INDEPENDENT AUDITOR'S REPORT

Plan Administrator
United Soccer Leagues LLC 401(k) Plan
Tampa, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the United Soccer Leagues, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the United Soccer Leagues, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statement

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the United Soccer Leagues, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Soccer Leagues, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Prior Year Financial Information

The statement of net assets available for benefits as of December 31, 2024, presented herein for comparative purposes, has not been audited. Accordingly, we do not express an opinion or any other form of assurance on the 2024 comparative financial information.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been

Plan Administrator
United Soccer Leagues LLC 401(k) Plan

subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED SOCCER LEAGUES LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the United Soccer Leagues LLC (the “Company”) 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of the Company who have attained age 18 and completed six months of service. Leased employees are excluded from the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the “SECURE Act 2.0”) includes both required and optional retirement provisions with varying effective dates through 2027. The Plan has implemented the required provisions and certain optional provisions of the SECURE Act 2.0. Implementation of these provisions did not have a material effect on the Plan’s financial statements. The remaining provisions continue to be evaluated by the Plan administrator. The Plan is required to be amended to comply with the applicable requirements of the SECURE Act 2.0 by December 31, 2026.

Contributions:

Participants may contribute a percentage of their eligible compensation, as defined by the Plan, as pre-tax elective deferrals or designated Roth contributions, subject to applicable statutory and Plan limitations. The Plan provides for the automatic enrollment of eligible participants at a deferral rate of 4% of pre-tax compensation, unless the participants affirmatively elect otherwise. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes safe harbor matching contributions equal to 100% of each eligible participant’s elective deferrals that do not exceed 6% of the participant’s eligible compensation. Safe harbor matching contributions are fully vested when made. The Company may also make discretionary matching contributions and discretionary nonelective employer contributions in accordance with the Plan. No discretionary matching contributions or discretionary nonelective employer contributions were made for the year ended December 31, 2025.

Participant Accounts:

Each participant’s account is credited with the participant’s contributions, any employer contributions and an allocation of Plan earnings, and charged with withdrawals, administrative expenses, and an allocation of Plan losses. Allocations are based on the participant’s account balances and contributions, as defined. Participants may choose to invest their accounts in one or more funds established by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

UNITED SOCCER LEAGUES LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are immediately fully vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Employer matching contributions are subject to a six-year graded vesting schedule under which participants become vested at 0% after one year of service, 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% after six years of service. However, participants become fully vested in employer contributions upon disability or death.

Investment Options:

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds as investment options for participants.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may range from one to five years, but may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate at the time of note issuance plus 1%. Principal and interest is paid ratably on at least a quarterly basis. Loan balances not repaid within the stated period are deemed as distributions to participants.

Forfeitures:

Forfeitures of terminated participants' non-vested matching contributions are first used to pay administrative expenses. Any remaining amounts will be used to reduce future employer matching contributions. During the year ended December 31, 2025, forfeited non-vested amounts totaling \$3,000 were used to pay for administrative expenses. On December 31, 2025 and 2024, the Plan held nonvested forfeited balances of \$3,299 and \$6,097, respectively.

Payment of Benefits:

On termination of service, death, disability, or retirement, or upon attainment of age 59 ½, a participant's distribution from the Plan can be made in a lump sum or partial withdrawal. A participant may request a distribution from his/her rollover contribution account at any time. A participant may also request a distribution in case of hardship as detailed in the Plan provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions:

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses are paid by the Plan or the Company as provided in the Plan document.

Subsequent Events:

The Plan has evaluated subsequent events through August 24, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 820, Fair Value Measurements, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for financial instruments measured at fair value:

Mutual funds are valued at the quoted net asset value of shares held by the Plan at year-end.

All mutual funds held by the Plan as of December 31, 2025 and 2024, were categorized within level 1 of the fair value hierarchy.

NOTE 4 - CERTIFIED INVESTMENT INFORMATION (UNAUDITED INFORMATION)

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of and for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), a qualified institution. This information is summarized below:

Interest and dividends	185,345
Interest income on notes receivable from participants	<u>4,618</u>
	<u><u>\$ 1,148,231</u></u>

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments. Fidelity Management Trust Company ("Fidelity"), a subsidiary of Fidelity Investments, is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The fair value of investments managed by Fidelity Investments at December 31, 2025 and 2024 totaled \$1,344,858 and \$558,397, respectively.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a pre-approved plan document (formerly known as a volume submitter plan) provided by Fidelity Management & Research Company (FMR LLC). FMR LLC received its latest opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. The pre-approved plan document has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

United Soccer Leagues LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the United Soccer Leagues, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the United Soccer Leagues, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statement

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the United Soccer Leagues, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Soccer Leagues, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Prior Year Financial Information

The statement of net assets available for benefits as of December 31, 2024, presented herein for comparative purposes, has not been audited. Accordingly, we do not express an opinion or any other form of assurance on the 2024 comparative financial information.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been

Plan Administrator

subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED SOCCER LEAGUES LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the United Soccer Leagues LLC (the “Company”) 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of the Company who have attained age 18 and completed six months of service. Leased employees are excluded from the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the “SECURE Act 2.0”) includes both required and optional retirement provisions with varying effective dates through 2027. The Plan has implemented the required provisions and certain optional provisions of the SECURE Act 2.0. Implementation of these provisions did not have a material effect on the Plan’s financial statements. The remaining provisions continue to be evaluated by the Plan administrator. The Plan is required to be amended to comply with the applicable requirements of the SECURE Act 2.0 by December 31, 2026.

Contributions:

Participants may contribute a percentage of their eligible compensation, as defined by the Plan, as pre-tax elective deferrals or designated Roth contributions, subject to applicable statutory and Plan limitations. The Plan provides for the automatic enrollment of eligible participants at a deferral rate of 4% of pre-tax compensation, unless the participants affirmatively elect otherwise. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes safe harbor matching contributions equal to 100% of each eligible participant’s elective deferrals that do not exceed 6% of the participant’s eligible compensation. Safe harbor matching contributions are fully vested when made. The Company may also make discretionary matching contributions and discretionary nonelective employer contributions in accordance with the Plan. No discretionary matching contributions or discretionary nonelective employer contributions were made for the year ended December 31, 2025.

Participant Accounts:

Each participant’s account is credited with the participant’s contributions, any employer contributions and an allocation of Plan earnings, and charged with withdrawals, administrative expenses, and an allocation of Plan losses. Allocations are based on the participant’s account balances and contributions, as defined. Participants may choose to invest their accounts in one or more funds established by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

UNITED SOCCER LEAGUES LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are immediately fully vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Employer matching contributions are subject to a six-year graded vesting schedule under which participants become vested at 0% after one year of service, 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% after six years of service. However, participants become fully vested in employer contributions upon disability or death.

Investment Options:

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds as investment options for participants.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may range from one to five years, but may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate at the time of note issuance plus 1%. Principal and interest is paid ratably on at least a quarterly basis. Loan balances not repaid within the stated period are deemed as distributions to participants.

Forfeitures:

Forfeitures of terminated participants' non-vested matching contributions are first used to pay administrative expenses. Any remaining amounts will be used to reduce future employer matching contributions. During the year ended December 31, 2025, forfeited non-vested amounts totaling \$3,000 were used to pay for administrative expenses. On December 31, 2025 and 2024, the Plan held nonvested forfeited balances of \$3,299 and \$6,097, respectively.

Payment of Benefits:

On termination of service, death, disability, or retirement, or upon attainment of age 59 ½, a participant's distribution from the Plan can be made in a lump sum or partial withdrawal. A participant may request a distribution from his/her rollover contribution account at any time. A participant may also request a distribution in case of hardship as detailed in the Plan provisions.

DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions:

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses are paid by the Plan or the Company as provided in the Plan document.

Subsequent Events:

The Plan has evaluated subsequent events through August 24, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 820, Fair Value Measurements, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for financial instruments measured at fair value:

Mutual funds are valued at the quoted net asset value of shares held by the Plan at year-end.

All mutual funds held by the Plan as of December 31, 2025 and 2024, were categorized within level 1 of the fair value hierarchy.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments. Fidelity Management Trust Company ("Fidelity"), a subsidiary of Fidelity Investments, is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The fair value of investments managed by Fidelity Investments at December 31, 2025 and 2024 totaled \$1,344,858 and \$558,397, respectively.

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a pre-approved plan document (formerly known as a volume submitter plan) provided by Fidelity Management & Research Company (FMR LLC). FMR LLC received its latest opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. The pre-approved plan document has been amended since receiving the opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - RISKS AND UNCERTAINTIES
