Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Sashco, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

To the Plan Administrator
Sashco, Inc. 401(k) Plan

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Plan Description

The following description of Sashco, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 1995 and subsequently restated on July 29, 2021. The Plan is available to all employees age 18 years or older who have completed one month of service. Employees are eligible to enter the Plan on the first day of the month following completion of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Management of Sashco, Inc. (the "Company") administers the Plan. Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, Empower) serve as trustee, manage plan assets, and maintain the Plan's records. Empower offers plan participants a variety of investment options through mutual funds, common/collective trust funds, and a fully benefit-responsive guaranteed group annuity contract. Individual accounts are invested in the various investment options at the direction of the participants.

Contributions

Participants may make before-tax contributions up to 100 percent of their annual eligible compensation, as limited by the Internal Revenue Service (IRS), which is adjusted annually by the secretary of the Treasury for inflation. This maximum percentage may be reduced by the plan administrator in certain circumstances. Eligible employees who have reached age 50 during the plan year may elect to make catch-up contributions, as limited by the IRS. The Plan also permits rollover contributions from other qualified retirement plans. Employee contributions to the Plan are made through regular payroll deductions.

The Company may make a matching contribution equal to a discretionary percentage, to be determined by the Company, of the participant's elective deferrals. During the year ended December 31, 2025, the Company made a matching contribution of 50 percent of the participants' elective deferrals, up to 6 percent of eligible participant compensation. Employees are eligible to receive employer contributions if they are participating in the Plan and have completed one month of service.

The Company may make a profit-sharing contribution equal to a discretionary pro rata formula based on the participant's eligible compensation for the plan year. Employees are eligible to receive the profit-sharing contributions if they are participating in the Plan, have completed 1,000 hours of service, and are employed on the last day of the plan year. There was no profit-sharing contribution made during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited or debited with the participant's contributions and withdrawals, as applicable, and an allocation of the Company's contributions, plan earnings or losses, forfeitures, and plan expenses. Allocations are based upon plan earnings or losses and account balances, as defined by the Plan. The benefit to which a participant is entitled is the vested portion of the participant's account.

Vesting

Participants are immediately 100 percent vested in their voluntary contributions, allocated earnings or losses thereon, and any matching contributions.

December 31, 2025 and 2024

Note 1 - Plan Description (Continued)

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. Participants may have a maximum of two loans outstanding at any given time. The loans are secured by the balances in the participants' accounts and bear interest at rates that range from 3.25 to 8.50 percent, which are commensurate with local prevailing rates determined quarterly by the plan administrator at loan origination, and mature at various dates through 2030. Loans have a maximum term of 5 years, unless such loan is for the purchase of the participant's primary residence, in which case the repayment period may not exceed 30 years from the date of the loan origination. Principal and interest are paid ratably through payroll deductions. Participant loans are recorded in the financial statements at amortized cost (which represents unpaid principal plus accrued interest). Upon termination of a participant from employment, the participant's loan shall continue to be payable in accordance with the provisions of the participant's loan or be due in full.

Benefit Payments

Upon death, disability, retirement, or termination of service, a participant or his or her beneficiary may receive, at his or her election, within a reasonable period of time, a lump sum in the amount equal to the participant's vested account balance. Benefits are recorded when paid.

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment with the plan sponsor. Furthermore, the Plan allows for terminated participant vested account balances of \$5,000 or less to be automatically distributed if the terminated participant is to receive a distribution before attaining the age of 62 or normal retirement age of 60 years, as defined by the Plan. The IRS has required minimum distributions once a participant reaches age 73 during the previous plan year and is no longer employed by the Company. Benefits are recorded as distributions to participants when paid.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

Administration

The Company provides, at no cost to the Plan, certain administrative, accounting, and legal services to the Plan and also pays the cost of certain outside services for the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

December 31, 2025 and 2024

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive guaranteed group annuity contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. See Note 5 for additional information.

The common/collective trust funds are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. All other investments are valued based on quoted market prices reported in active markets. See Note 4 for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures at the date of the financial statements and during the reporting period. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Administrative Expenses

Various administrative costs are paid by the Company.

Subsequent Events

Subsequent to December 31, 2025, the Plan changed recordkeeper, trustee, and custodian from Empower Annuity Insurance Company of America and Empower Trust Company, LLC to BOK Financial Retirement Plan Services and BOKF, NA (collectively, BOK), effective April 1, 2026. In connection with the transition, participant account records and plan assets were transferred to BOK. Management evaluated this event through the date the financial statements were available to be issued and determined that no adjustment to the accompanying financial statements was required.

The financial statements and related disclosures include evaluation of events up through and including August 25, 2026, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

Empower holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by Empower.

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Notes to Financial Statements

December 31, 2025 and 2024

Note 4 - Fair Value Measurements (Continued)

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2025 and 2024:

Assets Measured at Fair Value on a Recurring Basis at December 31, 2025				
	Level 1	Level 2	Level 3	Investments (at Fair Value)
Mutual funds	\$ 3,596,091	\$ -	\$ -	\$ 3,596,091
Investments measured at NAV - Common/collective trust funds (1)				<u>6,904,854</u>
Total investments at fair value				<u>\$ 10,500,945</u>

Assets Measured at Fair Value on a Recurring Basis at December 31, 2024				
	Level 1	Level 2	Level 3	Investments (at Fair Value)
Mutual funds	\$ 2,481,585	\$ -	\$ -	\$ 2,481,585
Investments measured at NAV - Common/collective trust funds (1)				<u>6,655,214</u>
Total investments at fair value				<u>\$ 9,136,799</u>

- (1) This class represents investments in actively managed common/collective trust funds with investments in both equity and debt securities. The investments may include common stock, corporate bonds, U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures. Generally, there are no restrictions on a participant's ability to redeem his or her investment in these common/collective trust funds at the investment's NAV. However, withdrawals prompted by certain events, such as termination of the managed income portfolio or changes in laws or regulations, may restrict a participant's ability to redeem the investment at its NAV. Trust units may be redeemed on a daily basis.

There were no unfunded commitments or redemption restrictions on the investments described above.

December 31, 2025 and 2024

Note 5 - Group Annuity Contract

The Plan entered into a fully benefit-responsive guaranteed group annuity contract with Empower Annuity Insurance Company of America. Contributions to the contract purchase a contractual or guaranteed amount of future benefits. The guarantees and returns of the contract are backed by the claims-paying ability of Empower Annuity Insurance Company of America. The contract is included in the financial statements at contract value, as reported to the Plan by the trustee. Contract value represents contributions made under the contract, plus interest, less participant withdrawals. Within the contract, the Plan holds fully benefit-responsive accounts. Fully benefit-responsive accounts have no liquidity restrictions.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Plan's interest crediting rate in the contract is set on a quarterly basis. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

Note 6 - Tax Status

The Plan uses a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Note 7 - Related Party and Party-in-interest Transactions

The Plan provides for loans to participants, which are party-in-interest transactions that are exempt from the prohibited transactions rules. Additionally, the Plan invests in a group annuity contract, as discussed in Note 5, managed by Empower Annuity Insurance Company of America and a mutual fund that is sponsored by Empower Trust Company, LLC but managed by a registered investment company; therefore, these transactions qualify as party in interest. These transactions are exempt from the prohibited transaction rules.

Note 8 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:
