective trusts are valued at the net asset value (NAV) of units of the bank’s collective trust. The NAV, as provided by the trustee, is used as a practical expedient to value the investment. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly manner. Investments carried at NAV are not assigned a fair value hierarchy level (Note 6).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Payments of benefits are recorded when paid.

Fair value measurement

The Plan has adopted the criteria of FASB Accounting Standards Codification (ASC) 820, “*Fair Value Measurements and Disclosures*”. ASC 820 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles, and expands disclosures about fair value measurements. ASC 820 establishes a fair value hierarchy that prioritizes the inputs and assumptions used to measure fair value.

A financial instrument’s level within the framework is based upon the lowest level of any input that is significant to the fair value measurement.

T3 EXPO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of significant accounting policies (continued)

Fair value measurement (continued)

The three levels of the fair value framework under ASC 820 are as follows:

Level I: Fair values are based on inputs that reflect quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level II: Fair values are based on inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active.

Level III: Fair values are based on inputs that are unobservable.

Net asset value (NAV) for common collective trusts as fair value

The common collective trust funds are comprised of units not publicly traded. The underlying assets in these funds are valued where applicable on exchanges and price quotes for the assets held by the fund when readily available. When current market prices or quotations are not available, valuations are determined using valuation models adopted by the fund's trustee or other inputs principally from or corroborated by observable market data. The common collective trust funds are valued at their NAV on the last day of the calendar year of the period; as a result, these investments are not classified within the fair value hierarchy.

Note 3. Tax status

The Plan obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize tax liabilities if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Management is unaware of any uncertain tax position. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, and after payment of all expenses and proportional adjustment of accounts to reflect such expenses, participants will become 100% vested in the remaining balance of their accounts.

Note 8. Related party and party of interest

Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the plan. Administrative fees paid directly by the Company on behalf of the Plan totaled \$575 during the year ended December 31, 2025.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party of interest transactions.

Note 9. Risk and uncertainties

The Plan invests in various mutual funds. Investment in mutual funds is exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of mutual funds will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Note 10. Date of management review

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to disclose the date through which subsequent events have been evaluated for possible recognition or disclosure in the accompanying financial statements. Subsequent events are transactions or events that occur after the balance sheet date, but before the financial statements are issued or available to be issued. The accompanying financial statements include the evaluation of subsequent events that have occurred through July 21, 2026, which is the date the financial statements were available to be issued.
