## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator, Participants and Beneficiaries  
of the Bader Retirement Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Bader Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter***

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BADER RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements December 31, 2025 and 2024**

#### **NOTE A - DESCRIPTION OF THE PLAN**

The following description of the Bader Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

##### **[1] General:**

The Plan is a defined contribution plan covering the employees of Bader Management, Inc. (the “Company”). Employees are eligible to make salary deferral contributions after completing one month of service and attaining age 21. Employees are eligible to participate in employer matching and discretionary contributions after completing one year of service (1,000 hours) and attaining age 21. Employees may enter the Plan after satisfying the eligibility requirements on any of the subsequent entry dates, which are January 1, April 1, July 1, and October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant directed in various investment fund options offered by the Plan. The Plan administrator is responsible for oversight of the Plan. The Plan’s investment committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan administrator. The Plan is administered by the Company. Empower Annuity Insurance Company of America and Empower Trust Company, LLC are the trustee and Empower Retirement, LLC is the recordkeeper of the Plan.

##### **[2] Contributions:**

Participants may elect salary deferral contributions, including after-tax Roth deferral contributions, up to a maximum of 100% of their salary, subject to Internal Revenue Code (“IRC”) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company’s safe harbor matching contributions to the Plan are equal to 100% of the first 3% of a participant’s salary deferrals plus 50% of a participant’s salary deferral between 3% and 5%. In addition, the Company may make additional discretionary matching contributions and may make discretionary nonelective contributions determined each year. There were no discretionary matching or discretionary nonelective contributions made during the year ended December 31, 2025. Participants direct the investment of their contributions into various investment options by the Plan.

##### **[3] Participant accounts:**

Each participant’s account is credited with the participant’s contribution and the Company’s contributions, as well as allocations of Plan earnings and losses. Discretionary contributions are allocated in the same proportion that each participant’s eligible compensation bears to the total eligible compensation of all participants. Participant accounts are charged with Plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## **BADER RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements December 31, 2025 and 2024**

#### **NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)**

##### **[4] Vesting:**

Participants are immediately vested in their contributions, safe harbor matching contributions and discretionary nonelective contributions, plus actual earnings thereon. Discretionary matching contributions vest on a five year graded vesting schedule. A participant or a participant's beneficiary is entitled to 100% of the account balance if employed on or after normal retirement age of 65 or in the event of permanent disability or death.

##### **[5] Notes receivable from participants:**

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years with longer term loans available for the purchase of a primary residence. The loan interest rate is set at the prime rate. The prime rate was 7.5% and 8.5% at December 31, 2025 and 2024, respectively. Interest rates on outstanding loans range from 3.25% to 8.5%. Principal and interest are paid rateably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

##### **[6] Normal retirement:**

Normal retirement age is 65. Participants vest 100% in their account balances at age 65, although actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan.

##### **[7] Payment of benefits:**

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Vested benefits of \$5,000 or less are distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution. Vested benefits that exceed \$5,000 are distributed either in a single lump-sum payment or installments over a period not more than the participant's life expectancy, or may be left in the Plan.

##### **[8] Forfeitures:**

Forfeitures are used first to reinstate previously forfeited accounts, then to pay administrative expenses, and then to reduce any Company contributions. During the year ended December 31, 2025, no forfeitures were used to pay Plan expenses and there were no unallocated forfeitures at December 31, 2025 and 2024, respectively.

## **BADER RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements December 31, 2025 and 2024**

#### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**[1] Basis of accounting:**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**[2] Use of estimates:**

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that may affect certain reported amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

**[3] Investment valuation and income recognition:**

The Plan's investments are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**[4] Payment of benefits:**

Benefits are recorded when paid.

**[5] Plan expenses:**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

**[6] Subsequent events:**

The Plan has evaluated subsequent events through August 25, 2026, the date at which the financial statements were available to be issued.

#### NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) of the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, Empower Trust Company, LLC, certified to the completeness and accuracy of investment information with a fair value of \$17,674,696 and \$16,128,741 along with notes receivable at December 31, 2025 and 2024 respectively, representing all of the Plan's investments other than the Guaranteed Income Fund. Empower Trust Company, LLC also certified to the completeness and accuracy of the related investment income for the year ended December 31, 2025. Empower Annuity Insurance Company of America, certified to the completeness and accuracy of the Guaranteed Income Fund with a contract value of \$1,719,516 and \$1,720,383 at December 31, 2025 and 2024 respectively, and the related investment income for the year ended December 31, 2025. The certified investment information was not subjected to the auditing procedures applied in the audit of the financial statements, except for procedures prescribed by auditing standards generally accepted in the United States of America. The investment information certified by Empower Trust Company, LLC and Empower Annuity Insurance Company of America includes investments and notes receivable information presented in the Schedule of Assets (Held at End of Year).

#### NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

*Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

|                                 | Investments at Fair Value as of December 31, 2025 |         |         |               |
|---------------------------------|---------------------------------------------------|---------|---------|---------------|
|                                 | Level 1                                           | Level 2 | Level 3 | Total         |

|---------------------------------|---------------------------------------------------|---------|---------|---------------|
|                                 | Level 1                                           | Level 2 | Level 3 | Total         |
| Mutual funds                    | \$ 16,128,741                                     | \$ -    | \$ -    | \$ 16,128,741 |
| Total investments at fair value | \$ 16,128,741                                     | \$ -    | \$ -    | \$ 16,128,741 |

#### Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

#### NOTE E - GUARANTEED INCOME FUND

The Plan's guaranteed income fund is a fully benefit responsive traditional investment contract with Empower Annuity Insurance Company and reported at contract value. Empower Annuity Insurance Company of America maintains the contributions in a general account. Participants may direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. Participants cannot transfer their balances to competing fixed income funds, such as money market funds, short-term bond funds, or brokerage windows. Balances transferred from the fund to non-competing funds cannot be transferred to competing fixed income funds for 90 days, but may be transferred back to the guaranteed income fund at any time. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals, and fees. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. There are not any events that allow the issuer to terminate the contract, and which require the Company to settle at an amount different than contract value paid either within 90 days or over time.

### **Notes to Financial Statements December 31, 2025 and 2024**

#### **NOTE F - RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS**

Certain investments are managed by Empower. Empower is the recordkeeper and, therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to Empower were \$107,719 for the year ended December 31, 2025. The Plan also pays investment advisory fees. As service providers to the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to these service providers were \$49,568 for the year ended December 31, 2025.

The trustee provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan. If the revenue received by the trustee from such mutual fund service providers exceeds the amounts owed the trustee remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2025, \$45,923 was received from the trustee and is reflected as other income on the statement of changes in net assets available for benefits and \$45,923 was used to pay Plan expenses.

#### **NOTE G - TAX STATUS**

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan With CODA sponsored by The Empower Retirement LLC. On September 16, 2022, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the IRC and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

#### **NOTE H - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2025 may not necessarily be indicative of amounts that could be realized in a current market exchange.

## **BADER RETIREMENT SAVINGS PLAN**

### **Notes to Financial Statements December 31, 2025 and 2024**

#### **NOTE I - MUTUAL FUND FEES**

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads, or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

#### **NOTE J - PLAN TERMINATION**

Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.
